Falling for Hamlet Michelle Ray, 2011-07-05 Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable Hamlet retelling, from the perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across magazines and television screens. But it comes with a price--her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews.

Train Your Brain Ryuta Kawashima, 2014-08 This book answers why. Dr. Kawashima, a prominent neurologist in Japan, developed this programme of daily simple brain exercises that can help boost brain power, improve memory and stave off the mental effects of ageing. It explains How reading, writing and listening to music affects our brain. How physical motion activates the brain. Where are memories located? What activity of the brain causes likes and dislikes? How the mind is related to the brain. Will brain transplantation be possible in the future? It is never too late to begin building a better brain! Unlock the mysteries of your brain, to train it to function optimally and to your advantage through simple exercises that will maximize memory and better your learning capacity.

Racial and Ethnic Groups Richard T. Schaefer, 2012 Understand the Changing Dynamics of the U.S. Population The 13th edition of Schaefer's Racial and Ethnic Groups places current and ethnic relations in a socio-historical context to help readers understand the past and shape the future. This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Race and Ethnic Groups helps students understand the changing dynamics of the U.S. population by examining our history, exploring our current situation, and discussing concerns for the future. This text provides an accessible, comprehensive, and up-to-date introduction to the present issues that confront racial and ethnic groups in the U.S. and around the world. It incorporates the most current

statistics and data in the marketplace including the most recent census.

Teaching & Learning Experience Personalize Learning The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals.
