Grab Text 56

Elaine Marmel

Leaves of Grass Walt Whitman,2008-02 Throughout his life, Walt Whitman continually revised and re-released Leaves of Grass. He added and deleted words, emended lines, divided poems, dropped and created titles, and shifted the order of poems. Leaves of Grass: A Textual Variorum of the Printed Poems includes all the variants that Whitman ever published, from the collection's first appearance in 1855 through the posthumous "Old Age Echoes" annex printed in 1897. Each edition was unique, with its own character and emphasis, and the Textual Variorum enables scholars to follow the development of both the individual poems and the work as a whole. Volume I contains introductory material, including a chronology of the poems and a summary of all the editions and annexes, along with the poems from 1855 and 1856. Volume II includes the poems from 1860 through 1867, including the first appearance of "When Lilacs Last in the Door-Yard Bloom'd" and "O Captain! my Captain!" Volume III features the poems 1870–1891, plus the "Old Ages Annex" and an index to the three-volume set.

Adobe Acrobat 9 How-Tos Donna L. Baker,2008-08-05 Adobe Acrobat continues to be one of the most widely recognized tools for document management, office communications, and improved workflow, and Acrobat 9 is the most powerful version yet. You can now collaborate with others using enhanced review and discussion tools, customize and organize forms, ensure increased security of your documents, and preview and edit with greater efficiency. But with all this power, how do you bring your Acrobat skills up to speed quickly? Never fear, Acrobat expert Donna L. Baker has selected the key techniques for accomplishing nearly any office communication task. You'll broaden your PDF skill set in no time with this focused, handy guide.

The Variorum Edition of the Poetry of John Donne, Volume 2 John Donne,2000 Based on an exhaustive study of the manuscript and print history of Donne's poetry, this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical-scholarly commentary on them from Donne's time forward. Textual introductions briefly locate the poems in the context of Donne's life or poetic development, outline the 17th-century textual history of the poems, and sketch the treatment of the text by modern editors. A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission--Provided by publisher.

Scholarly Editing and German Literature: Revision, Revaluation, Edition ,2015-11-18 Scholarly Editing and German Literature: Revision, Revaluation, Edition offers international perspectives on the process, products and impacts of scholarly editing.

Electronic Text Kathryn Sutherland,1997 The electronic presentation of text has revolutionized the understanding and use of literary evidence. Formerly, readers and editors were obliged to choose one edition of a text in book form to work with and to treat

other versions as ancillary. Now electronic editions of a text can incorporate all the various versions and revisions. This allows unconstrained access to a much greater range of information. This collection considers the role of computerized technology in contributing to the interpretation and editing of texts, from both practical and theoretical perspectives. The contributors investigate the ways in which the treatment of texts and the idea of a text are affected by current and prospective advances in electronic production and reproduction.

Early Tales & Sketches, Vol. 2 Mark Twain,1981-07-27 From the Introduction: The second volume of this collection follows Clemens from his first days as a resident journalist in California, late in May 1864, through the end of his first full year as a California resident, 1865. In this twenty-month period he wrote most of his work for the San Francisco Golden Era, the Morning Call, the Dramatic Chronicle, and the Californian. He began to publish somewhat more regularly in eastern journals, like the New York Saturday Press and the Weekly Review, and toward the end of the period he started a long assignment as the daily correspondent from San Francisco to the Virginia City Territorial Enterprise. In November 1865 he published Jim Smiley and His Jumping Frog [no. 119] and by the beginning of 1866 the news of its success with eastern readers had begun to filter back to California. He was on the verge of national and international fame as a humorist.

Prophecy and Dissent, 1914-16 Bertrand Russell,1988 First Published in 1988. Routledge is an imprint of Taylor & Francis, an informa company.

Shakespeare and the Urgency of Now C. DiPietro,H. Grady,2013-07-19 These essays address the intersections between Shakespeare, history and the present using a variety of new and established methodological approaches, from phenomenology and ecocriticism to the new economics and aesthetics.

Teach Yourself VISUALLY Word 2007 Elaine Marmel,2008-03-11 Covers the much-anticipated new features of Word 2007, including collaboration tools, XML tags in Word, and the Word 2007 facelift-the first redesigned UI since Office 97 Ideal for users migrating from older versions of Word and who want to get up to speed on the changes in the application Filled with clear, step-by-step screen shots that show readers how to tackle dozens of Word tasks, including new features like the Research Pane, side-by-side comparisons, smart tags, and maximizing the benefits of the Task Pane Revised interior design offers readers a more sophisticated look with easier navigation

Microsoft Windows Vista Simplified Paul McFedries,2007-01-03 An introduction to Windows Vista, this title covers the new features, including interface, a Media Player that plays video, DVD, and music, and the new and improved Internet Explorer.

