Hearing the Word of God John R. Donahue,2004 Father Donahue's commentaries on the lectionary readings in *Hearing the Word of God* first appeared as a popular weekly column in *American*, covering Cycle A. Since some of the Sundays in the Cycle were displaced by particular feasts, reflections on these Sundays have also been added. *Hearing the Word of God* includes Scripture readings for the Sunday, followed by a reflection on the reading, and concludes with *Praying with Scripture*, a series of questions and meditations to guide readers in making a personal application of the reflection.

Beacons Gregory Norminton,2013-03-01 An incredible collection of stories for our shared planet from the likes of Joanne Harris, Toby Litt and Liz Jensen A riveting and provocative collection of short fiction, *Beacons* throws down the gauntlet to award-winning writers, challenging them to devise original responses to the climate crisis. From Joanne Harris' cautionary tale of a world where 'outside' has become a thing of the past, to Nick Hayes' graphic depiction of the primeval bond between man and nature, each story thrills the senses as it attempts to make sense of a world warping into something unfamiliar. Original, eclectic, and inventive, *Beacons* warns and inspires by offering stories that are as various as our possible futures. All author royalties will go to the Stop Climate Chaos Coalition.

Climate Courage Andreas Karelas,2020-09-29 How Americans can take action in their own communities and unite across the political spectrum in pursuit of solutions to climate change. Andreas Karelas has a message we don't often hear: we have all the tools we need to solve the climate crisis and doing so will improve our lives, our economy, and our society. But to engage people in the climate fight, we need stories that are empowering, inclusive, and solutions-oriented, not based in fear. Karelas digs into the latest data on the rapidly falling costs and increased efficiencies of clean energy technologies compared to fossil fuels, looks at the rate of job creation in the clean energy sector, and introduces the reader to the inspiring work of climate heroes on both sides of the aisle—from Republican mayors and governors to activists, from businesses to faith communities. *Climate Courage* shows us how we can move past our collective inaction on climate change and work together in our communities to create a more sustainable, just, clean energy-powered economy that works for everyone.

Nathaniel Hawthorne: Collected Novels (LOA #10) Nathaniel Hawthorne,1983-04-15 Written in a richly suggestive style, Hawthorne's five world-famous novels are permeated by his own history as well as America's In The House of the Seven Gables, Nathaniel Hawthorne alludes to his ancestor's involvement in the Salem witch trials, as he follows the fortunes of two rival families, the Maules and the Pyncheons. The novel moves across 150 years of American history, from an ancestral crime condoned by Puritan theocracy to reconciliation and a new beginning in the bustling Jacksonian era. Considered Hawthorne's greatest work, The Scarlet Letter is a dramatic allegory of the social consequences of adultery and the subversive force of personal desire in a community of laws. The transgression of Hester Prynne and Arthur Dimmesdale, the innate lawlessness of their bastard child Pearl, and the torturous jealousy of the husband Roger Chillingworth eventually erupt through the stern reserve of Puritan Boston. The Scarlet Letter engages the moral and romantic imagination of readers who ponder the question of sexual freedom and its place in the social world. Fanshawe is an engrossing apprentice work that Hawthorne published anonymously and later sought to suppress. Written during his undergraduate years at Bowdoin College, it is a tragic romance of an ascetic scholar's love for a merchant's daughter. The Blithedale Romance is a novel about the perils, which Hawthorne knew first-hand, of living in a utopian community. The utilitarian reformer Hollingsworth, the reticent narrator Miles Coverdale, the unearthly Priscilla, and the sensuous Zenobia (purportedly modeled on Margaret Fuller) act out a drama of love and rejection, idealism and chicanery, millennial hope and suicidal despair on an experimental commune in rural Massachusetts. The Marble Faun, Hawthorne's last finished novel, uses Italian landscapes where sunlight gives way to mythological shadings as a background for mysteries of identity and murder. Its two young Americans, Kenyon and Hilda, become caught up in the disastrous passion of Donatello, an ingenuous nobleman, for the beautiful, mysterious Miriam, a woman trying to escape her past.

