When the Christmas Tree Grew Candy Canes Raquel Alva Gardea,2019-10-04 This is a story about how love and acceptance can lead to magical results! This book is written in simple language that young children can understand, and also be thrilled with the magic that transforms a homely, ordinary tree into a one that grows candy canes.In the story, a family selects a homely tree from the Christmas Tree Farm and takes it home. They lovingly decorate the tree, and are surprised to find that the next morning the tree has magically 'sprouted' candy canes from its limbs. The main themes of the story is that we are all unique and special in our own way, and that love and appreciation can bring those hidden gifts out to the surface, just as the love of the family magically makes it possible for the tree to grow candy canes.
