**Feminasty** Erin Gibson,2018-09-04 From the wickedly funny and feminist creator and host of the Throwing Shade podcast, a collection of hilarious personal essays and political commentary perfect for fans of Lindy West and Roxane Gay. Since women earned the right to vote a little under one hundred years ago, our progress hasn't been the Olympic sprint toward gender equality first wave feminists hoped for, but more of a slow, elderly mall walk (with frequent stops to Cinnabon) over the four hundred million hurdles we still face. Some of these obstacles are obvious-unequal pay, under-representation in government, reproductive restrictions, lack of floor-length mirrors in hotel rooms. But a lot of them are harder to identify. They're the white noise of oppression that we've accepted as lady business as usual, and the patriarchy wants to keep it that way. Erin Gibson has a singular goal-to create a utopian future where women are recognized as humans. In FEMINASTY-titled after her nickname on the hit podcast Throwing Shade-she has written a collection of make-you-laugh-until-you-cry essays that expose the hidden rules that make life as a woman unnecessarily hard and deconstructs them in a way that's bold, provocative and hilarious. Whether it's shaming women for having their periods, allowing them into STEM fields but never treating them like they truly belong, or dictating strict rules for how they should dress in every situation, Erin breaks down the organized chaos of old fashioned sexism, intentional and otherwise, that systemically keeps women down.

**Overcoming Animal and Insect Phobias** Martin Antony,Randi E. McCabe,2005-06-01 As the makers of blockbuster movies like The Birds, Jaws and Arachnophobia well know, animal fears are the most commonly reported phobias. Some 6 percent of Americans suffer from diagnosable animal phobia at any given time, and 11 percent will experience an episode at some time in their lives. Nearly three quarters of animal phobia sufferers are women, and most symptoms of animal phobia come on in childhood. Since most people with animal phobias experience panic attacks when they encounter certain animals, these fears can cause victims to lose significant quality of life. Fortunately, specific phobias are among the most responsive of anxiety disorders to behavior therapy, the research-proven treatment adapted for self-help readers in this book. Readers first learn about their phobia, where it comes from, what factors influence it, and how best to prepare for treatment. Then they learn to confront and overcome their animal and insect phobia. These techniques are effective and fast. The book includes information about avoiding relapse and helping someone else who suffers from an animal phobia.

With Love from London Sarah Jio,2022-02-08 When a woman inherits her estranged mother’s bookstore in London’s Primrose Hill, she finds herself thrust into the pages of a new story—hers—filled with long-held family secrets, the possibility of new love, and, perhaps, the single greatest challenge of her life. When Valentina Baker was only eleven years old, her mother, Eloise, unexpectedly fled to her native London, leaving Val and her father on their own in California. Now a librarian in her thirties, fresh out of a failed marriage and still at odds with her mother’s abandonment, Val feels disenchanted with her life. In a bittersweet twist of fate, she receives word that Eloise has died, leaving Val the deed to her mother’s Primrose Hill apartment and the Book Garden, the storied bookshop she opened almost two decades prior. Though the news is devastating, Val jumps at the chance for a new beginning and jets across the Atlantic, hoping to learn who her mother truly was while mourning the relationship they never had. As Val begins to piece together Eloise’s life in the U.K., she finds herself falling in love with the pastel-colored third-floor flat and the cozy, treasure-filled bookshop, soon realizing that her mother’s life was much more complicated than she ever imagined. When Val stumbles across a series of intriguing notes left in a beloved old novel, she sets out to locate the book’s mysterious former owner, though her efforts are challenged from the start, as is the Book Garden’s future. In order to save the store from financial ruin and preserve her mother’s legacy, she must rally its eccentric staff and journey deep into her mother’s secrets. With Love from London is a story about healing and loss, revealing the emotional, relatable truths about love, family, and forgiveness.
