**The Lost Tomb** David Gibbins,2008-11-04 For centuries, people have speculated about the fabled lost libraries of antiquity. If one were found, what marvels would it contain? Now a fearless team of adventurers is about to unearth that long-hidden secret, and it will lead them to the most astonishing discovery ever made. In the treacherous waters off the rugged Sicilian coast, marine archaeologist Jack Howard and his team of scientific experts and ex-Special Forces commandos make a shocking find while searching for the legendary shipwreck of the apostle Paul. And when a second artifact is uncovered in the ruins of a buried city, Jack is on the verge of a discovery that could shake the world to its foundations: the handwritten words of Jesus Christ himself. As he follows a hunch from the dying confession of an emperor to the burial crypt of a medieval pagan queen, Jack is chasing a conspiracy whose web stretches to the highest levels of international power-and he will have to risk everything to stop the controversial document from falling into the hands of a shadowy brotherhood determined to fulfill their murderous vows.

**Video Games** Hal Marcovitz,2009-09-28 According to Big Fish Games, approximately 155 million American play video games for at least three hours a week, and four out of five households own a video game console. Polygon tells us that consumers spent 16.5 billion dollars on gaming content in 2015. This illuminating volume delves into the world of video games and gaming. The book examines the history of video games, video games as part of contemporary culture, and what the future holds in store for gaming.

**Living With Kings** Justin Theng,2009-01-30 Throughout the rich tapestry of history - woven of people and events, battles and treaties, scientific discovery and artistic expression - certain names stand out far above their contemporaries. These are men whose lives were lived on a grand scale and who remain inspiring to this very day - beacons still after the passing of centuries to show both the greatness and the folly of mankind. They were men raised up for a specific purpose and our history was forever changed for their passing. Bernard of Chartres used to say that we are like dwarfs on the shoulders of giants, so that we can see more than they, and things at a greater distance, not by virtue of any sharpness of sight on our part, or any physical distinction, but because we are carried high and raised up by their giant size." Living with Kings travels the span of history to touch on the lives of such giants and to show the ramifications of their choices and actions on their earthly kingdoms. It paints each king's life as a momentary glimpse of a facet of the King of Kings - Jesus, and shows how He is the one who ultimately weaves the rich tapestry of human history as we know it. When we know the King, we better understand who we are, as children of the King.

**Entering the Fray** T. Michael W. Halcomb,2012-08-02 In modern times the relationship between the church and academy has been strained and tension-filled. Mainstream church culture has often been skeptical of Bible scholars, depicting them as self-serving intellectuals trying to out-think God by devising new and controversial interpretations. Just as well, academics have often leveled harsh critiques against church culture, painting pastors and laity as anti-intellectual pseudo-spiritualists. Entering the Fray argues that, in spite of the wide gap between the academic and ecclesiastical worlds, the modern church should be aware of the key discussions taking place among biblical scholars. To be sure, the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret, Q, the Historical Jesus, the pistis Christou debate, and related topics. In fact, they may have purposefully tuned out! Some, however, are simply unaware that any such dialogue has taken place, and beyond the internet, may not have the first clue as to how to explore the details. This primer seeks to function as that first clue by helping congregants, pastors, and students of the Bible enter into the fray of scholarly discussions that, over the last few hundred years, have shaped both the academy and church.

**The Coins of Herod** Donald Tzvi Ariel,Jean-Philippe Fontanille,2011-12-23 A comprehensive reappraisal of Herod the Great's coinage is undertaken. Hoard and archaeological evidence, together with iconographic, epigraphic and numismatic observations, contribute to innovative interpretations of the coins, a new relative chronology, and some historical 'pegs' towards an absolute chronology

**Church History of Eusebius: ALL 10 Books in One Volume** Eusebius,2023-11-19 The Church History of Eusebius, the bishop of Caesarea, was a 4th-century pioneer work giving a chronological account of the development of Early Christianity from the 1st century to the 4th century. It was written in Koine Greek, and survives also in Latin, Syriac and Armenian manuscripts. Eusebius had access to the Theological Library of Caesarea and made use of many ecclesiastical monuments and documents, acts of the martyrs, letters, extracts from earlier Christian writings, lists of bishops, and similar sources, often quoting the originals at great length so that his work contains materials not elsewhere preserved. The result was the first full-length historical narrative written from a Christian point of view.

