WRITING YOUR FAMILY HISTORY Deborah Cass, 2012-08-01 Ever wished to see your family history in print, or imagined future generations poring over old photographs and anecdotes in a book? Writing Your Family History helps family historians realize the full potential of the names, dates and facts that they have researched to compile a detailed family history that will be preserved for future generations. Topics covered include: Exploring sources for material; Gathering information; Recording family anecdotes; Making use of limited material; Using local and social history; Studying family dynamics; Planning your story; How to begin your story; Presenting and publishing your story.

Genealogy Software Guide Marthe Arends, 1998 This is a much-needed guide to genealogy software. Along with a variety of other useful features it comprises reviews of the major software programs, including commercial & shareware software as well as utilities. We are all painfully aware of the fact that genealogy software changes rapidly, & indeed over the last few years countless genealogy programs have been orphaned with outdated interfaces, inadequate features, & little or no author support, so for this reason the book concentrates solely on software that is current & is still supported by the author or publisher. In addition, new versions of existing software & frequently released updates result in a quagmire of options & choices, so a guide such as this is not only essential for the computer genealogist, it is absolutely indispensable. Bearing in mind some concerns that might be paramount to the reader, the author tackles a number of frequently asked questions before launching into her software reviews, answering such key questions as the following: Why use genealogy software? What equipment do I need? How do I choose & evaluate a program? What are the different types of software available to me? And where can I buy this software? With such questions authoritatively addressed, the author goes on to list each program's major features; but rather than a mere litany of details, functions, & common characteristics, she tries to provide a sense of what the program actually feels like, providing over eighty sample reports & screen shots of the major genealogy programs & software utilities. In this context it is important to note that only IBM compatible software is reviewed here; Macintosh & other platforms, however, are listed & briefly described.

The Governor and the Colonel Don Carleton, 2020-12-11 William P. "Will" Hobby Sr. and Oveta Culp Hobby were one of the most influential couples in Texas history. Both were major public figures, with Will serving as governor of Texas and Oveta as the first commander of the Women's Army Corps and later as the second woman to serve in a presidential cabinet. Together, they built a pioneering media empire centered on the Houston Post and their

broadcast properties, and they played a significant role in the transformation of Houston into the fourth largest city in the United States. Don Carleton's dual biography details their personal and professional relationship—defined by a shared dedication to public service—and the important roles they each played in local, state, and national events throughout the twentieth century. This deeply researched book not only details this historically significant partnership, but also explores the close relationships between the Hobbys and key figures in twentieth-century history, from Texas legends such as LBJ, Sam Rayburn, and Jesse Jones, to national icons, including the Roosevelts, President Eisenhower, and the Rockefellers. Carleton's chronicle reveals the undeniable impact of the Hobbys on journalistic and political history in the United States.

The Rundle, Rundel, Randle, Randol, Randall, Rundall, Rundell, Runnell Ancestry of Long Island and Greenwich, 1667-1992 ,1991 William Rundle, Sr., may have been the son of John Randoll and Ann Goldstone, whose son William was born in 1646, in England. William Rundle arrived in America before 1667, settling in Long Island. He married Hannah Edwards, a daughter of William Edwards and Anna Cole, in 1670. She died before 1674, and in 1675 he married Abigail Mills, a daughter of Samuel Mills and Susannah Palmer. They had eight children; the first may have been the son of Hannah. Descendants live throughout the United States.

Home Hobbygenealogy117 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Home Hobbygenealogy117 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Home Hobbygenealogy117 has opened up a world of possibilities. Downloading Home Hobbygenealogy117 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Home Hobbygenealogy117 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to

access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Home Hobbygenealogy117. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Home Hobbygenealogy117. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable

websites that prioritize the legal distribution of content. When downloading Home Hobbygenealogy117, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Home Hobbygenealogy117 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
