Jennifer Weiner

Think Again Adam Grant,2023-12-26 #1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The #1 New York Times bestselling author of Hidden Potential, Originals, and Give and Take examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

The Summer Place Jennifer Weiner,2023-04-04 From the #1 New York Times bestselling author of That Summer comes another “fun, feisty” (The Washington Post) novel of family, secrets, and the ties that bind. When her twenty-two-year-old stepdaughter announces her engagement to her pandemic boyfriend, Sarah Danhauser is shocked. But the wheels are in motion. Headstrong Ruby has already set a date (just three months away!) and spoken to her beloved safta, Sarah’s mother Veronica, about having the wedding at the family’s beach house in Cape Cod. Sarah might be worried, but Veronica is thrilled to be bringing the family together one last time before putting the big house on the market. But the road to a wedding day usually comes with a few bumps. Ruby has always known exactly what she wants, but as the wedding date approaches, she finds herself grappling with the wounds left by the mother who walked out when she was a baby. Veronica ends up facing unexpected news, thanks to her meddling sister, and must revisit the choices she made long ago, when she was a bestselling novelist with a different life. Sarah’s twin brother, Sam, is recovering from a terrible loss, and confronting big questions about who he is—questions he hopes to resolve during his stay on the Cape. Sarah’s husband, Eli, who’s been inexplicably distant during the pandemic, confronts the consequences of a long ago lapse from his typical good-guy behavior. And Sarah, frustrated by her husband, concerned about her stepdaughter, and worn out by the challenges of the quarantine, faces the alluring reappearance of someone from her past and a life that could have been. When the wedding day arrives, lovers are revealed as their true selves, misunderstandings take on a life of their own, and secrets come to light. There are confrontations and revelations that will touch each member of the extended family, ensuring that nothing will ever be the same. From “the undisputed boss of the beach read” (The New York Times), The Summer Place is a testament to family in all its messy glory; a story about what we sacrifice and how we forgive. Enthralling, witty, big-hearted, and sharply observed, “this first-rate page-turner” (Publishers Weekly) is Jennifer Weiner’s love letter to the Outer Cape and the power of home, the way our lives are enriched by the people we call family, and the endless ways love can surprise us.

Great And Precious Things Rebecca Yarros,2020-02-25 How do you define yourself when others have already decided who you are? Six years ago, when Camden Daniels came back from war without his younger brother, no one in the small town of Alba, Colorado, would forgive him—especially his father. He left, swearing never to return. But a desperate message from his father brings it all back. The betrayal. The pain. And the need to go home again. But home is where the one person he still loves is waiting. Willow. The one woman he can never have, because there are secrets buried in Alba that are best left in the dark... Great and Precious Things is a heart-wrenching forbidden romance about family, betrayal, and ultimately how far we’re willing to go on behalf of those we love and who need us most.

DO EPIC SHIT. ANKUR. WARIKOO,2021

Planet Funny Ken Jennings,2019-07-09 A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings,” (Maria Semple, author of Where’d You Go Bernadette)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) Planet Funny, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python’s game-changing silliness to the fast-paced meta-humor of The Simpsons, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. “Fascinating, entertaining and—I’m being dead serious here—important” (A.J. Jacobs, author of The Year of Living Biblically), Planet Funny is a full taxonomy of what spawned and defines the modern sense of humor.

Becoming Duchess Goldblatt Anonymous,Duchess Goldblatt,2020 Part memoir and part joyful romp through the fields of imagination, the story behind a beloved pseudonymous Twitter personality reveals how a writer deep in grief rebuilt a life worth living.

What Technology Wants Kevin Kelly,2011-09-27 From the author of the New York Times bestseller The Inevitable— a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or what it wants. Kevin Kelly offers a dozen trajectories in the coming decades for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

Thanks for Watching Patricia G. Lange,2019-11-15 YouTube hosts one billion visitors monthly and sees more than 400 hours of video uploaded every minute. In her award winning book, Thanks for Watching, Patricia G. Lange offers an anthropological perspective on this heavily mediated social environment by analyzing videos and the emotions that motivate sharing them. She demonstrates how core concepts from anthropology—participant-observation, reciprocity, and community—apply to sociality on YouTube. Lange's book reconceptualizes and updates these concepts for video-sharing cultures. Lange draws on 152 interviews with YouTube participants at gatherings throughout the United States, content analyses of more than 300 videos, observations of interactions on and off the site, and participant-observation. She documents how the introduction of monetization options impacted perceived opportunities for open sharing and creative exploration of personal and social messages. Lange’s book provides new insight into patterns of digital migration, YouTube’s influence on off-site interactions, and the emotional impact of losing control over images. The book also

debunks traditional myths about online interaction, such as the supposed online/offline binary, the notion that anonymity always degrades public discourse, and the popular characterization of online participants as over-sharing narcissists. YouTubers' experiences illustrate fascinating hybrid forms of contemporary sociality that are neither purely mediated nor sufficient when conducted only in person. Combining intensive ethnography, analysis of video artifacts, and Lange's personal vlogging experiences, the book explores how YouTubers are creating a posthuman collective characterized by interaction, support, and controversy. In analyzing the tensions between YouTubers' idealistic goals of sociality and the site's need for monetization, *Thanks for Watching* makes crucial contributions to cultural anthropology, digital ethnography, science and technology studies, new media studies, communication, interaction design, and posthumanism. For its perceptive analysis of video blogging for self-expression and sociality, *Thanks for Watching* received the Franklyn S. Haiman Award for Distinguished Scholarship in Freedom of Expression (2020), from the National Communication Association.

