Gail W. Braman

101 Golf Courses Geoffrey Giles, 2010 101 Golf Courses is a selection of some of the world's finest golf courses: long-established classics, the latest resort courses, intensely private clubs, daily-fee public courses. What they all have in common is that they are great places to play golf. Some have long international championship pedigrees, others will never witness anything bigger than the annual club championship, but each course has fought its way into this book on merit against fierce competition. -- Back cover.

Balls Gail W. Braman, 2000-09 Read what the golf critics are saying about BALLS!: * THE GOLF COLLECTORS SOCIETY BULLETIN - 3/2001 Gail W. Braman has written BALLS! (Confessions of a Rural Golf Course Owner). This is the story of the insanely odd and crazy people who frequent a nine-hole golf course beside Route 100 in Rochester, Vermont. The stories are so nearly unbelievable that one would think that the book is fiction, but I can personally vouch for the authenticity because I lived just a few miles from the course and have heard the inane questions and observed the outrageous behavior first hand... I have been hearing about this book for years and the fact that it is finally in print, despite the odds inherent in the publishing world, is a testament to the chutzpah and perseverance of Gail Braman. She owned the course, and as such interacted with the people, recorded her astute observations when it was all over and got it down on paper. You'll enjoy the tale. -Bob Labbanace, Editor * GOLF BUSINESS (Nat'l Golf Course Owners Assoc)- 2/2001 Gail Braman made the mistake of telling her recently retired husband that she didn't want him home for lunch. So, he went out and purchased a nine-hole golf course in rural Rochester, Vermont. Braman captures this nine-year adventure as golf course owners. Through the pages of this account, you're invited inside their world as inexperienced golf course owners, where you learn what really happens behind the scenes through humorous vignettes and anecdotes. * HEARTHSTONE REVIEW (Duly Noted) - 4/01 A little investment property in bucolic Vermont, a pleasant summer-time diversion. That was the plan anyway. Before opening day was flooded out. Before the backhoes cleaning up the debris inflicted further damage. Before the discouraging financial realities set in, running a remote homespun golf course overshadowed by two tony resorts (The Hertz and Avis to their little 9-hole Rent A Wreck). The claustrophobic Vermont golf season didn't help. Nor did the vagaries of New England weather, a shortage of tourist center bathrooms or characters straight from central casting. For nearly a decade it sure made life interesting for Herb and Gail Braman.

In Search of the Ethical Lawyer Adam Dodek,Alice Woolley,2016-01-01 What options did Paul Bernardo's lawyer have when his client directed him to retrieve hidden evidence? Where would David Milgaard be today if a lawyer hadn't doggedly challenged his murder conviction? And what should a defence lawyer do when told her client is a danger to the public? In this book, leading Canadian legal academics and practising lawyers draw on real-life stories to probe the tension between ethics and the law. Whether re-examining high-profile cases, celebrating barristers who tore down barriers, or pointing out current injustices within the justice system, their stories are compelling and raise important questions about what it takes to be a "good" lawyer.
