*The Best Worst Summer* Elizabeth Eulberg,2021-05-04 From the acclaimed author of The Great Shelby Holmes comes a new middle grade story about two summers-three decades apart-and the box of secrets linking them together. This is going to be the worst summer ever for Peyton. Her family just moved, and she had to leave her best friend behind. She's lonely. She's bored. Until . . . she comes across a box buried in her backyard, with a message: I'm so sorry. Please forgive me. Things are about to get interesting. Back in 1989, it's going to be the best summer ever for Melissa and Jessica. They have two whole months to goof around and explore, and they're even going to bury a time capsule! But when one girl's family secret starts to unravel, it's clear things may not go exactly as planned. In alternating chapters, from Peyton in present day to Melissa three decades earlier (a time with no cell phones, no social media, and camera film that took days to develop, but also a whole lot of freedom), beloved author Elizabeth Eulberg tells the story of a mystery that two sets of memorable characters will never forget.

**In League with Sherlock Holmes** Leslie S. Klinger,Laurie R. King,2020-12-01 The latest entry in Laurie R. King and Leslie S. Klinger's popular Sherlock Holmes-inspired mystery series, featuring fifteen talented authors and a multitude of new cases for Arthur Conan Doyle's most acclaimed detective. Sherlock Holmes has not only captivated readers for more than a century and a quarter, he has fascinated writers as well. Almost immediately, the detective's genius, mastery, and heroism became the standard by which other creators measured their creations, and the friendship between Holmes and Dr. Watson served as a brilliant model for those who followed Doyle. Not only did the Holmes tales influence the mystery genre but also tales of science-fiction, adventure, and the supernatural. It is little wonder, then, that when the renowned Sherlockians Laurie R. King and Leslie S. Klinger invited their writer-friends and colleagues to be inspired by the Holmes canon, a cornucopia of stories sprang forth, with more than sixty of the greatest modern writers participating in four acclaimed anthologies. Now, King and Klinger have invited another fifteen masters to become In League with Sherlock Holmes. The contributors to the pair's next volume, due out in December 2020, include award-winning authors of horror, thrillers, mysteries, westerns, and science-fiction, all bound together in admiration and affection for the original stories. Past tales have spanned the Victorian era, World War I, World War II, the post-war era, and contemporary America and England. They have featured familiar figures from literature

and history, children, master sleuths, official police, unassuming amateurs, unlikely protagonists, even ghosts and robots. Some were new tales about Holmes and Watson; others were about people from Holmes's world or admirers of Holmes and his methods. The resulting stories are funny, haunting, thrilling, and surprising. All are unforgettable. The new collection promises more of the same!
