**Communicating on the Playing Field** Josef Solc, 2009-05 Communicating on the Playing Field is a book about reaching out to people around us through sports. The popularity of sports is a bridge builder to 95% of people living in our world. We, as Christians, long to communicate with all nations, but find it difficult to do it through traditional means. As the cultures of our world change, so we must discover effective ways to relate to the secular people. The playing field doesn't present cultural, social, political and religious barriers. It is an open field that is available to Christian athletes and spectators. Since Christ asks us to go and make disciples, sports can help us penetrate our world. This book provides a general introduction to the concept and practice of sports evangelism springing from a biblical and theological platform. It demonstrates many opportunities of doing sports evangelism in the contemporary culture at home and abroad. Dr. Josef Solc is a native of the Czech Republic. He represented his home country in tennis and ice hockey. He wanted to study in a seminary in Prague, but the communist government told him it was more beneficial for their society if he continued playing professional ice hockey than becoming a pastor. During the Russian invasion of Czechoslovakia in 1968, Solc left his home and began his studies in Switzerland, then in Oklahoma and Texas culminating in Ph.D. from Southwestern Baptist Theological Seminary in Fort Worth. There he became a pastor at Hulen Street Baptist Church where he developed a strong evangelistic ministry by using sports. After seventeen years of pastoral ministry, Solc began teaching evangelism and missions at Southeastern Baptist Theological Seminary in Wake Forest, North Carolina. Professor Solc lives with his wife Joy in Raleigh, North Carolina. He continues teaching and doing sports evangelism at SEBTS.

Learning to See Life from God's Point of View Ayanna Kofi, 2014-02-13 God is Light, a rainbow of colors affecting our lives whether we acknowledge Him or not. Welcome to a no frills, no holds barred introduction into a personal journey and the role God plays in my life and yours. He is no respecter of persons and has a training program for all who are interested in taking His course of Life 101. All life has purpose and His purpose for us is to get to know Him and how He views life. Self-condemnation and fear of trying are two major challenges which confront all people. The first and primary challenge is accepting and knowing you have a spiritual Father who loves and supports you. One cannot ace anything in life if they don't know and understand the guidelines of the topic. God's topic is YOU. Taking you from where you are to where He designed for you to be. Everything you are or will ever be is already inside of you. It's called potential. For anyone who wants to be their self, if you need and seek hope, anyone with no sense of direction, to all the gamers, or those with a competitive spirit this book is for you.

**Gods' Games We Play, Vol. 1 (light novel)** Kei Sazane, 2022-11-22 Let the games begin! In their (overabundance of) free time, the gods grew bored and decided to create challenging battles of wits to spice things up! Their

opponent? Humanity! A select few players called "apostles" meet the gods on the spiritual realm's playing field to beat the deities at their own games. A former god named Leshea has woken after sleeping for thousands of years, and her first demand is to meet "this era's very best player!" She is introduced to Fay, an acclaimed rookie apostle. Together, they plan to challenge the gods and win the ultimate prize, but no one in human history has managed to clear ten games—because the gods can be capricious, outrageous, and sometimes downright incomprehensible! In the face of absurdity, what can the apostles do but enjoy the contest to its fullest?

**Playing with God** William J Baker, 2009-06-30 Like no other nation on earth, Americans eagerly blend their religion and sports. This book traces this dynamic relationship from the Puritan condemnation of games as sinful in the seventeenth century to the near deification of athletic contests in our own day.

**Rescuing God from Christianity** Sven E. Erlandson, 2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life-changing new path based on the simple call to love God and love one's neighbor.

**The Well-Played Life** Leonard Sweet, 2014 Discusses the role of play in a relationship with God, describing how joy, creativity, and enjoyment are important elements of the spiritual life.

*Mary, God-Bearer to a World in Need* Maura Hearnden Fehlner, Virginia Kimball, 2013-10-08 All who live yearn for freedom--freedom from political oppression, poverty, disease, crime, war, and misery in all its forms. Christians believe that only God has the infinite wisdom, resources, and will to provide what we so desperately need. The contributors to *Mary, God-Bearer to a World in Need* offer scholarly explorations of ways in which the woman who bore God Incarnate into human history might help humankind to open its creaturely finitude to God's infinite possibilities. By relating such topics as faith, justice, economics, family life, and interreligious dialogue to Marian doctrine, humanity gains new insights useful for healing society's bleeding wounds. In these essays, the God-Bearer becomes present to a world still very much in need of the divine grace mediated through her motherhood.

Insights on 1 & 2 Corinthians Charles R. Swindoll, 2017 The complete 16-volume set of Swindoll's *Living Insights New Testament Commentary* draws on 13-time Christian Book Award winner Chuck Swindoll's more than 50 years of

studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible, verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. A must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.--provided by publisher.

*Vision Moments* Bo Boshers, Keith Cote, 2004 Visions can offer inspiration, encouragement, and hope. It is in vision moments that lasting imprints of what God would have for our lives are stamped on each of our hearts. Vision Moments will provide leaders of student ministries with the essential tools and examples--in areas such as spiritual growth, evangelism, community, ownership, and being a difference maker--to begin building lasting vision in the hearts of their teams.

Serving God Globally Roland Hoksbergen, 2012-06-01 Dominating the daily news cycle today are the grim realities of grinding poverty, sex trafficking, gender discrimination, child soldiering, HIV/AIDS, failed states, corruption, and environmental breakdown. In the midst of such pain and brokenness, the followers of Christ cannot stand idly by, for God calls them into the mission of reconciling all things, first by easing suffering and then by building flourishing communities through the process of transformational human development. This practical handbook explains what development is, what development workers actually do, and how young people can prepare for mission careers in this field, both in North America and abroad. In addition to setting the big picture for how Christians approach the big questions of international development, the book draws on stories, advice, and wisdom collected from personal interviews with about fifty development professionals.

