Unbroken (Movie Tie-in Edition) Laura Hillenbrand,2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's Unbroken and the upcoming Unbroken: Path to Redemption. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent,

breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—Newsweek "Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—Maureen Corrigan, *Fresh Air* "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—Time "Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—Christopher McDougall, author of *Born to Run*

Solving America's Energy Crisis Kirkpatrick Sale, James Ridgeway, Joseph Persky, Steve Cummings, James Branscome, John Gaventa, Joseph Huges, 1973-09-01 There are some remarkable parallels between the Watergate scandals and the energy crisis—the two biggest front-page stories in recent months. Both are the product of a politics of fear and intimidation, a use of power to obscure public issues with scare words like black-outs and Black Panthers, while stealing Americans blind. In the name of law-and-order, the Watergate tricksters nearly stole the government. In the name of supply-and-demand, the energy companies would have us finance their attempt to further monopolize the world's energy resources. But more of us are seeing through these kinds of tricks. On a national level, perhaps television has produced a more sophisticated audience, one capable of discerning a second-rate used car salesman or a fast buck hoax in an instant. That's certainly ironic considering the way TV has become the media for presidential campaigning and the oil companies' good-guy apologies. Of course, Southerners should have a slight edge in spotting a fraud. After all, we've had decades of demagogues and statehouse gangs. telling us what was best for the little people. Not that we've had a monopoly on such corruption. Nationally, the worst enemies of democracy and free enterprise consistently prove to be those who claim to be those systems' protectors. Still, the South has a special relation to these latest crises. And that's what this issue of our journal is all about. There is increasing evidence that the cronies and the cash that made Watergate a Nixon policy came from the southern USA. Kirkpatrick Sale explores this thought in his analysis of the emerging political clout of what he calls the southern rim.
