Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you

should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

The Saturday Review of Politics, Literature, Science and Art ,1907

Undeafed Jim Noles,2018-11-10 "A provocative, arresting, put-you-there account of a forgotten 1940s Army

basketball team that we now realize shouldn't be forgotten" (Lars Anderson, New York Times–bestselling author). In 1943, the West Point basketball team, the Cadets, had only managed a 5-10 record, and for the 1944 season, coach Ed Kelleher's hopes of reversing Army's fortunes rested on his five starters. They consisted of three seniors—team captain "Big Ed" Christl, John "Three Star" Hennessey, and class president Bobby Faas—and two juniors, Dale Hall and Doug Kenna. As the new season opened in January of 1944, Kelleher's strategy paid handsome dividends. By the end of January, West Point was 6-0; by the end of February, the team boasted a 13-0 record. Of course, during those weeks, it only took a glance at the newspaper headlines to be reminded that there were far bigger contests than intercollegiate basketball afoot in the winter of 1944. The world was at war. The US Army needed its finest on the front line more than on the court, and the three seniors were soon destined for other battles . . . In the years that followed, the Army's basketball team would never again have a chance to play in the NCAA tournament, and in the modern era, few remember West Point's perfect 1944 season. Although West Point's home basketball court is named the Edward C. Christl Arena, and the National Invitational Tournament's trophy is named after his coach, Edward A. Kelleher, too few people fully appreciate why. But after reading *Undefeated*, they will. "Hoosiers meets Band of Brothers." —Col. Scott Maytan
