

# Herod S Lost Tomb

Jerry Knoblet

**The Lost Tomb** David Gibbins, 2008-11-04 For centuries, people have speculated about the fabled lost libraries of antiquity. If one were found, what marvels would it contain? Now a fearless team of adventurers is about to unearth that long-hidden secret, and it will lead them to the most astonishing discovery ever made. In the treacherous waters off the rugged Sicilian coast, marine archaeologist Jack Howard and his team of scientific experts and ex-Special Forces commandos make a shocking find while searching for the legendary shipwreck of the apostle Paul. And when a second artifact is uncovered in the ruins of a buried city, Jack is on the verge of a discovery that could shake the world to its foundations: the handwritten words of Jesus Christ himself. As he follows a hunch from the dying confession of an emperor to the burial crypt of a medieval pagan queen, Jack is chasing a conspiracy whose web stretches to the highest levels of international power—and he will have to risk everything to stop the controversial document from falling into the hands of a shadowy brotherhood determined to fulfill their murderous vows.

In Search of King David's Lost Tomb and Treasure Gary Arvidson, 2002

**Video Games** Hal Marcovitz, 2009-09-28 According to Big Fish Games, approximately 155 million American play video games for at least three hours a week, and four out of five households own a video game console. Polygon tells us that consumers spent 16.5 billion dollars on gaming content in 2015. This illuminating volume delves into the world of video games and gaming. The book examines the history of video games, video games as part of contemporary culture, and what the future holds in store for gaming.

**Lost Tomb of the Greek Pharaoh** Jayson Weinschrott, 2022-05-31 Thousands of years ago when the world was new, a child was born that was unlike any other that came before. He would unite all of Greece under one flag and in a campaign lasting just over 10 years, bring their greatest enemies, the Persians, to their knees bowing before him, a God King. The name given to this child was Alexander. By the ripe old age of 32 he conquered almost every known continent, everything the light touches on this planet was his. He was master of all the world...But nothing lasts forever. During one of his campaigns, he caught a fever that grew into a torturous sickness, and eventually the greatest King the world ever knew passed into the afterlife. His Kingdom fell into chaos and ruin and split up amongst his generals. Ptolemy Soter 1, took Egypt for his own control, and stole Alexander's mummy to the city named for him, Alexandria. Alexander was placed in a lavish tomb where people paid tribute for hundreds of years...until it was lost to the sands of time. Now in modern times the hunt is on, led by a young archaeologist named, Alexander Strife. He is attempting to bring the King back into the 21st century. He will be exposed to torrential weather, meet new colleagues, brave the dangers of the city and face the unknown in his search for the tomb. But not everyone wants the tomb to be found. There are those who want the tomb and its glorious riches for themselves and will do anything to get it, even murder. Will Alex uncover the lost tomb of the Greek Pharaoh or will he perish in his attempt, his body left to decompose in the ever-shifting sands of the desert?

**The Lost Tomb** Kent R. (Professor of Egyptology Weeks (American University in Cairo, Egypt), 1998

*Living With Kings* Justin Theng, 2009-01-30 Throughout the rich tapestry of history - woven of people and events, battles and treaties, scientific discovery and artistic expression - certain names stand out far above their contemporaries. These are men whose lives were lived on a grand scale and who remain inspiring to this very day - beacons still after the passing of centuries to show both the greatness and the folly of mankind. They were men raised up for a specific purpose and our history was forever changed for their passing. Bernard of Chartres used to say that we are like dwarfs on the shoulders of giants, so that we can see more than they, and things at a greater distance, not by virtue of any sharpness of sight on our part, or any physical distinction, but because we are carried high and raised up by their giant size." *Living with Kings* travels the span of history to touch on the lives of such giants and to show the ramifications of their choices and actions on their earthly kingdoms. It paints each king's life as a momentary glimpse of a facet of the King of Kings - Jesus, and shows how He is the one who ultimately weaves the rich tapestry of human history as we know it. When we know the King, we better understand who we are, as children of the King.

*Communication: Innovation & Quality* Miguel Túñez-López, Valentín-Alejandro Martínez-Fernández, Xosé López-García, Xosé Rúas-Araújo, Francisco Campos-Freire, 2018-07-10 This book explores the disruptive changes in the media ecosystem caused by convergence and digitization, and analyses innovation processes in content production, distribution and commercialisation. It has been edited by Professors Miguel Túñez-López (Universidade de Santiago de Compostela, Spain), Valentín-Alejandro Martínez-Fernández (Universidade da Coruña, Spain), Xosé López-García (Universidade de Santiago de Compostela, Spain), Xosé Rúas-Araújo (Universidade de Vigo, Spain) and Francisco Campos-Freire (Universidade de Santiago de Compostela, Spain). The book includes contributions from European and American experts, who offer their views on the audiovisual sector, journalism and cyberjournalism, corporate and institutional communication, and education. It particularly highlights the role of new technologies, the Internet and social media, including the ethics and legal dimensions. With 30 contributions, grouped into diverse chapters, on information preferences and uses in journalism, as well as public audiovisual policies in the European Union, related to governance, funding, accountability, innovation, quality and public service, it provides a reliable media resource and presents lines of future development.