**The Lost Tomb** N.J. Croft,2020-03-23 For eight hundred years, the Descendants have worked in secret, putting the pieces in place to fulfill the prophecy made by Genghis Khan on his deathbed—a unified empire spanning the entire globe. Now they just need one more piece... Head of an elite anti-terrorist unit, Major Noah Blakeley is hunting for the clandestine organization he believes to be at the center of a spate of seemingly random acts of terror. When his ex-wife is killed while on an archaeological expedition to Mongolia, closely followed by an attempt on his life, Noah finds himself hurled into a world where the lines between historical research and present-day terrorism are blurred. To discover the answers, Noah must trace his wife's final footsteps and beyond. But nothing and no one is what they seem, and as the puzzle pieces click into place, Noah finds himself embroiled in an ancient feud that threatens to change the world forever...

**Salt & Light; The Complete Jesus** Jonathan Geoffrey Dean,2022-07-10 What did Jesus do? What did Jesus say? Who was Jesus? Salt & Light; The Complete Jesus is the highly acclaimed and award-winning definitive statement concerning Jesus of Nazareth, history's most compelling figure. The single most important book about the Historical Jesus in the last 30 years, more comprehensive than Josh McDowell's Evidence That Demands a Verdict and more powerful than C.S. Lewis' Mere Christianity. However, even today, there is still general confusion surrounding Jesus: Was (Is) Jesus God? Did Jesus even exist? Did he rise from the dead? What are we to make of the miracles? Is he Peter's Jesus or Paul's Christ? Or both? Is there evidence for Jesus outside the Bible? Should we still believe? If so, believe what? What does ALL the evidence point to? Salt & Light does not shy away from addressing these and other tough questions. For the first time ever, after years of research using the complete body of early Christian literature and recent modern scholarship, including new and exciting discoveries in many areas such as early manuscripts, science, New Testament studies, archaeology, and history, the real Jesus emerges. Dean offers an eminently readable yet powerful portrait of the authentic Jesus full of astonishing facts for both believers and sceptics alike. So come along for an utterly fascinating journey and meet the historical Jesus, learn about his mission, and discover his teaching! Compelling • Authentic • Complete [www.saltandlight.ca](http://www.saltandlight.ca) #jesus #christ #christianity #christian #bible

**Jesus and His World** Craig A. Evans,2013-01-01 A world-renowned scholar explores the latest archaeological evidence about the historical Jesus and His world. -- Book Cover.

**Optical Corrections in the Sculpture of Donatello** Robert Munman,1985 There is considerable evidence for Donatello's use of optical corrections that scholars have largely ignored. It may come in some degree from an unwillingness to accept the idea that such visual effects, developed only in the 16th century & not common until the Baroque, were even possible in the early Renaissance. This study, by its arguments & its photographic evidence, may reopen the discussion of optical corrections in the work of Donatello &, perhaps, in that of some of his contemporaries & followers as well. Contents: Introduction; Donatello's Sculpture in the Round; The Reliefs;

Bibliography of Frequently Cited Sources; & 64 black & white photos of Donatello's sculptures.

