S. T. SandWitch

Dressed for Thrills Mark Alice Durant,2002-10 A Whimsical array of ghosts and goblins, spooks and skeletons, animals and nursery-room characters parade through this unparalleled collection of more than one hundred years of American Halloween costumes and masquerade. Photographer Phyllis Galembo approaches her subjects with the delight and wonder of one who has discovered an entire cast of characters backstage in an abandoned theater. Through her lens, the costumes rise from the dead to once again dance, play, and amuse. Ranging from handmade to store-bought, satin to polyester, the masks, wigs, and costumes, whether recognizable figures or obscure, pique our childhood memories. In her celebration of Halloween revelry, Galembo never settles for the ordinary; instead she creates evocative scenes of dressed-to-scare young trick-or-treaters modeling their disguises and of undead spirits haunting their surroundings. The costumes, which span over a century, take on magical qualities through fanciful sets and specialized lighting effects. Accompanying the costumes is a history of this always-popular holiday and essays discussing Galembo's inspirations and techniques. Through her art, Galembo allows us to act out our youthful fantasies of transformation -- to become, or at least observe, what we most want to be: free of inhibitions, of fixed notions of identity. Her images make us laugh and dream and maybe even believe in ghosts. Book jacket.

Rad American Women A-Z Kate Schatz,2015-08-31 The New York Times Bestseller! This is The Most Inspiring Children's Book We've Ever Seen.--Refinery29.com The very first kids' book released by the iconic publishing house City Lights, Rad American Women A-Z navigates the alphabet from Angela Davis to Zora Neale Hurston with colorful illustrations and short, powerful narratives. The perfect gift for the junior riot grrl in your life.-Bust Magazine The History of Feminism--in an Awesome Picture Book. The ABCs just got a major girl-power upgrade.--Chantal Strasburger, Teen Vogue Like all A-Z books, this one illustrates the alphabet—but instead of A is for Apple, A is for Angela—as in Angela Davis, the iconic political activist. B is for Billie Jean King, who shattered the glass ceiling of sports; C is for Carol Burnett, who defied assumptions about women in comedy; D is for Dolores Huerta, who organized farmworkers; and E is for Ella Baker, who mentored Dr. Martin Luther King and helped shape the Civil Rights Movement. And the list of great women continues, spanning several centuries, multiple professions, and 26 diverse individuals. There are artists and abolitionists, scientists and suffragettes, rock stars and rabble-rousers, and agents of change of all kinds. The book includes an introduction that discusses what it means to be rad and radical, an afterword with 26 suggestions for how you can be rad, and a Resource Guide with ideas for further learning and reading. American history was made by countless rad—and often radical—women. By offering a fresh and diverse array of female role models, we can remind readers that there are many places to find inspiration, and that being smart and strong and brave is rad. Rad American Women will be appreciated by various age groups. It is Common Core aligned for students grades 3 - 8. Pre-school and young children will be captured by the bright visuals and easily modified texts, while the subject matter will stimulate and inspire high-schoolers and beyond. This is not a book. This is a guest list for a party of my heroes. Thank you for inviting us. —Lemony Snicket, author of A Series of Unfortunate Events books I feel honored to be included in this book. Women need to take radical steps to become feminists, and to be strong to fight for their rights and those of others facing oppression and discrimination. The world needs rad women to create a just society. —Dolores Huerta, Labor Leader, Civil Rights Activist It's almost always with a chuckle that I view a cartoon image of myself. But to see cartoon-me positioned (alphabetically) amongst so many of my women heroes and role models . . . well, I just broke down and cried. Happy tears. I surely hope that this one-of-a-kind collection of radical American women reaches the hands of all children who want to grow up and become amazing women. —Kate Bornstein, author of My New Gender Workbook I was totally in rapture reading this book. Bold women, bold colors, and fierce black paper cutouts. I cheer these histories of women who fight not for war or country or corporation, but for EVERYONE! I can't wait for my son to read this. —Nikki McClure, Illustrator of All in a Day

Mamaleh Knows Best Marjorie Ingall,2016-08-30 We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In Mamaleh Knows Best, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities

in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.
