**The Book of Hallowe'en** Ruth Edna Kelley,2018-01-15 Learn the secrets of the most frightening, fun-filled day of the year! The only day when the forces of darkness are openly celebrated, Halloween comes down to us from the strange, shrouded mists of antiquity, originating in the pagan world and the primitive ceremonies that honor Samhain, the dark, mysterious Lord of the Dead, at a time when the veil between our world and theirs is at its thinnest. The strange and weird customs and beliefs of our ancestors live again, every October 31st, in the only day of the year when it is considered okay to dress in frightening costumes, to go door to door begging, and to feast on fear. A true classic in the literature of pagan lore, you will find this book frightening, fascinating and fun!

**Impressions of Paris** Cat Seto,2017-04-11 Artist Cat Seto, founder of the acclaimed Ferme à Papier brand, introduces you to the City of Light as never before in this distinctive volume—both a visual feast and celebration of the artistic process—filled with lavish illustrations and descriptive meditations that capture the quotidian pleasures of France's capital city and how they have inspired creativity. In Impressions of Paris, Cat Seto takes you on a dazzling and enlightening tour of Paris,

from familiar sights to hidden surprises, to reveal this legendary city as never before. Combining informative and entertaining vignettes, stories, and notes with stunning full-color illustrations, she draws parallels between the city and the art it inspires. Organized around four main principles of art—color, pattern, perspective, and rhythm—*Impressions of Paris* is a celebration of the artistic spark in the city's mundane yet marvelous details: the pistachio and cassis palette triggered by the ice cream case at Berthillon; how a rainy stroll through an open air market transforms into a smudgy gouache (pronounced gwash) pattern; the lovely ubiquity of the iconic French stripe, the Breton. Pretty and inventive, surprising and stimulating, *Impressions of Paris* captures the beauty and charms of this stunning city and extols its power to stimulate the creative imagination—inviting artists and art appreciators to intimately experience a painter's process.

**This Book is Literally Just Pictures of Animals Silently Judging You** Smith Street Books, 2021-10-05 This book is here to give us all the side eye, showcasing our friends from the animal kingdom at their very sassiest. If the utter chaos of recent world events has taught us anything, it's that people are bad at making decisions. So, in uncertain times, we need someone to tell us like it is - and that someone is animals. As its title suggests, this book is literally just pictures of animals silently judging you and your life choices. Some of these include: a monkey who knows what you did last night, giraffes who can't believe you're wearing that, cats who just can't, and a corgi who isn't angry - just disappointed. Toward these sage angels we must turn, in these weird times for humankind, to help us make better decisions - for ourselves and our furry friends who are, honestly, kind of embarrassed.
