Mastering the Core Teachings of the Buddha Daniel Ingram,2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book.In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

And then retired colleague Kyle Blueman comes up with an unofficial and highly dangerous plan of his

own. James must choose between loyalty to CHERUB, and loyalty to his oldest friend. Black Coffee Blues Henry Rollins, 2005 'If I lose the light of the sun, I will write by candlelight, moonlight, no light, If I lose paper and ink, I will write in blood on forgotten walls. I will write always. I will capture nights all over the world and bring them to you.' Henry Rollins, renowned spoken-word performer, musician, actor and author of several books, has a unique, hard-edged view of the world. This collection of writings from 1989 - 1991 is the classic Rollins book. From dramatic fiction shorts detailing stark, disturbing realities to gut-wrenching tour journals destroying all misconceptions of the glamour of fame and the music industry; from the challenging poetry to revealing dream sequences, Rollins' writing is unflinching in its honesty, uncompromising in its truth and irresistibly addictive.

Salt Hannah Moskowitz, 2018-10-30 Roaming the Mediterranean Sea on sailboats and hunting down monsters is the only life seventeen-year-old Indi and his siblings have ever known. He never loved it, but now that his parents are gone—vanished during a hunt three months ago—it's harder and harder to fight his desire to escape. He's constantly battling his ferocious love for his siblings and the temptation of his parents' journal, which contains directions to a treasure that their parents hinted at. Maybe it's something valuable enough to distract Beleza from her mission to hunt down the monster that killed their parents. Something that would take the little kids away from the sea that's turning Oscar into a pirate and wasting Zulu's brilliant six-year-old mind. Something that could give Indi a normal life. Acclaimed author Hannah Moskowitz has reinvented yet another genre in this ridiculously propulsive epic that is part seafaring epic, part coming-of-age tale, and a totally warm-hearted story of a boy who loves his family and just wants to figure his own self out—if only the fate of the world weren't on his shoulders.

Dictee Theresa Hak Kyung Cha, 2001 This autobiographical work is the story of several women. Deploying a variety of texts, documents and imagery, these women are united by suffering and the transcendence of suffering.