Nathaniel Hawthorne: Collected Novels (LOA #10) Blithedale Romance / Fanshawe / Marble Faun Nathaniel Hawthorne, 2016-01-05 The Library of America presents in one giftable collection all 5 of Nathaniel Hawthorne's world-famous novels—including *The House of the Seven Gables* and *The Scarlet Letter*. Written in a richly suggestive style that seems remarkably contemporary, Nathaniel Hawthorne's novels permeated by his own history as well as America's. In *The House of the Seven Gables*, Nathaniel Hawthorne alludes to his ancestor's involvement in the Salem witch trials, as he follows the fortunes of two rival families, the Maules and the Pyncheons. Feasting on the Word David Lyon Bartlett, Barbara Brown Taylor, 2010-01-01 With the twelve-volume series *Feasting on the Word*, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will find brief essays—one each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net.

The Complete Poetry of Percy Bysshe Shelley Percy Bysshe Shelley, 2005-01-21 Winners of an Honorable Mention from the Modern Language Association's Prize for a Distinguished Scholarly Edition Writing to his publisher in 1813, Shelley expressed the hope that two of his major works should form one volume; nearly two centuries later, the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time. This volume collects two important pieces: *Queen Mab* and *The Esdaile Notebook*. Privately issued in 1813, *Queen Mab* was perhaps Shelley's most intellectually ambitious work, articulating his views of science, politics, history, religion, society, and individual human relations.

Subtitled *A Philosophical Poem: With Notes*, it became his most influential—and pirated—poem during much of the nineteenth century, a favorite among reformers and radicals. The *Esdaile Notebook*, a cycle of fifty-eight early poems, exhibits an astonishing range of verse forms. Unpublished until 1964, this sequence is vital in understanding how the poet mastered his craft. As in the acclaimed first volume, these works have been critically edited by Donald H. Reiman and Neil Fraistat. The poems are presented as Shelley intended, with textual variants included in footnotes. Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect; their publication or circulation by other means; their reception at the time of publication and in the decades since; their re-publication, both authorized and unauthorized; and their place in Shelley's intellectual and aesthetic development.

A Cup of Water Under My Bed Daisy Hernández, 2015-09-08 The PEN Literary Award-winning author “writes with honesty, intelligence, tenderness, and love” about her Colombian-Cuban heritage and queer identity in this poignant coming-of-age memoir (Sandra Cisneros, author of *The House on Mango Street*). In this lyrical, coming-of-age memoir, Daisy Hernández chronicles what the women in her Cuban-Colombian family taught her about love, money, and race. Her mother warns her about envidia and men who seduce you with pastries, while one tía bemoans that her niece is turning out to be “una india” instead of an American. Another auntie instructs that when two people are close, they are bound to become like *uña y mugre*, fingernails and dirt, and that no, Daisy’s father is not godless. He’s simply praying to a candy dish that can be traced back to Africa. These lessons—rooted in women’s experiences of migration, colonization, *y cariño*—define in evocative detail what it means to grow up female in an immigrant home. In one story, Daisy sets out to defy the dictates of race and class that preoccupy her mother and tías, but dating women and transmen, and coming to identify as bisexual, leads her to unexpected questions. In another piece, NAFTA shuts local factories in her hometown on the outskirts of New York City, and she begins translating unemployment forms for her parents, moving between English and Spanish, as well as private and collective fears. In prose that is both memoir and commentary, Daisy reflects on reporting for the *New York Times* as the paper is rocked by the biggest plagiarism scandal in its history and plunged into debates about the role of race in the newsroom. A heartfelt exploration of family, identity, and language, *A Cup of Water Under My Bed* is ultimately a daughter’s story of finding herself and her community, and of creating a new, queer life.

Robots in American Popular Culture Steve Carper, 2019-06-12 They are invincible warriors of steel, silky-skinned enticers, stealers of jobs and lovable goofball sidekicks. Legions of robots and androids star in the dream factories of Hollywood and leer on pulp magazine covers, instantly recognizable icons of American popular culture. For two centuries, we have been told tales of encounters with creatures stronger, faster and smarter than ourselves, making us wonder who would win in a battle between machine and human. This book examines society's introduction to robots and androids such as Robby and Rosie, Elektro and Sparko, Data, WALL-E, C-3PO and the Terminator, particularly before and after World War II when the power of technology exploded. Learn how robots evolved with the times and then eventually caught up with and surpassed them.
