The Halloween Moon Joseph Fink,2021-07-27 From New York Times bestselling adult author Joseph Fink comes a wickedly fun middle grade novel about a Halloween-obsessed girl named Esther Gold, who goes out trick-or-treating for one last year, only to find her town under the thrall of a mysterious presence. Esther Gold loves Halloween more than anything in the world. So she is determined to go trick-or-treating again this year despite the fact that her parents think she is officially too old. Esther has it all planned out, from her costume to her candy-collecting strategy. But when the night rolls around, something feels . . . off. No one is answering their door. The moon is an unnatural shade of orange. Strange children wander the streets, wearing creepy costumes that might not be costumes at all. And it seems like the only people besides Esther who are awake to see it all are her best friend, her school bully, and her grown-up next-door neighbor. Together, this unlikely crew must find a way to lift the curse that has been placed upon their small town before it's too late. Because someone is out to make sure Halloween never comes to an end. And even Esther doesn't want to be trapped in this night forever.

The Cheshire Teens Story Ed Kenerson, Al Baines, 2008-09 The sports world coaches us to practice the basics over and over until we eventually achieve excellence and ultimate success. Al Baines understood the basics of effective ministry and applied these to a fledgling youth group in a small, rural church of two hundred adults. Within two years of implementing these basic principles, the church's youth program grew to over half the size of its adult congregation. This book will examine these principles and show the results that were obtained. They can bring genuine spiritual impact to any church leadership team looking to answer the question, How can we build an effective youth program in our church? The time frame has changed, but the principles remain trustworthy. Ed Kenerson attended Gordon College (B.A. Psychology) and Gordon Conwell Seminary (Masters of Religious Education) and has over 10 years experience in Christian Education and Youth Ministry. At present, he manages his own training and communications business called Steps To Success, delivering multi-media presentations to businesses in areas of career management, customer service, and time management. In addition, he reaches out to teenagers in high schools through Career Coach, USA, a strategic ministry designed to teach young people the principles of both personal and professional success. Ed is married to Kathy with two children and eight grandchildren.

Worst of Eerie Publications Mike Howlett, 2014 Collected for the first time in a deluxe edition are the comics that deserve it the least: the infamous Eerie Publications' horror comics! Incredibly gory and crazy, the Eerie Pubs pushed the boundaries of good taste with blood-drenched, spine-cracking tales ripped (and redrawn) from the pages of Pre-Code horror comics.

But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. Let Her Lie Bryan Reardon, 2021-02-09 In New York Times bestselling author Bryan Reardon's captivating thriller, a dejected filmmaker lets his curiosity get the best of him and plunges into a web of depravity and danger from which there might be no escape. Theo Snyder is at the end of his rope. One minute he was on top of the world, his documentary film *The Basement* a massive critical and

commercial hit, the next crestfallen when his latest film was canceled after an embarrassingly public misstep. As his desperation grows, he makes a bold decision: to pursue the story of the notorious Halo Killer, Jasper Ross-Johnson. But delving into the life and mind of a serial killer could prove more deadly than Theo ever could have imagined. At first, things are looking up. Jasper is willing to talk, the footage of the jailhouse meetings is spectacular, and famed investigator Zora Neale Monroe joins him on the project. Theo is sure he's getting close to something no one else has discovered: the truth about why Jasper was captured before he could kill his final victim. Someone else was on the beach that day, someone who knows a lot more than they're telling and just might know how it all happened. The truth could lead to more killing--unless Theo can uncover the real ending to the story of the Halo Killer first.

Cemetery Boys Aiden Thomas,2020-09-01 A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut Cemetery Boys, described by Entertainment Weekly as groundbreaking. Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a

real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for Cemetery Boys: Longlisted for the National Book Award The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments. —TeenVogue.com This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book. —Mark Oshiro, author of Anger is a Gift
