Over 800 pages of reading! Because every holiday deserves a happy ending. A Wish for Christmas With his weapons-grade dangerous good looks, India Ramone soon learns there's more to billionaire John Laurencelli than bad press and rumors.

A Whyte Christmas Michele Brouder,2016 A funny, sweet, heartwarming romance. Christmas has always been Kate O'Connor's favorite time of the year, but this season--despite her battery-operated twinkle-light earrings--she's feeling far from festive. In fact, she's wallowing in a generous dose of self-pity over the loss of her father, the train wreck that was her engagement, and an unsavory setback in her career. To make matters worse, her boss at the Cline & Co. ad agency has volunteered her to be the one-woman welcoming committee for Gavin Whyte, the VIP client from across the pond who could be the key to saving their struggling business. Eager to prove she's a team player, Kate resolves to show Gavin a good time, hoping his dazzling blue eyes, his delicious Irish accent, and her own propensity for disaster don't cause her to torpedo the company's chances of recovery. Author's Note: This book has been revised. Although the characters and plot remain the same, some content has been removed to make it better fit the definition of sweet romance.
