Jamie Smart

Ooyay Stanley Rumm,2007-03 Remember when anything was possible and life was an amazing adventure? What begins as a childish tale is cut short when an old man loses this best friend. Professor Crastinator is a carefree, world-renowned inventor, but without his little dog, Ooyay, he is nothing. Nine year old Lucy Lucey feels responsible for the dog's disappearance. Together, the old man and young girl embark on a journey unlike anything that has ever been seen before. Anywhere. Sometimes we can be too busy to appreciate the most important, simple pleasures. Sometimes we need to make an effort to retrieve what is gone. Sometimes, in that effort, we rediscover far more than we ever knew we had lost. Ooyay. Once you discover, you will be changed.

Bunny vs. Monkey Jamie Smart,2023-09-05 When Monkey is sent into space by a team of scientists, he thinks everything will be smooth sailing. But not everything goes according to plan, and soon Monkey's spaceship crash-lands in a forest, disrupting the peaceful atmosphere. Convinced that he has discovered a new world, power-mad (but mostly incompetent) Monkey claims the forest as his own and determines that all other animals must be banished, including his soon-to-be nemesis, Bunny. As Bunny gathers reinforcements and goes head-to-head with the gadget-obsessed Monkey, hilarious hijinks ensue. This hilarious middle-grade adventure is a graphic novel like no other. Jamie Smart's energetic, expressive cartooning and antic plots will take readers on a mind-bending screwball journey into the beating heart of wackiness itself. Colorful, dynamic, smart alecky, and with more twists and turns than you can count, the Bunny vs. Monkey books are the perfect read for humor-loving kids ages 8 to 12. Bayport Elementary is almost ready for the annual science fair—it's all down to the final touches. Frank and Joe have collaborated on a detective helmet. It's the perfect lie detector—just place it on a suspect's head and the bells and whistles will tell you when they're lying. But not everyone is as prepared for the big fair. Their good friend Phil has designed a time machine he calls the Time Warp Wonder. He just needs to figure out how it works first... Phil uses Chet's hamster as a test subject. And the machine really does make the hamster disappear from the cafeteria! It's just that Phil isn't sure where the hamster went or how to get him back. Frank and Joe are not so sure the hamster went back in time. They have a feeling their Clue Book will be more help to Chet's hamster than Phil's calculations. But the brothers start questioning their instincts when they receive pictures of the hamster in different time periods; dressed as caveman with the dinosaurs, suited up in armor in the middle ages, in a top hat watching Abe Lincoln give a speech. Could Chet's hamster really be traveling through time? It's up to the Hardy Boys—and you—to find out!

Rick Riordan Presents: Winston Chu vs. the Wingmeisters Stacey Lee, 2024-02-06 Best-selling author Rick Riordan presents best-selling YA author Stacey Lee's final book in her debut middle grade duology: a whimsical, mile-a-minute adventure inspired by Chinese mythology. Twelve-year-old Winston Chu has already rescued his sister, saved the moon's qi, and kicked Mr. Pang's sorry magpie-turned-human butt to the curb—but now he's about to face an even bigger problem: Mr. Pang's older magpie-turned-human brother, Mr. Gu. Sure, Mr. Gu might be the current front-runner to be San Francisco's next mayor, but, as Winston knows all too well, appearances can be deceiving—and Mr. Gu, despite his cheerful laugh and brightly-colored shirts, is definitely hiding something. Because all of a sudden, there's an eerily punctual fog that seems to follow him on his trips to an island in the

bay. And grown-ups are turning up all the across the city with no memory of who they are, but with plenty of enthusiasm for their favorite mayoral candidate. And then there's the flocks of exotic birds that have begun amassing in every corner of the city. For Winston and his friends, there's no denying something. . . fowl. . . is afoot. And the only one who might have the answers they need to save the city? Their old nemesis, Mr. Pang. . . Winston's magical adventures come to a thrilling end in this whimsical, rollicking ride filled with invisible windbreakers, mischievous mustaches, and badminton rackets of destiny. Endorsed by Rick Riordan, author of Percy Jackson and the Olympians, soon to be a series on Disney+.

They can live for two, three or four years. The heart of a hamster beats between 300 and 500 times in a minute. They have teeth that keep growing just like the teeth of rabbits. That is why they keep munching and biting stuff. It is important to give them dog biscuits to prevent them from biting the bars of their cage. Hamsters have a good memory. They can remember other hamsters that are related to them. They also respond to names. When you call your hamster by name, it will come to you. There is a hamster type called the Syrian hamster that comes in forty colors. If you love different colors, try keeping the Syrian hamster for a pet. Remember to keep a male hamster in its own cage. Keep two male hamsters into two different cages. Male hamsters fight and bite each other when they are kept together. These are some amazing facts about hamsters.

God Gets Everything God Wants Katie Hays, 2021-09-21 A gospel of hope,

inclusion, and defiance If God gets everything God wants, and if what God wants is you, can anything stand in God's way? Too many Christians have been taught that core aspects of who they are—their gender, their sexual orientation, their politics, their skepticism—prevent God from loving them fully. For these individuals, church has been a painful experience of exclusion, despite the reality that Jesus was the embodiment of God's radical inclusion. Katie Hays invites weary Christians, former Christians, and the Christ-curious to take another look at God through the testimony of our biblical ancestors and to reimagine the church as a community of beautiful, broken, and burdened people doing their best to grow into their baptisms together. Hays insists that yes, God does get everything God wants, and—even better—we're invited to want what God wants, too, and want it "more and more and more, until life feels abundant and eternal and delicious and drunken with possibility." This is a message of stouthearted faith anchored in wonder—not false certainty. Atheists are welcome. Those who feel uneasy inside a church are welcome. Those still angry at other Christians are welcome. Because no matter what we've experienced, the God who still adores this world is the God of hope, inclusion, and defiance of the powers that be. And for those who are willing to collaborate in "the painstaking work of examining our Christian faith and sorting it out—the good stuff from the harmful stuff, the stuff with integrity from the stuff we simply inherited from family or church or . . . the cultural air we're breathing"—there await life-giving possibilities found nowhere else.
