You, Me and Him Alice Peterson,2018-05-22 Josie and Finn are happily married, with promising careers, and a gorgeous young son, George. But despite their apparently enviable lives, George's hyperactivity disorder means the days aren't always easy. Josie's best friend Justin has always been there for her, and when she finds out she's pregnant again she turns to him for support. She loves George, but it's just such hard work, especially as Josie takes much of the strain. Finn is suspicious. What does Justin want in return for his help? And just how close are they really?

The Nine Jeanne McWilliams Blasberg,2019-08-20 Hannah Webber fears she will never be a mother, but her prayers are finally answered when she gives birth to a son. In an era of high-stakes parenting, nurturing Sam's intellect becomes Hannah's life purpose. She invests body and soul into his development, much to the detriment of her marriage. She convinces herself, however, that Sam's acceptance at age fourteen to the most prestigious of New England boarding schools overseen by an illustrious headmaster, justifies her choices. When he arrives at Dunning, Sam is glad to be out from under his mother's close watch. And he enjoys his newfound freedom—until, late one night, he stumbles upon evidence of sexual misconduct at the school and is unable to shake the discovery. Both a coming-of-age novel and a portrait of an evolving mother-son relationship, *The Nine* is the story of a young man who chooses to expose a corrupt world operating under its own set of rules—even if it means jeopardizing his mother's hopes and dreams.

But being on the run makes it hard to prove his innocence. He is not only fighting to clear his name, but prove to Igorian Hunchback that they are meant to be together. Igorian refuses to give in to his desires where Pan is concerned. Although the man is a walking wet dream, Igorian has been taught that vampires don't mate outside their race. It is a lesson drilled into him from rebirth. When wanted posters go up and the two must run for their lives, Igorian learns that fighting against the attraction he feels for Pan is futile. Can the two clear their names and the misconceptions taught to Igorian, or will the Ministry of Paranormal Affairs doom them both to a death sentence before Igorian finds out what it means to purr for a panther shifter? ** A Siren Erotic Romance
