Sinners in the Hands of a Loving God Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners, and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it's also offers some profound insight into God's love and eternal plan. —Relevant Magazine (Named one of the Top 10 Books of 2017) God is wrath? Or God is Love? In his famous sermon "Sinners in the Hands of an Angry God," Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God. Haunted by fear that crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love—revealed perfectly through Jesus Christ—for all prodigal sons and daughters. In Sinners in the Hands of a Loving God, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this theological framework lead us? Thoughtfully wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zahnd maintains that the summit of divine revelation for sinners is not God is wrath, but God is love.

Congressional Record United States. Congress,1971 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Overseas Theaters ,1974

World War II U.S. Navy Vessels in Private Hands Greg H. Williams,2014-01-10 During World War II, the U.S. Navy swiftly expanded to include an array of vessels, from smaller yachts and fishing boats bought early in the war for patrol work to fast, modern commercial ships built to haul troops and supplies. After the Allied victory, this diverse fleet became unnecessary and the Navy sold many of its vessels. This comprehensive catalog documents the Navy ships and boats sold after the war and registered under the American flag for commercial or recreational purposes. Focusing on those vessels with names or clearly identifiable hull numbers and crew accommodations, it chronicles each craft's prewar ownership, wartime history, and postwar fate. The product of painstaking detective work in a wide range of primary sources, this meticulous directory highlights an unexplored but illuminating aspect of U.S. maritime history.

The Hands of War Alvin S. Yusin,2013-05 In a war that pitted brother against brother and father against son, the Civil War ravaged the Southern landscape, leaving untold devastation, and killing more than 600,000 American soldiers. Out of this costly conflagration comes a stirring novel, telling the story of Southern plantation owners and farmers, former slaves, and Northern merchants and their families, who find themselves on opposing sides during this bitter time in American history. Luke Blackstone and his brother-in-law Clayton Driscoll are officers in the Confederate army. Luke's cousin is Robert Sandcastle, a physician in the Union army, who witnesses the inhumane treatment given prisoners of war. And then there are the brave women left behind, who must keep the home front surviving while their men are away, perhaps forever. This realistic story relives the battles, while explaining how people could regard each other with such fury that they could divest themselves of their principles to kill their own kind. The Hands of War: The Storm Breaks also describes the fear and anguish that the survivors experience well after the war's end. Originally from New York City, Alvin S. Yusin was on the faculty of the University of Southern California, Keck School of Medicine for many years. I have always been fascinated by the Civil War, which was the only war in which the sections of the same nation fought each other, thereby dividing families and the nation. My retirement allowed me to research the various aspects of the Civil War from the many battles, to medical treatment, to how the home front acclimated, to the consequences of the war. The Enemy in Our Hands Robert Doyle,2010-05-14 Revelations of abuse at Baghdad's Abu Ghraib prison and the U.S. detention camp at Guantánamo Bay had repercussions extending beyond the worldwide media scandal that ensued. The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war, or EPWs, from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war. Amid allegations of human rights violations and war crimes, one question stands out among the rest: Was the treatment of America's most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation's military history? Military expert Robert C. Doyle's The Enemy in Our Hands: America's Treatment of Prisoners of War from the Revolution to the War on Terror draws from diverse sources to answer this question. Historical as well as timely in its content, this work examines America's major wars and past conflicts—among them, the American Revolution, the Civil War, World Wars I and II, and Vietnam—to provide understanding of the United States' treatment of military and civilian prisoners. The Enemy in Our Hands offers a new perspective of U.S. military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next. In addition to other vital information, Doyle provides a cultural analysis and exploration of U.S. adherence to international standards of conduct, including the 1929 Geneva Convention in each war. Although wars are not won or lost on the basis of how EPWs are treated, the treatment of prisoners is one of the measures by which history's conquerors are judged.

Digest of Official Opinions of the Attorneys General of the United States United States. Department of Justice,1926

The Encyclopedia of War, 5 Volume Set Gordon Martel,2012-01-17 This ground-breaking 5-volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day, across the entire globe. Arranged in A-Z format, the Encyclopedia provides an overview of the most important events, people, and terms associated with warfare - from the Punic Wars to the Mongol conquest of China, and the War on Terror; from the Ottoman Sultan, Suleiman 'the Magnificent', to the Soviet Military Commander, Georgi Konstantinovich Zhukov; and from the crossbow to chemical warfare. Individual entries range from 1,000 to 6,000 words with the longer, essay-style contributions giving a detailed analysis of key developments and ideas. Drawing on an experienced and internationally diverse editorial board, the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research. The online platform further provides interactive cross-referencing links and powerful searching and browsing capabilities within the work and across Wiley-Blackwell's comprehensive online reference collection. Prisoners of War ,2022-05-05 The Second World War between the Axis and Allied powers saw over 20 million soldiers taken as prisoners of war. Prisoners of War uses a series of case studies to illuminate the personal and collective histories of those who experienced captivity in Eastern and Western Europe during the war and their repatriation and reintegration afterwards.