*Entering the Fray* T. Michael W. Halcomb, 2012-08-02 In modern times the relationship between the church and academy has been strained and tension-filled. Mainstream church culture has often been skeptical of Bible scholars, depicting them as self-serving intellectuals trying to out-think God by devising new and controversial interpretations. Just as well, academics have often leveled harsh critiques against church culture, painting pastors and laity as anti-intellectual pseudo-spiritualists. *Entering the Fray* argues that, in spite of the wide gap between the academic and ecclesiastical worlds, the modern church should be aware of the key discussions taking place among biblical scholars. To be sure, the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret, Q, the Historical Jesus, the pistis Christou debate, and related topics. In fact, they may have purposefully tuned out! Some, however, are simply unaware that any such dialogue has taken place, and beyond the internet, may not have the first clue as to how to explore the details. This primer seeks to function as that first clue by helping congregants, pastors, and students of the Bible enter into the fray of scholarly discussions that, over the last few hundred years, have shaped both the academy and church.

**The Jesus Family Tomb LP** Simcha Jacobovici, Charles Pellegrino, 2007-03-27 The Jesus Family Tomb tells the story of what may be the greatest archaeological find of all time—the discovery of the family tomb of Jesus of Nazareth The Jesus Family Tomb includes: A gripping real-life detective story that combines history, archaeology and cutting-edge science, and reveals the truth behind 2,000 years of mystery Scientific details about the Jesus family tomb ossuaries Results from DNA tests performed on human residue taken out of the Jesus ossuary and the Mary Magdalene ossuary

National Geographic Treasures ,

Tomb of Herihor Edith Kunz, 2016-03-31 Charles Blumfield, unsavory multi-millionaire and persona non grata in Egypt, offers Professor Surry Semaine a map said to show the Egyptian desert location of the lost tomb of Herihor. Egyptologists have long dreamed of finding the historical Pharaoh's hidden 11th century BCE burial site--rumored to be filled with gold, silver, art treasures, royal mummies and invaluable secrets of the Golden Dynastic Age--but there is always a price to pay when Blumfield is involved. The map

leads to a sensational discovery, but also to murder, jealousy, political intrigue and revenge as Professor Semaine and his team become painfully aware that the laws and ethics of university life do not apply in the shifting sands of the Sahara.

The Lost Tomb Kent R. Weeks,1998

*The Lost Tomb* Kent R. Weeks,1999-11-09 Kent Weeks made international headlines when, seventy feet below the surface of Egypt's Valley of the Kings he found the largest and most complicated mausoleum yet discovered, the tomb of Ramesses II's sons. Now for the first time, Weeks shares up-to-the-minute details on the thrilling discovery and contemplates what the tomb, called KV5, will reveal as the excavation moves forward. Built in the age of Exodus, the tomb could potentially transform ancient and biblical history. Its lower levels, possibly containing mummies of Ramesses II's sons, may shed new light on many of the mysteries of the Old Testament, including the story of Moses and the flight of the Israelites from Egypt. Weeks draws on his own diaries, as well as those of his wife and his foreman, to describe the excitement and risks that surround such a significant find. From floodwaters that threatened the opened tomb and the precarious crawl spaces deep within it, to thieving tourists and scorpions, this adventure is not for the weak of heart. Photographs and sketches illustrate the crew's progress and the objects and decorations found in the tomb's chambers and hallways The result a true-life, impossibly thrilling Raiders of the Lost Arkwill entrance readers from beginning to end.

**Herod the Great : the king's final journey ; [winter - fall 2013, Bella and Harry Wexner Gallery]** Jerusalem Muzeon Yiśra'el,2013

**Lost Cities, Ancient Tombs** National Geographic,2021-11-30 Blending high adventure with history, this chronicle of 100 astonishing discoveries from the Dead Sea Scrolls to the fabulous Lost City of the Monkey God tells incredible stories of how explorers and archaeologists have uncovered the clues that illuminate our past. Archaeology is the key that unlocks our deepest history. Ruined cities, golden treasures, cryptic inscriptions, and ornate tombs have been found across the world, and yet these artifacts of ages past often raised more questions than answers. But with the emergence of archaeology as a scientific discipline in the 19th century, everything changed. Illustrated with dazzling photographs, this enlightening narrative tells the story of human civilization through 100 key expeditions, spanning six continents and more than three million years of history. Each account relies on firsthand reports from explorers, antiquarians, and scientists as they crack secret codes, evade looters and political suppression, fall in love, commit a litany of blunders, and uncover ancient curses. Pivotal discoveries include: King Tut's tomb of treasure Terracotta warriors escorting China's first emperor into the afterlife The glorious Anglo-Saxon treasure of Sutton-Hoo Graves of the Scythians, the real Amazon warrior women New findings on the grim fate of the colonists of Jamestown With a foreword from bestselling author Douglas Preston, Lost Cities, Ancient Tombs is an expertly curated and breath-taking panorama of the human journey.

**The Seventh Jewel** J. J. Pritchard,2005-03 Joel and Emma help their Uncle Jake search for the mythical seventh jewel and a lost Inca tribe.

*Jesus and His World* Craig A. Evans,2013-01-01 A world-renowned scholar explores the latest archaeological evidence about the historical Jesus and His world. -- Book Cover.

**Herod the Great** Jerry Knoblet,2005 This extraordinary book explores the personal history of Herod the Great. It considers Herod's life in the context of his relationship with the Jewish people and the Gospel account of Jesus Christ. A great man, Herod was a political genius who quickly turned the worst of situations into the greatest of opportunities. He rose above every situation that challenged him, even at his darkest hour. Nevertheless, Herod was beset with significant character flaws. His lust for power overwhelmed his sense of morality. Herod the Great measures the true nature of greatness upon the human psyche.
