Cryptostorm Sundeep Khanna,2023-05-14 The colour of money is changing to crypto. With the regulatory environment struggling to keep up, there has been prolonged ambivalence on the legality of cryptocurrencies. This has led to chaos but has also allowed a few to make unprecedented gains. Like all bubbles, there is a looming threat of a big-bang bust and with stories emerging of people losing lifetimes' savings, there are serious fallouts that should be considered. Even so, cryptos are an idea whose time has come. That is why no central bank now dares to place a complete and comprehensive ban on them. With bitcoin, which kicked off this revolution, now valued at a trillion dollars and many other virtual currencies worth billions, the genie has left the bottle. From being agents of chaos, cryptos have gone mainstream and regulators are stuck between the proverbial rock and a hard place. Before reason and rationality dawn, though, there will be ferment. Of the thousands of cryptocurrencies in existence today, only a handful will survive. The ones that don't, will spell ruin for millions of gullible Indians. This, the first book on the 'cryptostorm' that is sweeping India, reports stories of ordinary people whose lives have been touched and, in some cases, irrevocably changed by the promise and threat of cryptos. The individuals in this book populate a 'new India'. They believe they have seen a way to uplift their lives, unencumbered by governments and regulators. Their voice needs to be heard because it is the sound of tomorrow, which we ignore at our own peril.

Josie's best friend Justin has always been there for her, and when she finds out she's pregnant again she turns to him for support. She loves George, but it's just such hard work, especially as Josie takes much of the strain. Finn is suspicious. What does Justin want in return for his help? And just how close are they really?

Krozair of Kregen Alan Burt Akers,2007-04-04 Never before in his fantastic career on Kregen, planet of the twin suns of Antares, has Dray Prescott been in such a desperate predicament. A despised outcast by his friends who wear the red of Zair, he has now been condemned by his old enemies whose battle color is the green of the sun Grodno. For while among these slavers and conquerors of the green, searching for a way to turn the tide of war to his own redemption and his friends' advantage, he had personally encountered the deadly animosity of Grodno's king, had betrayed his champion, and had shattered all he so carefully worked for. But he must soldier on. For, now, in addition to the enormous feat that alone would restore his honor, he has a blood vengeance to achieve that overrides everything. This edition contains a glossary to the Krozair cycle. Krozair of Kregen is the fourteenth book in the epic fifty-two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer, writing as Alan Burt Akers.
