The End of the Perfect 10 Dvora Meyers, 2017-07-11 An exciting and insightful account of the controversial world of gymnastics, the recent changes of the scoring system, and why those changes will drive American gymnasts to the top of the sport in the twenty-first century.

Gymnastics Journal: My Scores, My Goals, My Dreams Karen Goeller, 2013-05-27 The gymnast will write all about their gymnastics events, competitions, and goals in this amazing journal and save the memories forever. This is the only gymnastics journal your gymnast will need the entire gymnastic season. There are spaces for gymnastics competition scores, event goals, future goals, and much more. The gymnast will be encouraged to set goals for the near and distant future. Many gymnasts do not set goals until a coach or parent asks about goals. Gymnasts often need a simplified way of setting goals with a clear pattern of goal setting, goal achieving, exceeding the goals, and setting new ones. The gymnast using this gymnastics journal will see that many goals can be set and achieved in each gymnastics season. Every gymnast is capable of reaching success and every gymnast defines success differently. The gymnast using this gymnastics journal should have enough space for more than one gymnastics season. In this gymnastics journal the gymnast will be able to track their progress and goals from month to month and year to year. Written by a very experienced gymnastics coach who helped her gymnasts set goals, achieve them, and surpass them often. Keeping a gymnastics journal is a great way to set goals and preserve memories.
