**Grandma's House** Betty Brandt Hahn,2004-08 GRANDMA'S HOUSE is a pre-school-age book; or it could be used as a beginning to read book. It uses simple words and repeats them. It has the child at the center of the story. It reinforces the bond between adult and child. It provides reassurance in times of uncertainty. It is inter-generational. GRANDMA'S HOUSE is a book that you can read to your child over and over and find new things every time. Children want to go back and find the girl hiding behind the door, playing Hide and

Seek. They laugh with Grandma when she says, her bones squeak and creak and rattle, too. My three-year-old and four-year-old grandchildren just kept saying, Read it again!

Then it becomes apparent, and with great joy and delight, Grandma brings Alex back to her house and makes his day extraordinary.

**At Grandpa and Grandma's House** Mc Casper, 2015-03-10 Many grandparents experience the joy of sharing in the care of their grandchildren. Because of the time spent together, it's not uncommon for grandparents to see the child's first steps or hear his first words. What a joy! Lola and Lolo, as Melanie and her husband are now affectionately referred to, along with other grandparents, also have the privilege of teaching the little ones how to read and write, sing songs, and of course, try different foods. This book shares the most important thing you can teach your grandchild. As a new grandparent, Melanie was inspired to write about her own experiences and the joy she feels each and every day for her growing family. Through this process, she realized that she has many more memories to share and many more stories to tell - At Grandpa and Grandma's House is her first.
