**Hollywood Sound Design and Moviesound Newsletter** David Stone, 2020-07-29 As film students and younger fans experience Big Hollywood Sound in Imax presentations and digital theaters, many are also discovering action and adventure movies made well before they were born. There is a legacy to be enjoyed in the sound of these films: Blockbuster movies of the '80's, and '90's are notable for the extraordinarily dramatic impact of their sound mixing, and the way in which it could immerse audiences in a surrounding space. During this period, a small group of sound professionals in Hollywood wrote and published a critical journal about the craftsmanship, new technology, and changing aesthetics that excited conversation in their community. Their work has been edited and compiled here for the first time. David Stone is a sound editor, a veteran of roughly 100 Hollywood feature films, such as Gremlins, Top Gun, Die Hard, Speed, and Ocean's 11. He was a Supervising Sound Editor for projects as varied as Predator, Edward Scissorhands, Beauty and the Beast, Batman Returns, City Slickers 2, and Dolores Claiborne. He has collected Golden Reel awards for Best Sound Editing five times, and won the 1992 Academy Award® for best Sound Effects Editing, for his supervising work on Bram Stoker's Dracula. In 2015, he received a Lifetime Achievement Award from the San Luis Obispo Jewish Film Festival in California. Stone is now a Professor and former Chair of Sound Design at Savannah College of Art and Design. Between 1989

and 1994, he was the editor of *Moviesound Newsletter*, which was published by Vanessa Ament. Dr. Vanessa Theme Ament is the author of *The Foley Grail*, and a contributor to *Sound: Dialogue, Music, and Effects* (the Silver Screen Series). She is on the steering committee for Cinesonika, an international film festival and conference. A veteran Foley artist, sound editor, and voice actor from Los Angeles, she also writes and sings jazz, and is a member of the American Federation of Musicians, SAG-AFTRA, Actors Equity, and the Editors Guild. She worked on *Die Hard*, *sex, lies, and videotape*, *Platoon*, *Predator*, *Edward Scissorhands*, *Beauty and the Beast*, *Noises Off*, and *A Goofy Movie*, and many other films. Dr. Ament received her Ph.D. in Communication, in the area of Moving Image Studies, from Georgia State University in Atlanta, and is presently the Edmund F. and Virginia B. Ball Endowed Chair Professor of Telecommunications, at Ball State University in Muncie, Indiana.

Solely focused on the welfare of her parents and brother, Rosanne soon became the breadwinner of her family and the victim of eight long years of sexual abuse from her agent, Barney Wilburforce. Rosanne remained under the stern thump of her agent in the hope of a stable income and reassurance for bigger roles. In return, she endured emotional trauma, embedded anxiety, and a temporary out-of-control alcohol addiction. Unaware of Barney's actual intentions, Rosanne kept her head up and continued to smile at the cameras that captured her public and personal life. With her fame rising during the turn of the decade, she married closeted homosexual heartthrob Clyde Tish. On the set of their second film together, the couple formed a friendship with an extra named Wilma Lawse. As Rosanne's résumé began to lengthen and her family's happiness blooming, Barney always reassured his client that she was destined for bigger roles.
