Uncle John's Lists That Make You Go Hmmm... Bathroom Readers' Institute,2015-05-01 A list of five words to describe Uncle John's Lists That Make You Go Hmmm...: 1. Funny; 2. Fact-filled; 3. Surprising; 4. Unique; 5. Essential. Uncle John's Lists That Make You Go Hmmm... puts a whole new spin on Uncle John's unique brand of trivia. Readers will be treated to 288 pages of irresistible easy-to-digest lists featuring short facts, fascinating history, and weird news--plus lists about science, sports, quotes, wordplay, showbiz, and random oddities. Some examples: "4 Yellow Things (and Why They're Yellow)", "5 Dumb Crooks Who Led the Cops Right To Them," "The 6 Smartest Dog Breeds," "7 Lists of 7s" (on page 77), "Hollywood's 8 Stupidest Science Goofs," "9 Celebrity Marriages that Didn't Outlast Milk," and "The 10 Commandments (and 10 Politicians Who Broke Them)."

Popular Science ,2007-05 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Childhood Under Siege Joel Bakan,2011 Computer game designers craft techniques to titillate children with sex and violence, while social media developers infiltrate and shape children's social and emotional worlds to compel them to spend more and more monetizable time online. America's schools are being transformed into profit centers while children are subjected to increasingly regimented teaching that thwarts curiosity and creativity, numbing the joy of learning. And children's chronic health problems, from asthma to cancer, autism, and birth defects, steadily escalate as thousands of new industrial chemicals are dumped into their environments. Nelson Mandela once sagely remarked that there can be no keener revelation of a society's soul than the way it treats its children. The problem today, as Joel Bakan reveals, is that business interests have made protecting children extremely difficult.

Extra Lives Tom Bissell,2011-06-14 In *Extra Lives*, acclaimed writer and life-long video game enthusiast Tom Bissell takes the reader on an insightful and entertaining tour of the art and meaning of video games. In just a few decades, video games have grown increasingly complex and sophisticated, and the companies that produce them are now among the most profitable in the entertainment industry. Yet few outside this world have thought deeply about how these games work, why they are so appealing, and what they are capable of artistically. Blending memoir, criticism, and first-rate reportage, *Extra Lives* is a milestone work about what might be the dominant popular art form of our time.

Shoggoths in Traffic and Other Stories Tobias S. Buckell,2021-11-09 Traffic is piling up, and strange things are headed your way in this new story collection by World Fantasy Award-winning author Tobias S. Buckell. In these twenty-seven stories you'll find inhabitants of a small town who won't vaccinate against a zombie plague, a lone sentry keeping motorists from stumbling into something ancient and evil, a man who puts stranded ghosts to rest, an ex-soldier traveling the seas who trades his new life of hardship for a return to swords and blood, and many more tales of speculative fiction. Buckell's fertile imagination is on display in *Shoggoths in Traffic and Other Stories* as he comments on edgy issues of injustice and offers a thorny path to discover the human heart and all the strange things humans do. All the while, he keeps you looking over your shoulder, waiting for rush hour to end.

Troublemaker John Cho,2023-03-07 An instant New York Times bestseller! An Indiebound bestseller! An Asian/Pacific American Award for Literature Honor Book! *Troublemaker* follows the events of the LA Riots through the eyes of 12-year-old Jordan as he navigates school and family. This book will highlight the unique Korean American perspective. 12-year-old Jordan feels like he can't live up to the example his older sister set, or his parent's expectations. When he returns home from school one day hoping to hide his suspension, Los Angeles has reached a turning point. In the wake of the acquittal of the police officers filmed beating Rodney King, as well as the shooting of a young black teen, Latasha Harlins by a Korean store owner, the country is at the precipice of confronting its racist past and present. As tensions escalate, Jordan's father leaves to check on the family store, spurring Jordan and his friends to embark on a dangerous journey to come to his aide, and come to terms with the racism within and affecting their community.

Perfect practice makes perfect. Download Now and Start Speaking Fluent English! - Sakha Global Books

The Concise New Partridge Dictionary of Slang and Unconventional English Terry Victor,Tom Dalzell,2007-12 Reviews of the two-volume New Partridge Dictionary of Slang and Unconventional English, 2005: The king is dead. Long live the king! The old Partridge is not really dead; it remains the best record of British slang antedating 1945 Now, however, the preferred source for information about English slang of the past 60 years is the New Partridge. James Rettig, Booklist, American Library Association Most slang dictionaries are no better than momgrams or a rub of the brush, put together by shmegegges looking to make some moola. The New Partridge Dictionary of Slang and Unconventional English, on the other hand, is the wee babes. Ian Sansom, The

Guardian The Concise New Partridge presents, for the first time, all the slang terms from the New Partridge Dictionary of Slang and Unconventional English in a single volume. With over 60,000 entries from around the English-speaking world, the Concise gives you the language of beats, hipsters, Teddy Boys, mods and rockers, hippies, pimps, druggies, whores, punks, skinheads, ravers, surfers, Valley girls, dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful, and its a prize for anyone with a love of language.

