With two hundred gorgeous photographs and Steve's architectural drawings, Brooke takes readers through their inspirations, thought process, and materials selections. The Secret Hen House Theatre Helen Peters,2012-04-05 Since the death of her mother, Hannah's family life has been somewhat chaotic. Her father is absorbed by running their dilapidated farm, and the four children are increasingly left to their own devices. These include farming each room of the house, looking after an enormous pet sheep called Jasper, and writing and directing plays in a disused hen house. But when the farm is threatened with demolition, Hannah determines to save it and realise her dreams at the same time... Shortlisted for the Waterstones Prize, this is a brilliant story of eccentric family life where the children's imaginations run as free as the farmyard animals. From the award-winning author of *Evie's Ghost*, *Anna at War*, *The Farm Beneath the Water* and the *Jasmine Green* series for younger readers, this is perfect for fans of Iva Ibbotson and Philippa Pearce.
