The Wind In My Mane Nm Reed,2023-05-31 NM Reed has been riding horses most of her life. In this second horse book, she tells the narratives of her many ride stories. Over a decade of rides are chronicled here to provide fun and fascinating reading for anyone interested in Endurance riding, horses, and sports in general. The ups and downs, the trials, and frustrations, and the rewards of a difficult but satisfying pursuit. Her horses are home-bred and trained by herself, and she even does her own horse shoeing! Come ride along with her into the Sierra Nevada Mountain Range in Eastern California and the tough rocky outback of the State of Nevada badlands. The Wind in my Mane is sure to become a classic for horse lovers and sports lovers of all creeds and ages. Introduction I love horses, and riding; I always have, since my first memories. And I still feel reborn each time I get on a horse. And I love the wilderness. And yes, I love going fast. So, it was with great joy when I discovered many years ago that Endurance riding combined these favorite things of mine. I don't in fact like getting up early in the morning. But on ride morning I am OK with it. The experience of seeing the new day's sun rising over a new vista is something I cherish. Did you know that all the horses whinny at first light? They also whinny just as the sun goes down too. Learning this while camped out with my horse was worth it all .Long distance trail riding has always been my favorite thing. Doing it with a large group of people brought it all together for me. Endurance riding can be fun, fast and competitive. But when I get on a horse in the early morning hours to head off on a days endurance ride, I know I've done all this work for something so much more intriguing to me and much less tangible. Something difficult to pin down. But a story can say so much. And the stories that follow I hope to convey the depth of my experiences. Wilderness endurance riding really has been a journey to the heart. To my own heart, to a much deeper understanding myself. And into the heart of my horse, developing a deeper relationship with my horses I never thought possible. And into the heart of an unknown wilderness, which I hope to capture in story and pictures I've taken on the trail. I mean, lets face it, ride camp is usually in the middle of nowhere. Then from there, we head out even further. Often times we are riding in pristine areas of wilderness, sometimes where no human has even stepped in perhaps a hundred years. The outback of Nevada, in mountains called the Dogs Skins, with the snow blowing horizontal over my horse's ears. Or in the Sierra Nevada Mountains of California, in a desolate place on the river called Murderer's Bar. Not many people go there. Who would want to? I mean, there's really nothing there. But to ride a horse through, traveling through country on trails that were established by Indians, pioneers and outlaws, now that gives me goose bumps. And horses can often travel country and terrain humans find too difficult, or just too plain remote to go. Twenty-five miles out in the high desert from nowhere, turning between two black rock mountains heading deeper into nowhere, and my horse decides to turn left, not right where the ribbons are, when he knows for sure that is the way home, will remain forever memories for you. These stories are of my adventures on endurance rides. I don't want to talk about statistics, or gear, or the human politics too much. I want to take you on a journey to the heart, the heart of a rider, and heart of a horse, into the heart of new territory on the AERC Endurance rides I have traveled. So welcome to my ride camp!

The Last Ride of the Pony Express Will Grant,2023-06-06 Spellbinding (Douglas Preston) and completely fascinating (Elizabeth Letts), cowboy and journalist Will Grant takes us on an epic and authentic horseback journey into the modern West on an adventure of a lifetime. The Last Ride of the Pony Express boldly illuminates both our mythic fascination with the Pony Express, and how its spirit continues to this day. The Pony Express was a fast-horse frontier mail service that spanned the American West— the high, dry, and undeniably lonesome part of North America. While in operation during the 1860s, it carried letter mail on a blistering ten-day schedule between Missouri and San Francisco, running through a vast and mostly uninhabited wilderness. It covered a massive distance—akin to running horses between Madrid and Moscow— and to this day, the Pony Express is irrefutably the greatest display of American horsemanship to ever color the pages of a history book. Though the Pony Express has enjoyed a lot of traction over the years, among the authors that have attempted to encapsulate it, none have ever ridden it themselves. While most scholars would look for answers inside a library, Will Grant looks for his between the ears of a horse. Inspired by the likes of Mark Twain, Sir Richard Burton, and Horace Greeley, all of whom traveled throughout the developing West, Will Grant returned to his roots: he would ride the trail himself with his two horses, Chicken Fry and Badger, from one end to the other. Will Grant captures the spirit of the west in a way that few writers have. Along with rich encounters with the ranchers, farmers, historians, and businessmen who populate the trail, his exploits on horseback offer an intimate portrait of how the West has evolved from the rough and tumble 19th century to the present, and it's written with such intimacy that you'll feel as though you're riding right alongside of him. Along the way, he fights off wild mustangs wanting to steal his horses in Utah, camps with Peruvian shepherders in the mountains, and even spends three days riding under the Top Gun aviator school in Nevada, which are just a handful of extraordinary tales Will Grant unveils as he makes his way across the treacherous and, at times, thrilling landscape of the known and unknown American West. The Last Ride of the Pony Express is a uniquely tenacious tale of adventure by a native son of the West who defies most modern conveniences to compass some two thousand miles on horseback. The result is an unforgettable narrative that will forever change how you see the West, the Pony Express, and America as

a whole.