Hatching Twitter Nick Bilton, 2014-09-30 The dramatic, unlikely story behind the founding of Twitter, by New York Times bestselling author and Vanity Fair special correspondent The San Francisco-based technology company Twitter has become a powerful force in less than ten years. Today it's everything from a tool for fighting political oppression in the Middle East to a marketing must-have to the world's living room during live TV events to President Trump's preferred method of communication. It has hundreds of millions of active users all over the world. But few people know that it nearly fell to pieces early on. In this rousing history that reads like a novel, *Hatching Twitter* takes readers behind the scenes of Twitter's early exponential growth, following the four hackers—Ev Williams, Jack Dorsey, Biz Stone, and Noah Glass, who created the cultural juggernaut practically by accident. It's a drama of betrayed friendships and high-stakes power struggles over money, influence, and control over a company that was growing faster than they could ever imagine. Drawing on hundreds of sources, documents, and internal e-mails, Bilton offers a rarely-seen glimpse of the inner workings of technology startups, venture capital, and Silicon Valley culture.

Tribe of Mentors Timothy Ferriss, 2017 Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice

Twelve Yards Ben Lyttleton, 2015-07-28 An all-encompassing look at the penalty kick, soccer's all-or-nothing play—its legendary moments and the secrets to its success No stretch of grass has been the site of more glory or heartbreak in the world of sports than the few dozen paces between goalkeeper and penalty kicker in soccer. In theory, it's simple: place the ball beyond a single defender and secure a place in history. But once the chosen players make the lonely march from their respective sides of the pitch, everything changes, all bets are off, and anything can happen. Drawing from the hard-won lessons of legendary games, in-depth statistical analysis, expert opinion, and the firsthand experience of coaches and players from around the world, journalist Ben Lyttleton offers insight into the diverse attitudes, tactics, and techniques that separate success from failure in one of the highest-pressure situations sports has to offer.

All My Friends Are Dead Avery Monsen, Jory John, 2013-10-01 If you're a dinosaur, all of your friends are dead. If you're a pirate, all of your friends have scurvy. If you're a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children's book for adults teaches valuable lessons about life while exploring each cartoon character's unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), *All My Friends Are Dead* presents a delightful primer for laughing at the inevitable.

House of Salt and Sorrows Erin A. Craig, 2020-08-04 NEW YORK TIMES BESTSELLER • Get swept away by this “haunting” (Bustle) YA novel about twelve beautiful sisters living on an isolated island estate who begin to mysteriously die one by one. This dark and atmospheric fairy tale inspired story is perfect for fans of *Yellowjackets*. Step inside a fairy tale. —Stephanie Garber, #1 New York Times bestselling author of *Caraval* In a manor by the sea, twelve sisters are cursed. Annaleigh lives a sheltered life at Highmoor with her sisters and their father and stepmother. Once there were twelve, but loneliness fills the grand halls now that four of the girls' lives have been cut short. Each death was more tragic than the last—the plague, a plummeting fall, a drowning, a slippery plunge—and there are whispers throughout the surrounding villages that the family is cursed by the gods. Disturbed by a series of ghostly visions, Annaleigh becomes increasingly suspicious that her sister's deaths were no accidents. The girls have been sneaking out every night to attend glittering balls, dancing until dawn in silk gowns and shimmering slippers, and Annaleigh isn't sure whether to try to stop them or to join their forbidden trysts. Because who—or what—are they really dancing with? When Annaleigh's involvement with a mysterious stranger who has secrets of his own intensifies, it's a race to unravel the darkness that has fallen over her family—before it claims her next. *House of Salt and Sorrows* is a spellbinding novel filled with magic and the rustle of gossamer skirts down long, dark hallways. Be careful who you dance with... And don't miss Erin Craig's *Small Favors*, a mesmerizing and chilling novel about dark wishes and even darker dreams.

