Hit Refresh Satya Nadella,2018-09-28 Microsoft dikenal sebagai salah satu penyokong besar revolusi digital. Tanpanya, kita semua tak akan menikmati betapa cepat dan nyamannya bekerja menggunakan personal computer. Namun, seiring berjalannya waktu, dunia komputasi mengalami perubahan yang luar biasa cepat. Tanpa inovasi yang benar-benar spektakuler, perusahaan ini diramalkan tak akan mampu mempertahankan popularitasnya. Inovasi tergantikan birokrasi. Kerja tim tergantikan politik internal. Microsoft mulai tertinggal. Hit Refresh berkisah tentang transformasi terbesar yang tengah berlangsung dalam tubuh Microsoft di bawah kepemimpinan Satya Nadella, sang CEO. Selama ini, ketika mendengar kata Microsoft, orang akan langsung mengaitkannya dengan Bill Gates yang cemerlang atau Steve Ballmer yang super energik. Nadella nyaris tak masuk ke radar para selebritas teknologi. Namun dalam tahun-tahun pertamanya memimpin, Nadella melakukan banyak gebrakan baru. Salah satunya adalah menciptakan budaya perusahaan yang menggabungkan antara empati dan teknologi. Dia juga membuat pertaruhan besar dalam beberapa teknologi kunci, seperti artificial intelligence (AI atau kecerdasan buatan) dan cloud computing (komputasi awan), yang membuat Microsoft menjadi unik. Di tangan Nadella, Microsoft mengubah fokusnya dari sekadar perusahaan pencari keuntungan menjadi perusahaan humanis yang berkontribusi bagi masa depan umat manusia. Hanna-Barbera Jared Bahir Browsh,2021-12-28 With careers spanning eight decades, William Hanna and Joseph Barbera were two of the most prolific animation producers in American history. In 1940, the two met at MGM and created Tom and Jerry, who would earn 14 Academy Award nominations and seven wins. The growth of television led to the founding of Hanna-Barbera's legendary studio that produced countless hours of cartoons, with beloved characters from Fred Flintstone, George Jetson and Scooby-Doo to the Super Friends and the Smurfs. Prime-time animated sitcoms, Saturday morning cartoons, and Cartoon Network's cable animation are some of the many areas of television revolutionized by the team. Their productions are critical to our cultural history, reflecting ideologies and trends in both media and society. This book offers a complete company history and examines its productions' influences, changing technologies, and enduring cultural legacy, with careful attention to Hanna-Barbera's problematic record of racial and gender representation.

Nutcracker Nation Jennifer Fisher,2008-10-01 The Nutcracker is the most popular ballet in the world, adopted and adapted by hundreds of communities across the United States and Canada every Christmas season. In this entertainingly informative book, Jennifer Fisher offers new insights into the Nutcracker phenomenon, examining it as a dance scholar and critic, a former participant, an observer of popular culture, and an interviewer of those who dance, present, and watch the beloved ballet. Fisher traces The Nutcracker’s history from its St. Petersburg premiere in 1892 through its emigration to North America in the mid-twentieth century to the many productions of recent years. She notes that after it was choreographed by another Russian immigrant to the New World, George Balanchine, the ballet began to thrive and variegate: Hawaiians added hula, Canadians added hockey, Mark Morris set it in the swinging sixties, and Donald Byrd placed it in Harlem. The dance world underestimates The Nutcracker at its peril, Fisher suggests, because the ballet is one of its most powerfully resonant traditions. After starting life as a Russian ballet based on a German tale about a little girl’s imagination, The Nutcracker has become a way for Americans to tell a story about their communal values and themselves.

House of Leaves Mark Z. Danielewski,2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

What You Can When You Can Carla Birnberg,Roni Noone,2015-04-28 We all know we should eat better, exercise more, get better quality rest, and so on. Tell us something we don’t know, right? After all, every statistic we have about Americans and our health proves that no matter how good our intentions are, we are failing to change the habits that undermine our well-being. But how do we achieve our healthy living goals when they’re so daunting? Who has the time, the willpower, the resources to do all that nutritious eating, muscle building, restful sleeping, and work-life balancing? Carla Birnberg and Roni Noone have the answer to that—the answer is you. You have the power to make healthier living easy and exciting, just by adopting one simple mantra: What you can when you can. It’s all you need. What You Can When You Can (#wycwyc) is a book, a movement, a mindset, and a lifestyle—one that harnesses the power of small steps to let you achieve your health and fitness goals on YOUR terms. The #wycwyc (pronounced wickwick) philosophy applies to anything and everything that contributes to a healthy, happy life: nutrition, exercise, physical and mental rejuvenation, and so much more.

The Good Thief Hannah Tinti,2008-08-26 Richly imagined, gothically spooky, and replete with the ingenious storytelling ability of a born novelist, The Good Thief introduces one of the most appealing young heroes in contemporary fiction and ratifies Hannah Tinti as one of our most exciting new talents. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • San Francisco Chronicle • Kirkus Reviews Winner of the Center for Fiction First Novel Prize and an American Library Association Alex Award Twelve year-old Ren is missing his left hand. How it was lost is a mystery that Ren has been trying to solve for his entire life, as well as who his parents are, and why he was abandoned as an infant at Saint Anthony’s Orphanage for boys. He longs for a family to call his own and is terrified of the day he will be sent alone into the world. But then a young man named Benjamin Nab appears, claiming to be Ren’s long-lost brother, and his convincing tale of how Ren lost his hand and his parents persuades the monks at the orphanage to release the boy and to give Ren some hope. But is Benjamin really who he says he is? Journeying through a New England of whaling towns and meadowed farmlands, Ren is introduced to a vibrant world of hardscrabble adventure filled with outrageous scam artists, grave robbers, and petty thieves. If he stays, Ren becomes one of them. If he goes, he’s lost once again. As Ren begins to find clues to his hidden parentage he comes to suspect that Benjamin not only holds the key to his future, but to his past as well. Praise for The Good Thief Every once in a while—if you are very lucky—you come upon a novel so marvelous and enchanting and rare that you wish everyone in the world would read it, as well. The Good Thief is just such a book—a beautifully composed work of literary magic.—Elizabeth Gilbert, author of Eat, Pray, Love Darkly transporting . . . [In] The Good Thief, the reader can find plain-spoken fiction full of traditional virtues:

strong plotting, pure lucidity, visceral momentum and a total absence of writerly mannerisms. In Ms. Tinti’s case that means an American Dickensian tale with touches of Harry Potterish whimsy, along with a macabre streak of spooky New England history.—New York Times