Pinto! M. J. Evans, 2019-10-15 PINTO! deserves a spot on the reading list of not only young, horse-crazy readers, but adults who like horse tales, ala Black Beauty. - Diane Donovan for Midwest Book Reviews PINTO! is a story of joy, tragedy, heartache, and dedication by a group of men and their horses and the people they meet along the way. -- Trudi LoPreto for Readers' Favorite PINTO! revives an amazing part of history that has lain forgotten for ages. It is written with a unique twist and is both informative and entertaining. --Edith Wairimu for Readers' Favorite In 1912, four men, calling themselves the Overland Westerners, decided fame and fortune awaited if they embarked on the longest horseback ride in history. Their goal was to visit all forty-eight state capitals over the course of three years and complete their journey at the San Francisco World's Fair on June 1, 1915. Facing rugged roads, raging rivers, thieves and near starvation, the men went through seventeen horses. Only one horse completed the entire journey... Pinto, a little horse with a heart as big as the whole country! This is Pinto's account of his arduous adventure.

Sgt. Reckless Robin Hutton, 2014-07-28 New York Times Bestseller! She wasn't a horse—she was a Marine. She might not have been much to look at—a small Mongolian mare, they called her—but she came from racing stock, and had the blood of a champion. Much more than that, Reckless became a war hero—in fact, she became a combat Marine, earning staff sergeant's stripes before her retirement to Camp Pendleton. This once famous horse, recognized as late as 1997 by Life Magazine as one of America's greatest heroes—the greatest war horse in American history, in fact—has unfortunately now been largely forgotten. But author Robin Hutton is set to change all that. Not only has she been the force behind recognizing Reckless with a monument at the National Museum of the Marine Corps and at Camp Pendleton, but she has now recorded the full story of this four-legged war hero who hauled ammunition to embattled Marines and inspired them with her relentless, and reckless, courage.

Baseball Team Names Richard Worth, 2013-02-21 Professional baseball is full of arcane team names. The Los Angeles Dodgers, for instance, owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s. (Residents were “trolley dodgers.”) From the Negro Leagues, there were the Pittsburgh Crawfords (sponsored early by the Crawford Bath House and Recreation Center); from the minors, the Tucson Waddies (slang for cowboy) and, later, the Montgomery Biscuits (for the would-be concessions staple); from overseas, the Adelaide, Australia, Bite (a shark reference but also a pun for bight) and the Bussum, Netherlands, Mr. Cocker HCAW (the sponsoring restaurant chain, followed by the acronym for the official team name, Honkbalclub Allan Weerbaar). This comprehensive reference book explains the nicknames of thousands of major and minor league franchises, Negro League and early independent black clubs, and international teams—from 1869 through 2011.

MALDONADO JOURNEY to the KINGDOM of NEW MEXICO Gilbert Maldonado, 2014-11-07 Volume XI is a continuation of the journey of the Maldonado family to the Kingdom of New Mexico. It documents the Maldonado descendants of Pedro Gonzáles de Carvajal and his wife Isabel Delgadillo. They are connected to New Mexico through the marriage of their second great-grandson, Juan de Vitoria Carvajal, to Isabel Holguín, daughter of Juan López Holguín and Catalina de Villanueva, founders of the Kingdom of New Mexico. From the marriages of Juan and Isabel's children, Magdalena, Juana, Agustín, Ana María, Gerónimo, and Felis, don Pedro and doña Isabel became the ancestors of leading New Mexicans in later generations. Brothers Agustín and Gerónimo de Carvajal married sisters María and Margarita Márquez, daughters of Diego Márquez and Bernardina Vásquez, a pioneering New Mexico couple. This volume contains not only their direct line of descent but also cousins, uncles, aunts, and in-laws. The Maldonado database has more than 5,800 names, with many of them represented here. The time period is generally from 1598 through the nineteenth century for most names, though the direct line continues to the present. Juan de Vitoria Carvajal is the ancestor of many people living in New Mexico today. In this volume his other descendants can trace their connections to cousins from this extended Maldonado family. Pedro Gonzáles de Carvajal and Isabel Delgadillo are my thirteenth great-grandparents.

Me and Chief (Sitting Bull) Patricia Probert Gott, 2015-04-27 This story recounts the last 20 years of Sitting Bull's life—told by his Horse, Blackie. Based on true events, this historical novel covers the years from 1870 until he was killed in 1890. During these years as Chief and Holy Man of the Lakota Sioux, Sitting Bull fought for, advised, counseled and represented his people, trying to enable them to live free on the northern plains as they had always done, all while the U.S. government declared them hostiles and sent the Army to round them up and contain them to living on designated reservations. Sitting Bull and Blackie were involved in the Battle on the Rosebud, present during Custer's defeat, fled to Canada, surrendered to U.S. military, took part in Buffalo Bill's Wild West shows, and raised horses from his home on the Grand River in South Dakota until his untimely murder.