The Variorum Edition of the Poetry of John Donne, Volume 4.2 John Donne,2021-11-02 This volume, the ninth in the series of The Variorum Edition of the Poetry of John Donne, presents newly edited critical texts of 25 love lyrics. Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared, Volume 4.2 details the genealogical history of each poem, accompanied by a thorough prose discussion, as well as a General Textual Introduction of the Songs and Sonets collectively. The volume also presents a comprehensive digest of the commentary on these Songs and Sonets from Donne's time through 1999. Arranged chronologically within sections, the material for each poem is organized under various headings that complement the volume's companions, Volume 4.1 and Volume 4.3.

The Letters of George Santayana: 1941-1947 George Santayana,2001 The seventh and penultimate book of the letters of American philosopher George Santayana, covering the years 1941 to 1947 and including letters to such correspondents as Daniel Cory, John Hall Wheelock, Robert Lowell, and others. This penultimate volume of Santayana's letters chronicles Santayana's life during a difficult time--the war years and the immediate

postwar period. The advent of World War II left Santayana isolated in Rome, and the difficulties of wartime travel across borders forced him to abandon plans to move to more agreeable locations in Switzerland or Spain. During these years, Santayana lived in a single room in a nursing home run by the Blue Sisters of the Little Company of Mary in Rome, where, during the winter months, he did much of his writing in bed (wearing well-mended gloves) in order to stay warm. And yet, despite wartime deprivations, illness, and old age (he was 77 in 1941), Santayana was remarkably productive, completing both his autobiography Persons and Places and The Idea of Christ in the Gospels: or God in Man, and all but completing Dominations and Powers. He confided to one correspondent that he had never been more at peace or more happy. The eight books of The Letters of George Santayana bring together over 3,000 letters, many of which have been discovered in the fifty years since Santayana's death. Letters in Book Seven are written to such correspondents as his friend and protégée Daniel Cory, his financial manager and heir George Sturgis, and the American poet Robert Lowell. The correspondence with Lowell--which began when the younger writer sent Santayana a copy of his Pulitzer Prize-winning Lord Weary's Castle--signals an important new friendship, which became a source of affection and intellectual engagement in Santayana's final years.

Teach Yourself VISUALLY Word 2010 Marmel,2010-03-16 Learn to use Microsoft Word 2010 the easy, visual way Word is the most popular application in the Microsoft Office suite, and Word 2010 has some exciting new features. Jones Very Jones Very,1993 Very, a New England Transcendentalist and a protege of Ralph Waldo Emerson, is one of the underrated American poets of the nineteenth century. Though he attracted a select audience in his day, serious study of Very's work in this century has been hampered by the lack of a complete, convenient, and reliable edition of his poetry. Perhaps even more discouraging to readers of older collections of Very's poems has been the puzzling variance in the style and quality of the verse. This edition, in which the poems are dated and chronologically arranged, reveals the three stages of Very's poetic development, out of which the distinctive genius of the second period clearly emerges. Written under the influence of a powerful psychological/spiritual experience, the ecstatic utterances of this period are by turns breathless in their intensity and tranquil in their serene contentment.

Your Excel Survival Kit 2nd Edition Anne Walsh,2020-04-01 You have just been promoted into a job that requires more Excel skills than ever. You are floundering, drowning in a sea of spreadsheets. This book walks you through the program in an accessible way—everything from vlookups, pivot tables, and Power Query to Power BI and Power Pivot. The Excel Survival Kit is small enough to slip into your purse and carry with you to the office.

The Editorial Gaze Paul Eggert,Margaret Sankey,2014-04-04 This collection of original essays brings international and multidisciplinary perspectives to the problem of how to understand and practice editorial mediation: How does editing alter what it seeks to represent? How does it condition the relationship between texts and readers? The

different concerns shared by editors of a variety of genres, literary and otherwise, emerge here as constructive new approaches to the theory and practice of editing are explored. The essays make a concerted attempt to assess the implications of postmodern thought on one of the oldest and most fundamental cultural activities, editing The section on theory covers such important subjects as editorial responsibility, the death of the author, and the nature of the authorial voice. The practice section covers actual editing situations in various literary areas and in musicology, recorded music, and the preservation of oral literature. The multidisciplinary volume will find its readers among students of textual criticism, literature, music, and folklore as well as any readers of postmodern criticism.

Editing Shakespeare Peter Holland,2006 Published with academic researchers and graduate students in mind, this volume of the 'Shakespeare Survey' presents a number of contributions on the theme of editing Shakespeare's works.

Word X for Mac OS X Maria Langer,2002 With power tips and techniques for more experienced word users, this guide works like a reference book so redaers can easily learn how to make and edit documents, create templates, and more.