**Coping with Versnel: A Roundtable on Religion and Magic** , 2023-05-25 Henk Versnel's work on ancient religion has been seminal. For his 80th birthday, a group of scholars assembled to celebrate and analyze his oeuvre. What have been his most important insights? What will he bequeath to the 21st century? Specialists hold up to the light the main strands of Versnel's scholarship, and he reacts to their praise and critique. An introduction that seeks to contextualize this oeuvre, and a bibliography of Versnel's publications, round out the picture of a scholar who has put his stamp on the study of ancient religions and magical practices, and who has promoted the field in many ways, especially as the driving force behind Brill's flagship series Religion in the Graeco-Roman World, of which this fittingly is the 200th volume.

**The Book of Job: God's Faithfulness in Troubled Times** Dr. Jim Halla, 2022-04-05 Job, the book and the man, is well-known even in the public arena. However, the main character of the book is the Triune God. Moreover, some have suggested that the book of Job focuses on the larger problem of evil in a good God's world. By definition that would include the concept of victimhood. However, Dr. Jim Halla thinks that approach misses major issues in the book. The Book of Job: God's Faithfulness in Troubled Times presents Dr. Halla's understanding of the book under four major headings: God's sovereignty, suffering, suspicion, and success. Job began well but faltered. He considered himself alone, deafening silence from God, and his relationship with God in shambles. God took him to the zoo and the sea and Job learned well: he repented and God placed him in the position of intercessor for his friends. He functioned as a type of Christ but he was not Christ. He came to

embrace those two truths. The book of Job is for all believers in all seasons no matter their spiritual maturity. As you read *The Book of Job: God's Faithfulness in Troubled Times*, see if you catch a glimpse of Job's radical reversal.

**Paul's Message and Ministry in Covenant Perspective** Scott J

Hafemann, 2015-08-27 Erudite and authoritative, *Paul's Message and Ministry in Covenant Perspective* is the fruit of twenty-five years of scholarship about the theology and life of the apostle Paul, now made available for the first time to a wider audience. Confronting the questions raised by the history of Pauline thought since F.C. Baur, Scott J. Hafemann's essays focus on how Paul's self-understanding shaped everything, from his message to the driving force behind his ministry, and his consequent call to suffer for the sake of his churches. Hafemann's work reveals that Paul's views of redemption, of his own redemptive mission, and of the life of the redeemed all derived from a central point: his eschatological conviction that the purpose of the new covenant established by Jesus was to prepare the way for when Christ returns on Judgement Day.

*Dynamic Oneness* Suzanne Nicholson, 2011-08-25 The apostle Paul affirms in several places that there is only one God. Yet in the same letters Paul also gives praise to the Lord Jesus Christ, often using language similar to his descriptions of God. How can this self-avowed Hebrew of Hebrews reconcile these ideas? This book explores the strongest one-God statements in Paul's undisputed letters and asks how Paul's Jewish monotheistic understanding informs his overall argument. These three texts - 1 Corinthians 8:6, Galatians 3:20, and Romans 3:30 - occur in very different contexts and address different issues. By looking at the historical, cultural, and grammatical contexts of these passages, as well as Paul's language about God and Christ elsewhere in these letters, Dr. Nicholson argues that Paul's understanding of the one God is not static or perfunctory; rather, it is dynamic and flexible, influencing significant aspects of Paul's Gospel message. Paul's ethics, his view of salvation history, and his soteriology are fundamentally shaped by his understanding of the one God of Israel.

Render to God Jerome H. Neyrey, 2004 Neyrey here interprets eight key New Testament books, providing a fresh look at theologies in the early church and introducing readers to the diverse ways in which the New Testament writers render to God the things that are God's. He begins with two Gospels, Mark and Matthew, and moves on to the Acts of the Apostles and three of Paul's letters (Romans, 1 Corinthians, and Galatians). He then examines the formal and precise ways in which Jesus is called God in the Gospel of John and concludes with a discussion of how Hebrews uses eternity as a fundamental concept for understanding God. Using a social-science methodology, he offers unique perspective on the biblical text.

**Overflowing** Kyle Farran, 2022-02-08 Do you long to be useful to God and hear, "Well done, good and faithful servant? (Matthew 25:21) *Overflowing* is born out of ten years meditating on this question: Why does God use some people more than others? In our zeal to be used by God, we have a tendency to rely on doing things for God. However, when God chose to use certain individuals in the Bible, it wasn't because of their effort or abilities. God was looking at their heart. God still searches hearts. You can become a person that is useful to God—not because of great things you do, but because of a heart that pleases Him. When God finds a heart that is fully His, He

fills it to overflowing.

**A Theology of Paul the Apostle, Part One** G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology. While the study of Paul is not a simple task, proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix. The work, Theology of Paul the Apostle, is presented in two parts. Part One, Paul's Eschatological Gospel, addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ. Paul's Judaism informs his apocalyptic description, as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco-Roman world. Part Two, Cross and Atonement, examines a perennial "storm center" within Paul's theology from both an exegetical and developmentally historical perspective. Paul was embraced by the gospel of God "in Christ," the resurrection being the turning point of the ages. While Paul's theology and the understandings of Paul must be established point by point, Paul's theology has continuing relevance within the very different matrix of a postmodern world.
