Susan Coleridge

Gold Fever 10 Copy Pack Susan Coleridge, 2006-10-01

Gold Fever! Catherine McMorrow, 1996 The story of the Forty-niners who came to California in search of gold.

Gold Fever Verla Kay, 1999-01-01

Gold Fever Verla Kay, 2003 A new dynamic has been discovered concerning the relationship between God and the universe. You'll find it in the first verse essay of SOUNDINGS, beginning with a statement, followed by two questions: God, who is Ultimate Reality and Truth, would not bring into existence anything less than real or true, it would seem. With this in mind, could the newly created universe- the early space-time continuum- have been anything other than it was? Could the primordial light and elements, with their forces of electromagnetism and gravity, have been anything other than they were? Thus begins a spiritual quest, ranging from the dawn of time to the summit of contemporary civilization. Embark on a journey with Frank L. Jordan III as he unravels some of the oldest known mysteries pertaining to God and the universe-mysteries involving the problem of evil, and of God's role in connection with death, accidents, natural disasters, and disease. Equipped with a new philosophy called derivism*, Jordan methodically chips away at the barriers between us and God, while pointing to a true avenue of healing ... an exalted way. What People Are Saying About SOUNDINGS: Frank Jordan's profound struggle to understand God and the world and the reality of evil have brought him to a path very like that of process theology. I congratulate him for finding it on his own ... What gives poignancy and power to Jordan's thinking is the way it has come out of his personal suffering and joy. Dr. John B. Cobb, Jr., process theologian and co-director of the Center for Process Studies I read it all through in one night. What a strong and lovely and deep sharing Dr. Pamela Anne Bro, pastor of Living Waters Sanctuary and author of SoulQuest: A Trail Guide to Life Definitely worth reading.

Lawrence William Kozoyed, USN Commander (Ret.) and founder/director of the Institute for Mentoring (+) Science * Art * Spirituality A must read for any true spiritual seeker. Rev. Nicki Royall Peet, ecumenical minister and author of the upcoming book, *The Medicine Man's Daughter* I have read *SOUNDINGS* and I feel Frank Jordan has been able to put into words some Universal Truths from his own experience. Dr. Eleanora Woloy, Jungian analyst and author of *The Symbol of the Dog in the Human Psyche: A Study of the Human-Dog Bond* *The philosophy of derivism introduced in *SOUNDINGS* is not the religious doctrine found at the website or in the book *Derivism: A New Understanding in a New Age*. Each author arrived at the term derivism independently.

Gold Fever! Rosalyn Schanzer, 2007-01-09 The author uses lighthearted illustrations and excerpts from letters, journals, and newspaper articles to relate the story of the California Gold Rush of 1848. Full color.

The Gold Rush Barbara A. Somervill, 2005 From gunslingers to gold diggers, this series explores the stories and history of the American West.

Gold Fever Ann Pope, 1999

Gold Fever Steve Boggan, 2015-04-16 Gold. For centuries people have been entranced by the riches it promises; thousands have gone wild in their search for it and surely there will be many more. After the Financial Crisis, the price of gold reached peaks never seen in history. All over the world, particularly in the United States, people with no experience of prospecting began shopping for shovels, pickaxes, gold pans, tents, generators, and all manner of equipment they had no idea how to use. And off they went mining. In 2013, Steve Boggan decided he wanted a piece of the action, flying to San Francisco to join the 21st century's gold rush in a quest to understand the allure of the metal - and maybe find some for himself, too. Meeting a selection of colourful characters dreaming of striking it rich, he gets a

crash course in small-scale prospecting while learning about the history and economics of gold. He also takes us back in time to the original gold rush, two centuries ago, tracing the path of the first intrepid 49ers who trekked thousands of miles, risking death for the chance of unimaginable wealth. Written with Boggan's characteristic charm, *Gold Fever* is a hugely entertaining travelogue and a moving insight into a key period in the creation of modern America.

Gold Fever Nancy Keesing, 2002

Gold Fever! Rosalyn Schanzer, 2007 For use in schools and libraries only. Uses folk-art style illustrations and eyewitness excerpts from letters, journals, and newspaper articles to relate the story of the California Gold Rush of 1848.

Gold Fever Lewis Mariano Nesbitt, 1944

Gold Fever David Case, 1976

Gold Fever Rich Mole, 2011-02-01 In 1897, tens of thousands of would-be prospectors flooded into the Yukon in search of instant wealth during the Klondike Gold Rush. In this historical tale of mayhem and obsession, characters like prospectors George Carmack and Skookum Jim, Skagway gangster Soapy Smith and Mountie Sam Steele come to life. Enduring savage weather, unforgiving terrain, violence and starvation, a lucky few made their fortune, and some just as quickly lost it. The lure of the North is still irresistible in this exciting account of a fabled era of Canadian history.

Gold Fever Mal Leyland, 2000

Gold Fever Robert Anderson, 2001

Gold Fever Burton "Bud" Durr, 2014-05 Back as far as man could remember, gold had been that which everyone sought; and every time someone would claim to have discovered some of it in

a different place, there would be a mad dash to place a claim on a spot of ground that had yielded what was thought to be a rich strike. Sometimes it was, and sometimes it was not. But if it was fool's gold or the real thing, it usually became an important discovery. The fool's gold often turned out to be iron ore and became a source of work to a lot of hungry families.