**Biblical Archaeology: A Very Short Introduction** Eric H Cline,2009-09-28 Public interest in biblical archaeology is at an all-time high, as television documentaries pull in millions of viewers to watch shows on the Exodus, the Ark of the Covenant, and the so-called Lost Tomb of Jesus. Important discoveries with relevance to the Bible are made virtually every year--during 2007 and 2008 alone researchers announced at least seven major discoveries in Israel, five of them in or near Jerusalem. Biblical Archaeology offers a passport into this fascinating realm, where ancient religion and modern science meet, and where tomorrow's discovery may answer a riddle that has lasted a thousand years. Archaeologist Eric H. Cline here offers a complete overview of this exciting field. He discusses the early pioneers, such as Sir William Matthew Flinders Petrie and William Foxwell Albright, the origins of biblical archaeology as a discipline, and the major controversies that first prompted explorers to go in search of objects and sites that would prove the Bible. He then surveys some of the most well-known biblical archaeologists, including Kathleen Kenyon and Yigael Yadin, the sites that are essential sources of knowledge for biblical archaeology, such as Hazor, Megiddo, Gezer, Lachish, Masada, and Jerusalem, and some of the most important discoveries that have been made, including the Dead Sea Scrolls, the Mesha Inscription, and the Tel Dan Stele. Subsequent chapters examine additional archaeological finds that shed further light on the Hebrew Bible and New Testament, the issue of potential frauds and forgeries, including the James Ossuary and the Jehoash Tablet, and future prospects of the field. Biblical Archaeology: A Very Short Introduction captures the sense of excitement and importance that surrounds not only the past history of the field but also the present and the future, with fascinating new discoveries made each and every season. About the Series: Combining authority with wit, accessibility, and style, Very Short Introductions offer an introduction to some of life's most interesting topics. Written by experts for the newcomer, they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics, from philosophy to Freud, quantum theory to Islam.

*The Lost Gospel* Simcha Jacobovici,2014-11-12 Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life.The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul--the Church of Mary Magdalene.Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

**History of the Christian Church & Ecclesiastical History** Philip Schaff,Eusebius,2023-11-19 History of the Christian Church is an eight volume account of Christian history written by Philip Schaff. In this great work Schaff covers the history of Christianity from the time of the apostles to the Reformation period. Ecclesiastical History of Eusebius, the bishop of Caesarea, was a 4th-century pioneer work giving a chronological account of the development of Early Christianity from the 1st century to the 4th century. The result was the first full-length historical narrative written from a Christian point of view. It was written in Koine Greek, and survives also in Latin, Syriac and Armenian manuscripts.

Church History, Life of Constantine the Great, and Oration in Praise of Constantine Eusebius (of Caesarea, Bishop of Caesarea),1890

**The Ecclesiastical History** Eusebius,2023-12-11 The Ecclesiastical History by Eusebius, the bishop of Caesarea, was a 4th-century pioneer work giving a chronological account of the development of Early Christianity from the 1st century to the 4th century. It was written in Koine Greek, and survives also in Latin, Syriac and Armenian manuscripts. Eusebius had access to the Theological Library of Caesarea and made use of many ecclesiastical monuments and documents, acts of the martyrs, letters, extracts from earlier Christian writings, lists of bishops, and similar sources, often quoting the originals at great length so that his work contains materials not elsewhere preserved. The result was the first full-length historical narrative written from a Christian point of view.

**Herod and Augustus** David M. Jacobson,Nikos Kokkinos,2009 Nineteen studies illuminating Herod's role in the Augustan client network and his remarkable achievements, as expressed in his extensive building programme. Josephus' record is examined here in the light of the available documentary and archaeological evidence.

**Herod** Peter Richardson,Amy Marie Fisher,2017-08-22 Herod: King of the Jews and Friend of the Romans examines the life, work, and influence of this controversial figure, who remains the most highly visible of the Roman client kings under Augustus. Herod's rule shaped the world in which Christianity arose and his influence can still be seen today. In this expanded second edition, additions to the original text include discussion of the archaeological evidence of Herod's activity, his building program, numismatic evidence, and consideration of the roles and activities of other client kings in relation to Herod. This volume includes new maps and numerous photographs, and these coupled with the new additions to the text make this a valuable tool for those interested in the wider Roman world of the late first century BCE at both under- and postgraduate levels. Herod remains the definitive study of the life and activities of the king known traditionally as Herod the Great.

**A Select Library of Nicene and Post-Nicene Fathers of the Christian Church** Philip Schaff,Henry Wace,1890

**NIV Study Bible, Fully Revised Edition** Zondervan,2020-09-15 Know what the Bible says. Understand why the Bible matters.
