The Strategies To Help Master The Ketogenic Diet & Intermittent Fasting: Hacks To Help Make Your Body A Fat Burning Machine Ivan Markovic, My name is Ivan Markovic. I was born on January 17, 1987, in Krusevac, Serbia. My Athletic ability helped me get into the path of finding my higher self and has proven to be one of my best features since I usually leverage it on a daily basis. My soccer career and education at the Sports Academy in Vienna, the University of Salzburg for Sports Science and Kinesiology pushed me even further into discovering all aspects of how I can improve myself in order to serve others. After ten good years of self-development, I can now proudly say that I had the tremendous privilege of working with young athletes in different areas. They have also helped me to collect the last pieces of a puzzle I needed to solve in my life. I have decided to share some of the things that I have learned over the years, from school and from working with others. The whole aspects are written in my book. I have learned also to appreciate all the Ups and Downs that have helped to shape my life. I really hope that my contribution and knowledge can help you improve your life on a daily basis.
