The Runaway Pumpkin Anne Margaret Lewis,2015-09-01 A cute little Halloween pumpkin announces that he is ready for a Halloween adventure. So he prepares to set out on the exploration of a lifetime. However, his ever watchful and caring mother wants to make sure he's prepared before he takes that first step outside. The little pumpkin will begin his adventure on a witch's broom, where he will fly through the skies. Next, he'll dare to venture through the very spookiest haunted house. And to celebrate the night, he'll dance to the "Monster Mash"! It's scary out there on Halloween night, but his mother is packing a parachute just in case he falls, a blankie for reassurance, and his favorite monster shoes so he can boogie-woogie all night long. Whatever adventures he has, he is sure to be prepared. Halloween isn't so scary when you have a mother pumpkin making sure you're ready for whatever frights might come your way! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Halo and Weenie Monique Bernadette Painter,2020-10-19 Every year for Halloween Mrs Mayblossom of number 12 Fox River Road would choose two pumpkins from her pumpkin patch to be her Halloween lanterns. She would place them on either side of her letterbox from four days before Halloween up until the four days after. They weren't just ordinary lanterns, they had names - Halo and Weenie. All the children from the village loved coming to Mrs Mayblossom's house because they knew there would be a large basket of treats for all of them.

I just grabbed me, shook me and didn't let go. I was really very excited when I discovered that the author has a fantastic writing style and a voice that is perfectly suited for the genre. This is a good book. Now, while the plot(s) is not the most original plot I've ever read, it certainly kept me entertained and turning the pages. The author has done a great job with this entry. A nice, satisfying collection of short stories left me with a smile on my face. This was just simply a solid Poe-esque entry. My favorite story was...The Night Mirror or maybe it was Maggie? Too hard to choose just one. Best of luck with this book and I hope to read more from this author. Thank you for sharing your imagination and your world of fun horror with us. I love a good ghost story and this book certainly fits the bill. (2017) Nice set of short stories that have just the right amount of scariness for this age group. I really enjoyed them.-Benjamin Franklin Awards Reviewer (2017) Follow Mark at: facebook.com/Nightforestpress13 Nightforestpress13@gmail.com
