The Sunset Strip Diaries Amy Asbury,2024-02-17 There comes a time in every girl's life, when she has to choose good or choose bad. Amy Asbury chose bad, hands down. Good meant wallflowers, secretaries and subservient wives. Bad meant power- and a possible escape from a life of secrets. At twelve years old she was trying to make sense of a drug-addicted father and his disturbing behavior. By fifteen she was dealing with horrendous depression, blackouts and rape. At sixteen she was in a mental institution for suicidal tendencies and violent behavior. She knew she could never be normal. The only place for a girl like her was Hollywood. Read the true story of the social ascent (and eventual decline) of a girl in the Sunset Strip music scene of the early 1990's. From crazy parties to glittered junkies and man-eating strippers, Amy has chronicled what life was like back in the days of excess and debauchery. It is not just a fascinating look into an amusing time in pop culture, but also details the mindset of a young woman trying to find confidence and self-worth in a life full of pain and chaos. The party came screeching to a halt when the Grunge movement took over and heroin became more prominent. How far off track can a person go before it's too late?

Note to Self Gayle King,2019-04-30 In this New York Times bestseller, Gayle King collects her favorite inspiring letters from the popular CBS This Morning segment Note to Self, in which twenty-first century luminaries pen advice and encouragement to the young people they once were. What do Congressman John Lewis, Dr. Ruth, and Kermit the Frog wish they could tell their younger selves? What about a gay NFL player or the most successful female race car driver? In Note to Self, CBS This Morning cohost Gayle King shares some of the most memorable letters from the broadcast’s popular segment of the same name. With essays from such varied figures as Oprah, Vice President Joe Biden, Chelsea Handler, and Maya Angelou—as well as poignant words from a Newtown father and a military widow—Note to Self is a moving reflection on the joys and challenges of growing up and a perfect gift for any occasion.

A Descriptive Catalogue of the Music of Charles Ives James B. Sinclair,1999-01-01 This catalogue of the music of Charles Ives contains 728 entries covering all of the prolific composer's works. James Sinclair's book presents information produced by recent Ives scholarship and generous commentary on each of Ives's compositions. It completes the work begun by musicologist John Kirkpatrick in 1955, when Ives's music manuscripts were deposited in the Yale Music Library. Ives's works are arranged alphabetically by title within genres. Whenever possible, each entry includes the main title and any other titles the composer may have used; the forces required; the duration; headings of movements; publication history; citation of the first known performance and first recording; the derivation of the work, listing music on which it may be modeled or from which it may borrow material; the principal literature treating the piece; and commentary on these and other matters. The catalogue also provides musical incipits for all Ives's extant works, seven appendixes (covering his work lists, 'Quality Photo' lists, his songbooks, a chronology of his life, recordings made by Ives, and his private publications and commercial publishers), three concordances, and four extensive indexes (addresses, names, titles, and musical borrowings).

Witch for Hire Ted Naifeh,2021-08-24 When a series of high school pranks get out of hand, teen witch Faye Faulkner is the only one who can solve the case in this spooky YA graphic novel Faye Faulker isn’t popular, and that’s just fine by her. She spends her lunches at the Loser Table with the other social rejects, aka her best friends, and brushes off the uninspired taunts from the cool kids. But when lonely freshman Cody finds her way to Faye’s corner of the cafeteria, it sets off a peculiar chain of events . . . To Cody’s surprise, these kids aren’t so bad; an overdramatic theater nerd, a handicapable girl in a wheelchair, an overweight boy, and Faye, who comes to school every day dressed like a witch. But it’s no costume, Fay really is a witch! While high school can be hell for many reasons, this year the ante has been raised when a series of pranks swiftly go from mischievous to downright dangerous. From the lowliest debate team nerds to the prom queen, no one is safe, not even the teachers! When things start to really get out of hand, Cody owns up to Faye: in a moment of desperation, she signed up for an online challenge that promises to grant popularity to those who follow the website’s twisted demands. Now Faye is faced with a choice: Reveal her witchy nature to Cody and help her or stand aside and keep her secret identity safe. Despite her misgivings, Faye takes on the case, but will her powers be strong enough to solve this mystery? And will people ever stop asking her if she puts newts’ eyes in her homemade baked goods? Witch for Hire is a gothic whodunnit about resilience, magic, and the power of friendship.
