Frankie Flowers, Bryce Wylde

**The Blender Girl** Tess Masters, 2014-04-08 The debut cookbook from the powerhouse blogger behind theblendergirl.com, featuring 100 gluten-free, vegan recipes for smoothies, meals, and more made quickly and easily in a blender. What's your perfect blend? On her wildly popular recipe blog, Tess Masters—aka, The Blender Girl—shares easy plant-based recipes that anyone can whip up fast in a blender. Tess's lively, down-to-earth approach has attracted legions of fans looking for quick and fun ways to prepare healthy food. In *The Blender Girl*, Tess's much-anticipated debut cookbook, she offers 100 whole-food recipes that are gluten-free and vegan, and rely on natural flavors and sweeteners. Many are also raw and nut-, soy-, corn-, and sugar-free. Smoothies, soups, and spreads are a given in a blender cookbook, but this surprisingly versatile collection also includes appetizers, salads, and main dishes with a blended component, like Fresh Spring Rolls with Orange-Almond Sauce, Twisted Caesar Pleaser, Spicy Chickpea Burgers with Portobello Buns and Greens, and I-Love-Veggies! Bake. And even though many of Tess's smoothies and shakes taste like dessert—Apple Pie in a Glass, Raspberry-Lemon Cheesecake, or Tastes-Like-Ice-Cream Kale, anyone?—her actual desserts are out-of-this-world good, from Chocolate-Chile Banana Spilly to Flourless Triple-Pecan Mousse Pie and Chai Rice Pudding. Best of all, every recipe can easily be adjusted to your personal taste: add an extra squeeze of this, another handful of that, or leave something out altogether—these dishes are super forgiving, so you can't mess them up. Details on the benefits of soaking, sprouting, and dehydrating; proper food combining; and eating raw, probiotic-rich, and alkaline ingredients round out this nutrient-dense guide. But you don't have to understand the science of good nutrition to run with *The Blender Girl*—all you need is a blender and a sense of adventure. So dust off your machine and get ready to find your perfect blend.

**Coconuts & Kettlebells** Noelle Tarr, Stefani Ruper, 2018-08-07 Achieve lasting health—without cutting calories or following dieting “rules”! Instead of obsessing about the quantity of food you eat, shift your focus to the quality, say Noelle Tarr and Stefani Ruper. The popular hosts of the Well-Fed Women podcast want you to make sure you're getting enough food so that your body has the fuel and nourishment it needs to support a healthy, long, and energetic life. Noelle and Stefani know firsthand about the ups and downs of dieting. Like many people, they have struggled with confusing and frustrating health issues such as anxiety, infertility, and hormonal imbalance—but when they discovered that the secret to improving wellness was actually more food, they ditched the calorie counters and gave their bodies the nourishment they needed to heal. In the *Coconuts and Kettlebells* program, you'll eat at least 2,000 calories a day—setting a minimum intake of fat, protein, and carbohydrates to ensure that your diet is full of nutrients. Noelle and Stefani identify the Big Four foods that cause the most health problems—grains, dairy, vegetable oils, and refined sugar. While many diets require you to eliminate these foods entirely, *Coconuts and Kettlebells* provides an easy-to-follow step-by-step system to test these foods and determine which you need to cut back on to feel better—and which you can eat without restrictions. To help you discover how your body responds to the Big Four, you'll choose from two simple 4-week meal plans: one for Butter Lovers, people who tend to feel more satisfied eating higher ratios of fats, and one for Bread Lovers, people who tend to feel more satisfied eating higher ratios of carbs. Each meal plan comes with weekly shopping lists and instructions on how to batch cook, meal prep, and stock the pantry. In addition, you get more than 75 simple and delicious real food recipes, including: • Kale and Bacon Breakfast Skillet • Raspberry-Coconut Smoothie Bowl • Thai Coconut Curry Shrimp • Apple-Chicken Skillet • Moroccan Lamb Meatballs • Grilled Balsamic Flank Steak • Chocolate-Cherry Energy Bites • Lemon-Raspberry Mini Cheesecakes To go along with the meal plans, you'll find three 4-week fitness plans tailored to beginner, intermediate, and advanced

experience levels. Best of all, the workouts can be done anywhere—at your home or on the road—and take no more than 30 minutes each. A comprehensive whole-body program, *Coconuts and Kettlebells* provides the knowledge and tools you need to be healthy inside and out.

**Non-Toxic Skin Toner Recipe with Apple Cider Vinegar** Sarah Shilhavy, 2014-10-16 A toner is an extremely beneficial addition to your skincare routine, but there's no need to spend your hard earned money on a bunch of frosty glass bottles and watered down alcohol solutions. Most toners on the market use alcohol or witch hazel as their main ingredient, but the best toner I have ever come across contains only two natural ingredients: water and apple cider vinegar.

**Natural & Organic Beauty Recipes** Evelyn R. Scott, 2015-03-10 Have you noticed? You continue to use cosmetics & products promising you an acne-free life, anti-aging results, smoother glowing skin... But the more you use these products, the fewer results you see. If you're like millions of other people, you may begin to feel they only prove to be a waste of both your money (the best of these products come with a hefty price tag!) and your time. There very well could be something else that is being wasted, too -- your very health. It's true! If you put cosmetics on with less than healthy -- even toxic -- ingredients, guess what happens? All the potentially toxic items soak directly into your skin and into your system. Surely there must be a better way to make you look and feel better without putting your health on the line everyday! What if I told you there were products available that are natural, and many times organic that wouldn't harm your skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were using? What if I told you the ingredients for these outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the items and make them. It's true and this is what Natural & Organic Beauty Recipes will show you. Just imagine being able to have healthier & more beautiful skin in just 7 days (or less) without becoming frustrated or wasting your time.  Introduction Have you noticed that everybody who is self-conscious and beauty conscious is very careful about applying makeup, which focuses on the face, but they do not bother much about skin and body care for the rest of the body? That is the reason why you may have skin tones, a shade or two lighter than the rest of your body because you have been bleaching it or slathering sunscreen lotion on it. Just go into the shower and do a careful survey of the rest of your body. You are going to be surprised to see parts of it which have been neglected for ages. In fact, let me admit it. I find rubbing and scrubbing the lower extremities below the knee, a big bore, because I have to bend over so much, to get to my knees, ankles and feet. Even sitting down and lifting them up in order to scrub them is a major headache. You may think this reason so absurd. According to me, I think it perfectly reasonable! Believe it or not, most of us have some silly excuse or reason to justify why we neglect major portions of our body, so much. That is why we have rough elbows and rough knees and perhaps neglected feet, especially the dead cells around the soles and so on. So this book is going to tell you many natural skin and body care tips and techniques, which you can use easily on your body. Remember your face may be your fortune, but the rest of your body is equally important. So remember to cherish it.
