*The Secret* Byron Preiss,2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the

goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

Hidden Island Elizabeth Haswell, 2011-10-01 None of their friends appreciated Hidden Island. That was something Caroline and Scott learned early on. Caroline's school friend, Althea, attempted to define the uneasy feeling that came over her each time she visited the cabin. I want to like it, for your sake, but... it's eerie Caroline, she whispered, shivering a little. There's a feeling of sinister possibilities here. She turned to Caroline, and with her usual drama-queen style narrowed her eyes and warned, Always be very careful here. Hidden Island is a story of survival of ordinary people pitted against almost insurmountable challenges. It is a book the reader will not easily forget.

**The Water Is Wide** Pat Conroy, 2002-03-26 A "miraculous" (Newsweek) human drama, based on a true story, from the renowned author of *The Prince of Tides* and *The Great Santini* The island is nearly deserted, haunting, beautiful.

Across a slip of ocean lies South Carolina. But for the handful of families on Yamacraw Island, America is a world away. For years the people here lived proudly from the sea, but now its waters are not safe. Waste from industry threatens their very existence unless, somehow, they can learn a new way. But they will learn nothing without someone to teach them, and their school has no teacher—until one man gives a year of his life to the island and its people. Praise for *The Water Is Wide* “Miraculous . . . an experience of joy.”—*Newsweek* “A powerfully moving book . . . You will laugh, you will weep, you will be proud and you will rail . . . and you will learn to love the man.”—*Charleston News and Courier* “A hell of a good story.”—*The New York Times* “Few novelists write as well, and none as beautifully.”—*Lexington Herald-Leader* “[Pat] Conroy cuts through his experiences with a sharp edge of irony. . . . He brings emotion, writing talent and anger to his story.”—*Baltimore Sun*
