**Cliff Jump** Brandice Daniel, 2022-02-22 Cliff Jumping is my passion because without the jumps, my life would look totally different. I wouldn't have a successful company, live in New York, be featured on the Drew Barrymore show, have a deal with Nike, or living out my dream. My life would be full of regrets, what ifs, and a nagging feeling that there was better for me. I can easily recall having a college degree and working part-time in the local mall in Memphis, TN and working for a temp service filing papers! I knew there was more for me, but my life kind of putted along until I started to cliff jump. My first major jump was deciding to move from Memphis to New York without having the path totally figured out. Then, it was deciding to do a big event in Harlem knowing I did not have the experience people thought I needed to pull it off. From there, the cliff jumps started to snowball. It included putting down a deposit on an \$85,000 venue but not knowing where the rest of the money would come from. That move resulted in my first sponsorship from Target. A cliff jump landed me in Portland, OR sitting in a board room full of Nike executives sharing my story and launching a collaboration on a sneaker for LeBron James. I could not have imagined owning a multi-million dollar company that has partnerships with major corporations. If I had

played it safe and followed the status quo, my life would be quite different. My faith plays a major part in cliff jumping, so before you dive in, know that cliff jumping is taking a step of faith. To understand cliff jumping, you must know what it is not. Cliff jumping is NOT: - Moving without a plan - Acting on impulse - Putting your family and kids in harm's way - Taking an action without calculating the cost - Jumping without the work ethic to see it through I believe in planning and creating clear goals. Cliff jumping without either will leave you under the covers in tears. Trust me, I know. I've tried it several times and it's not fun. We will plan, but we will jump! Are you ready?

**Best of Enemies** Rainier George Weiner,2015-05-07 Suppose fate placed you on an inflatable life-raft in the middle of the freezing Atlantic Ocean along with your most bitter enemy contrivable? Would the emotions of hatred, revenge and love of country trump the desire to survive, if killing that enemy ensured your own demise? Captain Mat Richardson, USN, and Emil Gluckler, a German submarine commander, experience that option during the 2nd World War. Mat, captain of a small destroyer, and Emil, commander of an attacking submarine, become stranded on a life-raft after each of the combatant crafts sink each other during a fierce naval engagement. They subsequently experience 38 harrowing days striving for survival. If nothing else, this required the ultimate in mutual cooperation. If the two survived, would the events have a lasting effect on their relationship? Or, if one had the opportunity to kill the other at a later date in a new war-time circumstance, would he do so, or not?
