On Christmas Eve five years ago, seventeen-year-old Holly Chase was visited by three Ghosts who showed her how selfish and spoiled she’d become. They tried to convince her to mend her ways. She didn’t. And then she died. Now she’s stuck working for the top-secret company Project Scrooge—as their latest Ghost of Christmas Past. So far, Holly’s afterlife has been miserable. But this year’s Scrooge is different. This year’s Scrooge might change everything... *The Afterlife of Holly Chase* is a witty, poignant, and insightful novel about life, love, and seizing second (or third) chances, perfect for readers who loved *Before I Fall* or *Dash & Lily’s Book of Dares*.

House of Hollow Krystal Sutherland, 2022-03-01 A New York Times Bestseller! An Instant Indie Bestseller! A dark, twisty modern fairytale where three sisters discover they are not exactly all that they seem and evil things really do go bump in the night. Iris Hollow and her two older sisters are unquestionably strange. Ever since they disappeared on a suburban street in Scotland as children only to return a month later with no memory of what happened to them, odd, eerie occurrences seem to follow in their wake. And they’re changing. First, their dark hair turned white. Then, their blue eyes slowly turned black. They have insatiable appetites yet never gain weight. People find them disturbingly

intoxicating, unbearably beautiful, and inexplicably dangerous. But now, ten years later, seventeen-year-old Iris Hollow is doing all she can to fit in and graduate high school on time--something her two famously glamorous globe-trotting older sisters, Grey and Vivi, never managed to do. But when Grey goes missing without a trace, leaving behind bizarre clues as to what might have happened, Iris and Vivi are left to trace her last few days. They aren't the only ones looking for her though. As they brush against the supernatural they realize that the story they've been told about their past is unraveling and the world that returned them seemingly unharmed ten years ago, might just be calling them home.

Christmas in the Trenches John McCutcheon, 2006-08-01 This moving book about peace, understanding, and unity is based on the real-life World War I event known as the Christmas Truce. It is cold and clear on Christmas Eve night in 1914. Suddenly, a strange sound pierces the darkness. Someone is singing a Christmas carol in German. Francis Tolliver and his fellow British soldiers are holed up in muddy trenches along the Western Front. Their enemies—German soldiers—lie in wait just across a field known as No Man's Land. As the Germans' carol ends, Tolliver and the other British soldiers sing God Rest Ye Merry Gentlemen. Soon carols are being sung back and forth. Then a figure emerges in the dark, carrying a small Christmas tree with lighted candles. The British and German soldiers slowly leave their trenches—and the

war—behind to stand together in the open field. This haunting story is adapted by award-winning songwriter John McCutcheon from his song of the same name. Henri Sørensen's traditional, full-color oil paintings reinforce the emotional power and dignity of the story. Back matter provides more information about the historical event, and a CD featuring readings of the story and recordings of Silent Night and Christmas in the Trenches is included.
