**The City of Splendors** Ed Greenwood, Elaine Cunningham, 2011-09-06 The tour of the Realms' most powerful cities continues with this action-packed adventure set in Waterdeep, where intrigue and secrets abound In the streets of Waterdeep, conspiracies run like water through the gutters, bubbling beneath the seeming calm of the city's life. As a group of young, foppish lords discovers there is a dark side to the city they all love, a sinister mage and his son seek to create perverted creatures to further their twisted ends. With Waterdeep facing imminent danger, these spoiled younger sons must set aside their lives of luxury to become a fearless band of heroes. And across it all sprawls the great city itself. A hub of brawling, drinking, laughing, and living life to the fullest—even in the face of death.

**Scarlet and the Beast I** John Daniel, 2023-02-26 My research has revealed that there are two separate and opposing powers in Freemasonry. One, headquartered in London, subscribes to and promotes an idolatrous and pantheistic view of the world. It is monarchist, capitalistic, wealthy, right-wing. The other, in Paris, is atheistic and humanistic in origin and outlook. It is republican, socialist, poor, left-wing. One is Scarlet. The other, the Beast. The breakthrough theory which I have developed with Scripture as my guide makes sense of the massive literature I have collected on Freemasonry as well as its apparent contradictions. My library includes books written by members of and defectors from both English and French Freemasonry. At the beginning of my research, like many other revisionist

authors, I thought revisionist authors were reporting one single plot. I gradually realized that many authors were exposing what in reality were often the machinations of one group of conspirators against the other. The devices of both wings of Masonry were so similar that without Scripture as a guide, one could easily perceive only a single intrigue. This interesting twist in the historical drama, confirmed again and again by my research, points to the existence of a struggle between the two powers in Freemasonry. Although revisionist authors are supposedly concerned about one plot, I noticed that all exposes pointed to Paris as the center of an intrigue before World War I. After the War, however, evidence points to the shift of intrigue to London. I will explain this shift in the course of this book.

**Return to the Temple of Elemental Evil** Monte Cook, 2001 A legendary adventure updated for the Dungeons & Dragons game, this all-new adventure provides hours of play as users race against an evil band of priests attempting to unleash the dark god upon the world.
