The Glug-Glug Story Paula Nico,2009-03 Climb on board and get in the back of Mamas blue pickup with green paint on the sides. Firsttime childrens author Paula Nico takes young readers on a wild, entertaining ride in her multicultural tale called The GlugGlug Story. It is the 1960s and nineyearold Caroline narrates recollections of her hilarious family adventures while growing up near Amish country. Discover her Uncle Lennys mysterious glugglug ability. Find out how her mamas wise sayings brought racial and cultural equality. The GlugGlug Story is a healing legacy that parents will want to pass on to their childrens children. All people are alike on the inside; pain knows no color, Mama said. Paula Nico is a woman of faith and destiny. Paula holds a Bachelor of Science in Education. A former teacher and artist, Paula had a divine encounter with God in 1976, which radically transformed her life.

**W.C. Fields by Himself** W. C. Fields,2016-02-01 Fields never got around to writing his autobiography, but at his death in 1946, he left behind a vast assortment of notes, outlines, scrapbooks, letters, scripts, scenarios, and photographs. Now his grandson, Ronald J. Fields, has edited and woven this wealth of previously unpublished material into a unique new portrait of the Great One--in his own words. This book establishes the true facts about W.C. Fields's early years: how, around 1895, he really got started juggling; how met his future wife Hattie; and how he felt about his incessant tours, triumphs, and film career.
