Joy at Work Marie Kondo, Scott Sonenshein, 2020-04-07 Declutter your desk and brighten up your business with this transformative guide from an organizational psychologist and the #1 New York Times bestselling author of *The Life-Changing Magic of Tidying Up*. The workplace is a magnet for clutter and mess. Who hasn't felt drained by wasteful meetings, disorganized papers, endless emails, and unnecessary tasks? These are the modern-day hazards of working, and they can slowly drain the joy from work, limit our chances of career progress, and undermine our well-being. There is another way. In *Joy at Work*, bestselling author and Netflix star Marie Kondo and Rice University business professor Scott Sonenshein offer stories, studies, and strategies to help you eliminate clutter and make space for work that really matters. Using the world-renowned KonMari Method and cutting-edge research, *Joy at Work* will help you overcome the challenges of workplace mess and enjoy the productivity, success, and happiness that come with a tidy desk and mind.

Smart Office Organizing Sandra Felton, Marsha Sims, 2011-09 Organizing experts help readers tackle every type of office organizing challenge at work or at home.

Organizing Your Home Office for Success Lisa Kanarek, 1994

Beautifully Organized at Work Nikki Boyd, 2023-10-31 Bring peace and joy into your workspace as you learn how to declutter your office and create a stress-free work environment. Clutter and mess can distract you, stress you out, and get in the way of efficiently getting work done. That's why *Beautifully Organized at Work* was created to give you practical tips and tools for how to mindfully transform your workspace and get

organized so you can feel better about your work and be better set up for success. YouTube star and professional organizer Nikki Boyd, author of the bestselling book *Beautifully Organized*, brings her expert skills to this book. *Beautifully Organized at Work* includes: Everything you need to know about decluttering your desk and organizing files--both in your physical and digital space Valuable advice on how to plan your work days so you can have a well-balanced and productive week How to select the desk, chair, and lighting that are ideal for your needs Information tailored for cubicle, co-working spaces, working from home, and more Tips on how to get your coworkers involved in creating a beautifully organized breakroom, conference room, and lobby

Eliminate Chaos Laura Leist, 2011-03-01 *Eliminate Chaos* is a user-friendly system for organizing each room of the house, including the kitchen and pantry, closet, garage, home office, and childrens' rooms. The author's ten-step system is presented in an easy-to-use, workbook-style layout. Full-color photos demonstrate the various stages of the organizing process, illustrating not just before and after, but the realistic, messy, all-important steps in between. Leist's method is based on the underlying principle that it's not about the stuff. She touches on the psychological reasons behind clutter and not letting go — such as procrastination, denial, thrift, and family history — but her underlying premise is that being organized is an on-going process, not a one-day event. By learning to sort, prioritize, and make fast, rational decisions about their household goods, readers become more efficient and functional not just at home, but in other areas of life as well.

Clutter Rehab Laura Wittmann, 2010-12-01 "This little gem is a must-have for anyone looking for creative ideas to make their life a little more sane . . . and a little more

beautiful.” —Home Sanctuary Cut the clutter and take control of your home! With 101 quick-and-easy projects for organizing your bathroom, kitchen, closet and more, Clutter Rehab takes the stress out of home organizing. As you painlessly tackle piles of toys, stacks of paper and over-spilling drawers, you’ll discover how to make de-cluttering your home an addictive pleasure. #10—Remember in Pictures Take a snapshot of sentimental keepsakes you don’t use, then donate or even sell them for cash. #26—Be Grocery Smart Save fridge and pantry space—and money!—by buying only those items on your weekly meal planner. #32—Go Green Repurpose empty cardboard, plastic and glass containers into free organizers for all your stuff. #56—Childhood Archives Sort homework, artwork and other kid creations into easy-to-shelve, keep-forever binders. “Laura does a great job of sprinkling in encouragement and tips for breaking big organizational jobs into manageable tasks. I would recommend this book for those readers needing inspiration to dig out from under a pile of clutter.” —Home-Ec101 “This little (in size and length) book is just perfect! It is a very easy read. It can be picked up and put down easily. You can read just a few pages, be inspired, do a project and then come back to read some more.” —Multi-Testing Mommy

The Home Edit Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER

- From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and

look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

The Upbeat, Organized Home Office Darla Demorrow, 2020-03-14 An organized home office is your key to finally getting things done. Start here if: You are fed up with paper You are fed up with email You are fed up with being disorganized throughout your life Don't have an entire room for a dedicated home office? Turn an alcove, a loft, a corner of your bedroom or the dining room table into an upbeat home office you want to run to...not from. Tame never-ending email. Organize electronic files. Add just a few essential tech tools, leading to an organized mind so you can enjoy your day more. Everyone deserves a home office. If you are an entrepreneur, run a home-based business or work

remotely, a home office is a necessity. Even if you don't work from home, everyone needs a space to pay bills, answer email, and charge your electronics. You can learn to have better time management skills in a home office that makes you smile. Faster than you thought possible, you'll learn to:

- Clear your desk
- Reduce unwanted email
- Stop losing computer files
- Go paper-less without scanning
- Never lose important papers again
- Save time with one change to your to-do list
- Stay organized longer

The SORT and Succeed system is just five simple steps to organize your home office one area at a time. Chaos Management - Working with Success as a Undisciplined Simone

Janson,2023-02-07 What the 3rd edition brings you: You support climate protection, quickly receive compact information and checklists from experts (overview and press reviews in the book preview) as well as advice proven in practice, which leads to success step by step - also thanks to add-on. Because creative, often slightly chaotic people in particular suffer from the pressure to be efficient in our society and the call to manage their time better sounds almost like a mockery to many of them. At the same time, digitization, employers, and customers are demanding ever more efficient, faster, and, at the same time, high-quality work. Success also requires an ever greater degree of self-organization. All of this leads to stress and excessive demands on creative people in particular, because they lack the right methods to be successful despite the pressure to perform. Burnout is often the result. This book gives tips and instructions for self- and time management, also for creative-chaotic people, and shows how to successfully avoid stress, increase motivation and concentration, and gain quality of life and thus quality of work despite increasing demands in the job. Good luck and have fun reading. We give you the best possible help on the topics of career, finance, management, personnel work and life assistance. For this purpose, we gather in each book the best experts in their field as authors - detailed biographies in the book - , who give a comprehensive overview of the topic and additionally offer you success planner workbooks in printed form. Our guidebooks are aimed primarily

at beginners. Readers who are looking for more in-depth information can get it for free as an add-on with individual content in German and English as desired. This concept is made possible by a particularly efficient, innovative digital process and Deep Learning, AI systems that use neural networks in translation. Moreover, we give at least 5 percent of our proceeds from book sales to social and sustainable projects. For example, we endow scholarships or support innovative ideas as well as climate protection initiatives and in some cases also receive government funding for this. With our translations from German into English we improve the quality of neural machine learning and thus contribute to international understanding. You can find out more on the website of our Berufebilder Yourweb Institute. Publisher Simone Janson is also a bestselling author as well as one of the 10 most important German bloggers according to the Blogger-Relevance-Index, furthermore she was a columnist and author of renowned media such as WELT, Wirtschaftswoche or ZEIT - more about her in Wikipedia.
