High Availability and Disaster Recovery Klaus Schmidt, 2006-09-02 Companies and institutions depend more than ever on the availability of their Information Technology, and most mission critical business processes are IT-based. Business Continuity is the ability to do business under any circumstances and is an essential requirement faced by modern companies. Both concepts - High Availability and Disaster Recovery - are realized by redundant systems. This book presents requirements, concepts, and realizations of redundant systems on all abstraction levels, and all given examples refer to UNIX and Linux Systems.

Configuring Symantec AntiVirus Enterprise Edition Syngress, 2003-06-17 This is the only book that will teach system administrators how to configure, deploy, and troubleshoot Symantec Enterprise Edition in an enterprise

network. The book will reflect Symantec's philosophy of Centralized Antivirus Management. For the same reasons that Symantec bundled together these previously separate products, the book will provide system administrators with a holistic approach to defending their networks from malicious viruses. This book will also serve as a Study Guide for those pursuing Symantec Product Specialist Certifications. Configuring Symantec AntiVirus Enterprise Edition contains step-by-step instructions on how to Design, implement and leverage the Symantec Suite of products in the enterprise. First book published on market leading product and fast-growing certification. Despite the popularity of Symantec's products and Symantec Product Specialist certifications, there are no other books published or announced. Less expensive substitute for costly on-sight training. Symantec offers week-long courses on this same product for approximately \$2,500. This book covers essentially the same content at a fraction of the price, and will be an attractive alternative for network engineers and administrators. Free practice exam from solutions@syngress.com. Syngress will offer a free Symantec Product Specialist Certification practice exam from syngress.com. Comparable exams are priced from \$39.95 to \$59.95.
