Gabriella's Book of Fire Venero

Armanno, 2001-01-17 Spanning a 20-year period, this novel follows the story of Salvatore Capistrano and Gabriella Zazo, the youngest son and daughter of two Sicilian families who live side by side in a Brisbane suburb. It follows the course of their epic love affair, which is pulled apart by their family's animosities toward one another.

The Last Checkmate Gabriella Saab, 2021-10-19 A PopSugar Best Book of the Year! Readers of Heather Morris's *The Tattooist of Auschwitz* and watchers of *The Queen's Gambit* won't want to miss this amazing debut set during World War II. A young Polish resistance worker, imprisoned in Auschwitz as a political prisoner, plays chess in exchange for her life, and in doing so fights to bring the man who destroyed her family to justice. Maria Florkowska is many things: daughter, avid chess player, and, as a member of the Polish underground resistance in Nazi-occupied Warsaw, a young woman brave beyond her years. Captured by the Gestapo, she is imprisoned in Auschwitz, but while her family is sent to their deaths, she is spared. Realizing her ability to play chess, the sadistic camp deputy, Karl Frittsch, decides to use her as a chess opponent to entertain the camp guards. However, once he tires of exploiting her skills, he has every intention of killing her. Befriended by a Catholic priest, Maria attempts to overcome her grief, vows to avenge the murder of her family, and plays for her life. For four grueling years, her strategy is simple: Live. Fight. Survive. By cleverly provoking Frittsch's volatile nature in front of his superiors, Maria intends to orchestrate his downfall. Only then will she have a chance to evade the fate awaiting her and see him punished for his wickedness. As she carries out her plan and the war nears its end, she challenges her former nemesis to one final game,

certain to end in life or death, in failure or justice. If Maria can bear to face Fritzsche—and her past—one last time.

Life and Gabriella Ellen Glasgow, 2020-07-28

Reproduction of the original: *Life and Gabriella* by Ellen Glasgow

Gabriella Brenda Hiatt, 2012-06-26 He lost a wager . . . but won a treasure. Due to a lost wager, the Duke of Ravenham is obliged to bring a pretty little nobody from the country into fashion among the high-sticklers of London Society. Ravenham would never refuse a debt of honor, no matter how unorthodox, so he overlooks Miss Gordon's vulgar relations to do what is necessary, escorting the unsophisticated chit to balls, etc. But what he expects to be an irksome duty turns out to be something quite different as he falls under the spell of his protegee's innocent charm. When he lost that wager, he definitely never counted on losing his heart as well! First impressions can be deceiving. Miss Gabriella Gordon only came to London at her mother's and sister's insistence, for she'd much rather assist in running her father's veterinary practice than attempt to fit into fashionable society. No sooner has she arrived in London than the exalted (and exceedingly handsome) Duke of Ravenham comes to call. The reason is less than flattering, however: due to a lost wager, the Duke is forced to bring Gabriella into fashion, a "favor" she would certainly refuse if her family would let her. But the more time she spends in the dashing Duke's company, the more conflicted she feels—particularly when she discovers they have more in common than she ever dared dream. Book 1 of Brenda Hiatt's bestselling Hiatt Regency Classics collection.

Gabriella's Return Patricia I I

Catuto, 2016-02-11 Gabriella's Return is a story about Gabriella Verducci and Marco Marino who were childhood sweethearts, Gabriella met Marco when she was twelve and made a bread delivery to his parent's Restaurant from her parent's Bakery. They became very good friends working in the same neighborhood called "Little Italy" where both their parent's owned their businesses. This was an area in Connecticut of a two mile strip of Italian Businesses where Generations of Italians had settled in the 1800's and families continued for generations after. These were all families who took care of one another so their children all grew up in a loving family community. Gabriella and Marco went all through school together and planned to get married after Marco finished Law School. Gabriella and Marco had been planning their wedding almost since they had met, and the night of their rehearsal dinner had finally arrived. Marco was driving in from New York where he had just gotten a job as an attorney at a Law Firm there. The weather was terribly foggy and rainy but Marco had driven this road many times before over the years. This time Marco would not make it home to his rehearsal dinner, so the

marriage that they both had been waiting for since they were very young would never happen. Someone was making sure Marco never made it off that road, his car was hit from behind and driven off the road into the ravine. Now Gabriella and Marco would not get the life together that they had planned and Marco would never get to see his unborn daughter Gia. Gabriella would now have to raise their daughter alone, knowing someone had killed Marco on purpose, She may never know who or why. Did that mean that Gabriella and her child were in danger from this person? At this time all Gabriella could think about was getting away from the tragedy and memories. Everything in Gabriella's life as she had known it had changed and not for the better.

Gabriella's Voice Michael J. Vaughn, 2004-03
Fifty-year-old Bill Harness is on a strange but seemingly benign journey, rambling across the country in an old Pontiac and anonymously leaving large checks with promising young opera singers. His fuel, however, is sorrow, and it isn't until

he arrives in Seattle and befriends Gabriella Compton, a phenomenally talented soprano, that he is able to address the three great tragedies of his vocally-gifted family.

Gabriella's Maze Rebecca Garza, 2015-03-05 The actions of those who surround her cause ripple effects of hardship, cruelty and abuse in the life of Gabriella. Torn from what little she knows and loves Gabriella finds herself scavenging for kindness and learns to steer her path choosing not to dwell in what surrounds her but to exist in a life shaped by her own free will.

Gabriella's plight Alan Riches, 2018-05-03 Gabriella is the name given to a female baby Rhinoceros, who sadly loses her loving family at the hands of horrible, greedy, poachers. This very short tale tells the world of her plight, along with the other endangered Animals in Africa today. It is a very sad fact that Rhinos along with other animals are horribly slaughtered daily for nothing more than the Keratin in their beautiful horns., This incidentally, happens to be the same substance that human fingernails and toenails are made of. A poor little, now orphaned Rhino tells her sad story. Her sad loss of her beautiful family, but also how through the help of nice humans lives to fight on another day, eventually raising her very own family. This short tale, Gabriella plight, tells the world of the pain and loss as seen through the eyes of a poor baby Rhinoceros if only she had the ability to do so. A

small fee was originally added to the cost of receiving this short story, but only to help raise money for the protection of these endangered animals. Alas this generated less interest than I anticipated. I have now decided to place the book out for free, hoping in some small way to help raise awareness of the plight of these beautiful endangered animals.
