*The Official CHFI Study Guide (Exam 312-49)* Dave Kleiman, 2011-08-31 This is the official CHFI (Computer Hacking Forensics Investigator) study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC-Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence: a section builds upon previous sections and a chapter on previous chapters. All concepts, simple and complex, are defined and explained when they appear for the first time. This book includes: Exam objectives covered in a chapter are clearly explained in the beginning of the chapter, Notes and Alerts highlight crucial points, Exam's Eye View emphasizes the important points from the exam's perspective, Key Terms present definitions of key terms used in the chapter, Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI, provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to thousands of dollars for classroom training.

**Walk Beside Me** Christine Handy, 2017-06-09 After relentless suffering, a woman decides to end her life—until a few real-life angels start showing up . . . A model-turned-wife-and-mother, Willow Adair lives with her husband and kids in Bexley, one of the wealthiest neighborhoods in Columbus, Ohio. On the outside, she has everything. On the inside, she struggles with her self worth. Spurned by her neglectful husband and defied by her rebellious teen daughter, Willow never feels she's good enough, and fears everyone she loves will leave. Piece by piece, the cornerstones of Willow's life begin to crumble. A routine operation goes horribly wrong, requiring a long recovery. A yoga injury leads to pain, surgeries, and misdiagnoses, ending in a permanent loss of motion in her arm. Then, as if she hasn't suffered enough, Willow is diagnosed with breast cancer. Convinced no one will stand by her for one more day of sickness and depression, she prepares to end her life. But Willow's friends go with her to chemo. They sleep over at her house. They lift her spirits when she's sad, and weep with her when she's hurting. They walk beside her literally, on sidewalks from Cleveland to Miami. And they walk beside her spiritually and emotionally, soothing her heartache, healing her self-esteem, and reminding her that every single minute of her life is abundantly worth living. *Walk Beside Me* is a tale of sickness and triumph, of being comfortable in your own skin, of valuing the things that have true value, and of learning to fight for yourself and what you truly want. It's the story of a woman who peels away the layers to find her inner warrior, a woman who faces insurmountable odds and—thanks to her earthly Angels—learns to treasure the gift of God's infinite light and love.