The Tenth Saint D J Niko,2012-03-01 Cambridge archaeologist Sarah Weston makes an unusual discovery in the ancient Ethiopian mountain kingdom of Aksum—a sealed tomb with inscriptions in an obscure dialect. Along with her colleague, American anthropologist Daniel Madigan, she tries to identify the entombed man and translate the inscriptions. Tracking down clues in Addis Ababa and the monasteries of Lalibela, Sarah and Daniel uncover a codex in the subterranean library revealing the secret of the tomb—a set of prophecies about Earth’s final hours, written by a man hailed by Ethiopian mystics as Coptic Christianity’s 10th saint. Faced with violent opposition and left for dead in the heart of the Simien Mountains, Sarah and Daniel survive to journey to Paris, where they’re given a 14th-century letter describing the catastrophic events that will lead to the planet’s demise. Connecting the two discoveries, Sarah faces a deadly conspiracy to keep the secret buried in order to promote technological advances presently leading toward the prophesied end of the Earth.

Billboard ,1953-08-01 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Jacked David Kushner,2012-04-03 Inside the making of a videogame that defined a generation: Grand Theft Auto Grand Theft Auto is one of the biggest and most controversial videogame franchises of all time. Since its first release in 1997, GTA has pioneered the use of everything from 3D graphics to the voices of top Hollywood actors and repeatedly transformed the world of gaming. Despite its incredible innovations in the \$75 billion game industry, it has also been a lightning rod of debate, spawning accusations of ethnic and sexual discrimination, glamorizing violence, and inciting real-life crimes. Jacked tells the turbulent and mostly unknown story of GTA's wildly ambitious creators, Rockstar Games, the invention and evolution of the franchise, and the cultural and political backlash it has provoked. Explains how British prep school brothers Sam and Dan Houser took their dream of fame, fortune, and the glamor of American pop culture and transformed it into a worldwide videogame blockbuster Written by David Kushner, author of Masters of Doom and a top journalist on gaming, and drawn from over ten years of interviews and research, including firsthand knowledge of Grand Theft Auto's creators and detractors Offers inside details on key episodes in the development of the series, including the financial turmoil of Rockstar games, the infamous Hot Coffee sex mini-game incident, and more Whether you love Grand Theft Auto or hate it, or just want to understand the defining entertainment product of a generation, you'll want to read Jacked and get the real story behind this boundary-pushing game.

Billboard ,1956-09-08 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Grand Theft Childhood Lawrence Kutner,Cheryl Olson,2008-04-15 Listening to pundits and politicians, you'd think that the relationship between violent video games and aggressive behavior in children is clear. Children who play violent video games are more likely to be socially isolated and have poor interpersonal skills. Violent games can trigger real-world violence. The best way to protect our kids is to keep them away from games such as Grand Theft Auto that are rated M for Mature. Right? Wrong. In fact, many parents are worried about the wrong things! In 2004, Lawrence Kutner, PhD, and Cheryl K. Olson, ScD, cofounders and directors of the Harvard Medical School Center for Mental Health and Media, began a \$1.5 million federally funded study on the effects of video games. In contrast to previous research, their study focused on real children and families in real situations. What they found surprised, encouraged and sometimes disturbed them: their findings conform to the views of neither the alarmists nor the video game industry boosters. In *Grand Theft Childhood: The Surprising Truth about Violent Video Games and What Parents Can Do*, Kutner and Olson untangle the web of politics, marketing, advocacy and flawed or misconstrued studies that until now have shaped parents' concerns. Instead of offering a one-size-fits-all prescription, *Grand Theft Childhood* gives the information you need to decide how you want to handle this sensitive issue in your own family. You'll learn when -- and what kinds of -- video games can be harmful, when they can serve as important social or learning tools and how to create and enforce game-playing rules in your household. You'll find out what's really in the games your children play and when to worry about your children playing with strangers on the Internet. You'll understand how games are rated, how to make best use of ratings and the potentially important information that ratings don't provide. *Grand Theft Childhood* takes video games out of the political and media arenas, and puts parents back in control. It should be required reading for all families who use game consoles or computers. Almost all children today play video or computer games. Half of twelve-year-olds regularly play violent, Mature-rated games. And parents are worried... I don't know if it's an addiction, but my son is just glued to it. It's the same with my daughter with her computer...and I can't be watching both of them all the time, to see if they're talking to strangers or if someone is getting killed in the other room on the PlayStation. It's just nerve-racking! I'm concerned that this game playing is just the kid and the TV screen...how is this going to affect his social skills? I'm not concerned about the violence; I'm concerned about the way they portray the violence. It's not accidental; it's intentional. They're just out to kill people in some of these games. What should we as parents, teachers and public policy makers be concerned about? The real risks are subtle and aren't just about gore or sex. Video games don't affect all children in the same way; some children are at significantly greater risk. (You may be surprised to learn which ones!) *Grand Theft Childhood* gives parents practical, research-based advice on ways to limit many of those risks. It also shows how video games -- even violent games -- can benefit children and families in unexpected ways. In this groundbreaking and timely book, Drs. Lawrence Kutner and Cheryl Olson cut through the myths and hysteria, and reveal the surprising truth about kids and violent games.

Billboard ,1947-01-11 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Unorthodox Deborah Feldman,2012-10-02 Traces the author's upbringing in a Hasidic community in Brooklyn, describing the strict rules that governed her life, arranged marriage at the age of seventeen, and the birth of her son, which led to her plan to leave and forge her own path in life.