Small Favors Erin A. Craig, 2024-04-02 THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of *House of Salt and Sorrows* comes a mesmerizing and chilling fairy-talesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames. Unique, enchanting, and haunting.—Brigid Kemmerer, New York Times bestselling author of the *Cursebreaker* series “Sweet, dark, and complex as wildflower honey.”—Hannah Whitten, New York Times bestselling author of *For the Wolf* “*Small Favors* is an eerie fairytale that I couldn't put down.”—Alexis Henderson, author of *The Year of the Witching*

The Last Letter Rebecca Yarros, 2019-02-26 “The Last Letter is a haunting, heartbreaking and ultimately inspirational love story.”—InTouch Weekly Beckett, If you're reading this, well, you know the last-letter drill. You made it. I didn't. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella's raising the twins alone. She's too independent and won't accept help easily, but she has lost our grandmother, our parents, and now me. It's too much for anyone to endure. It's not fair. And here's the kicker: there's something else you don't know that's tearing her family apart. She's going to need help. So if I'm gone, that means I can't be there for Ella. I can't help them through this. But you can. So I'm begging you, as my best friend, go take care of my sister, my family. Please don't make her go through it alone. Ryan

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review)

“I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Human Frontiers Michael Bhaskar,2022-08-02 Why has the flow of big, world-changing ideas slowed down? A provocative look at what happens next at the frontiers of human knowledge. The history of humanity is the history of big ideas that expand our frontiers—from the wheel to space flight, cave painting to the massively multiplayer game, monotheistic religion to quantum theory. And yet for the past few decades, apart from a rush of new gadgets and the explosion of digital technology, world-changing ideas have been harder to come by. Since the 1970s, big ideas have happened incrementally—recycled, focused in narrow bands of innovation. In this provocative book, Michael Bhaskar looks at why the flow of big, world-changing ideas has slowed, and what this means for the future. Bhaskar argues that the challenge at the frontiers of knowledge has arisen not because we are unimaginative and bad at realizing big ideas but because we have already pushed so far. If we compare the world of our great-great-great-grandparents to ours today, we can see how a series of transformative ideas revolutionized almost everything in just a century and a half. But recently, because of short-termism, risk aversion, and fractious decision making, we have built a cautious, unimaginative world. Bhaskar shows how we can start to expand the frontier again by thinking big—embarking on the next Universal Declaration of Human Rights or Apollo mission—and embracing change.

29 Gifts (EasyRead Super Large 20pt Edition) Cami Walker,2009 At age thirty-five, Cami Walker was burdened by a battle with multiple sclerosis, a chronic neurological condition that made it difficult for her to walk, work, or enjoy her life. Seeking a remedy for her depression after being hospitalized, she received an uncommon prescription from an African medicine woman: give to others for 29 days. 29 Gifts is the insightful story of the author's life change as she embraces and reflects on the naturally reciprocal process of giving and receiving. Many of Walker's gifts were simple—a phone call, spare change, a Kleenex. Yet the acts were transformative. By day 29, not only had Walker's health and happiness improved, but she had created a worldwide giving movement. The book also includes personal essays from others whose lives changed for the better by giving, plus pages for the reader to record their own journey. More than a memoir, 29 Gifts offers inspiring lessons on how a simple daily practice of altruism can dramatically alter your outlook on the world.

The Stars Within You Juliana McCarthy,2018-10-23 A fresh introduction to astrology that will provide a contemporary perspective on this age-old practice. Where have we been? Where are we going? There is no greater roadmap than the stars for helping us to recognize habitual patterns, discovering our gifts, and figuring out how to move toward greater joy and contentment. A Modern Guide to Astrology provides readers with a fresh perspective on the fundamentals of astrology and how to read their own birth charts. With accessible depictions of the astrological signs and symbols, this guide opens up the rich world of astrology as a tool to deepen self-awareness and lead a more fulfilling life. The book highlights the basic concepts of astrology that provide entryways into an understanding of the factors that shape our lives in fundamental ways. This book weaves together the whole tapestry, showing readers that reading and understanding astrology charts is within reach.

The Dark King Gina L. Maxwell,2022-09-27 “Neon Gods meets Fifty Shades... Deliciously dark and sexy!” —#1 NYT bestselling author Helen Hardt I thought a weekend away would be the perfect escape. Until I woke up married and trapped...by the king of the Dark Fae. For Bryn Meara, a free trip to the exclusive and ultra-luxe Nightfall hotel and casino in Vegas should’ve been the perfect way to escape the debris of her crumbling career. But waking up from a martini-and-lust-fueled night to find herself married to Caiden Verran, the reclusive billionaire who owns the hotel and most of the city, isn’t the jackpot one would think. It seems her dark and sexy new husband is actual royalty—the fae king of the Night Court—and there’s an entire world beneath the veil of Vegas. Whether light or shadow, the fae are a far cry from fairy tales, and now they’ve made Bryn a pawn in their dark games for power. And Caiden is the most dangerous of all—an intoxicating cocktail of sin and raw, insatiable hunger. She should run. But every night of passion pulls Bryn deeper into his strange and sinister world, until she’s no longer certain she wants to leave...even if she could. Each book in the Deviant Kings series is STANDALONE: * The Dark King * The Rebel King * The Vicious King

Reviewing **Hamper Baskets Twitter Tool 11**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Hamper Baskets Twitter Tool 11**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
