**Going Commando** K. M. Neuhold, 2017-05-14 I never thought I could want anyone as much as I wanted Nash, then I met you~Royal When I was sixteen I was afflicted with a terrible curse...I fell in love with my straight best friend. I never thought I'd move past my feelings for Nash and find someone who could love me in return, until the day a gorgeous marine plopped himself down in my chair and asked me to ink him. I'm falling fast for Zade, but my feelings for Nash are still very real. When life starts getting complicated and Nash speaks the words I never thought I'd hear, the only thing I want is for us to find a way to make this work...together. What if I told you, you'd never have to choose?~Zade I thought I'd stay in the marines for life, that was the plan. But after a traumatic event I couldn't make myself re-enlist when my contract was up. Confused and unsure what to do next I called up my best friend for a place to stay. What I didn't count on was my best friend's boyfriend practically throwing a sexy tattoo artist at me to keep me busy. Royal is everything I've ever wanted and his roommate, Nash, is starting to grow on me, too. A few weeks ago I thought I was straight. Now I'm sandwiched between two sweaty men. Can't say I do anything half-assed. ~Nash Of course I've noticed that my best friend, Royal is crazy good looking. I have eyes, that doesn't mean I'm into guys. Although, when I start to notice that his new boyfriend, Zade, is pretty hot too, that makes me start to question things a little. Not to mention the dreams I keep having of the three of us together. I'm willing to try if they are. \*\*This is NOT a love triangle, just good old fashioned man-on-man-on-man love \*\*Every book in the Heathens Ink series can be read as a stand-alone, but it's way more fun to read them in order.

**This Regret** Victoria Ashley, 2014-02-28 Phoenix has been stumbling through life since her brother Adric's tragic death but after eight years, she is finally piecing what remains together. She has a nice apartment, a steady job and not to mention a fresh new 'relationship' with her childhood friend, Kade Haze. He's the sexy boy next door she never even dreamed of falling for, but can't seem to stop the pull she feels toward him. Just when life began to make sense again and a feeling of normalcy was on the horizon, Phoenix's carefully constructed walls come crashing down. When walking into the tattoo shop one day, the last thing she's expecting to see is Kellan Haze, Adric's best friend no one has seen or heard from since the day they found her brother's body. He's nothing as she remembers him as a child, with his wild messy hair, tattoos that cover most of his undeniably sexy body and eyes so intense it makes her legs quiver with one look. The one thing even she can't deny is the instant rush she feels just by being in his presence. But how can you choose between love and lust when one of these hold a dark secret, one that can crush your world to pieces and leave you gasping for air. Who can you trust when your mind is pulling you in two different directions and

your heart has to choose for you? The Haze brothers are sexy, daring and possibly . . . dangerous. This Regret is a story of love, lust, betrayal and danger with an ending that no one saw coming.

Historical Painting Techniques, Materials, and Studio Practice Arie Wallert, Erma Hermens, Marja Peek, 1995-08-24 Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled Historical Painting Techniques, Materials, and Studio Practice at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Iberia James A. Michener, 2015-03-10 “Massive, beautiful . . . unquestionably some of the best writing on Spain [and] the best that Mr. Michener has ever done on any subject.”—The Wall Street Journal Spain is an immemorial land like no other, one that James A. Michener, the Pulitzer Prize-winning author and celebrated citizen of the world, came to love as his own. Iberia is Michener's enduring nonfiction tribute to his cherished second home. In the fresh and vivid prose that is his trademark, he not only reveals the celebrated history of bullfighters and warrior kings, painters and processions, cathedrals and olive orchards, he also shares the intimate, often hidden country he came to know, where the congeniality of living souls is thrust against the dark weight of history. Wild, contradictory, passionately beautiful, this is Spain as experienced by a master writer.
