How to Get Followers on Twitter Steve Burns, 2011-08 While other books will tell you all about how to use twitter, how to set up a profile, and inform you of the overwhelming amount of applications available to use with your twitter account. This twitter book is only about one thing, how to get and keep followers. The purpose of this book is to give twitter users who are frustrated with their small followings 100 ideas to help them build their following. By using the ideas found in this book consistently over a period of time it is possible to acquire 1000 followers. If you follow the principles of this book, you will see your followers grow. These are not my theories or opinions; these are the actual ideas I used to build my own twitter following to over 5000 in less than one year. Twitter has been a great help to me in both connecting with likeminded people and collaborating on business projects. Twitter was also the main outlet for promotions for my two published books that both reached the top 5% of all books sold on Amazon. I have helped others by sharing these ideas and I believe it will work for the readers of this book if they are patient and work on using these suggestions while also building a high quality twitter account through quality tweets. Use the ideas that fit your twitter goals and personality and skip the ones you do not like. I believe everyone will find enough tips in this book to gain a substantial following of people who want to hear what you have to say.

Twitter (A Little Birdie Told Me) Henry J. Button, 2009-07-22 There are not many really useful business tools that can lay claim to being 100% free. Twitter does, however, and while the opportunities it presents aren't really obvious at first glance, they're still manifold. Business users are learning new ways to turn Twitter to their advantage each and every day. Surprisingly, one of the best uses of Twitter is to add some human personality to you, your brand, and your company. One of the worst uses? Posting links to your own websites, day after day after day. I - Introduction to Twitter II - How Business Has Embraced Twitter III - Social Strategies IV - Using Twitter to Fuel Your Bottom Line V - Twitter Best Practices and Strategies Henry J. Button is an Internet Entrepreneur, Journalist and Social Media Commentator. This is his first book.

Twitter In 30 Minutes (3rd Edition) Ian Lamont, 2016-01-04 Are you interested in using Twitter, but don't know where to start? Are you mystified by hashtags, retweets, and other strange conventions? The revised and expanded third edition of Twitter In 30 Minutes is here to help! This unofficial Twitter tutorial will walk you through the basics, using plain

English, step-by-step instructions, and lots of examples from real Twitter users. In no time, you'll learn how to: * Create a new Twitter account online or on your phone * Customize your Twitter profile with photos and a bio that's right for you * Navigate Twitter icons, the Twitter app, and Twitter.com * Follow other Twitter accounts ... and block those you don't like * Identify local people and organizations using Twitter * Find people who share the same interests and hobbies * Compose your first Tweets * Share photos * Use hashtags, retweets, and other Twitter conventions There's more. *Twitter In 30 Minutes* shows you how all kinds of people use Twitter to promote their businesses, connect with their followers, explore their interests, and have fun! It's peppered with real-world examples, from everyday people to celebrities. Authored by award-winning technology journalist Ian Lamont, the revised third edition of *Twitter In 30 Minutes* covers Twitter's new interface for the Web and mobile devices such as the iPhone and Android phones. There are new screenshots, along with instructions for registration on iOS and Android devices. *Twitter In 30 Minutes* is a perfect introduction to people who are new to Twitter, as well as those who already have accounts and want to learn how to get the most out of Twitter. Buy the book today! Here's what real readers are saying about *TWITTER IN 30 MINUTES*: I quickly set up a Twitter account and started using it within a half hour. I would recommend this book for anyone who doesn't have a Twitter account, for those who do have one but aren't actively using it, and for those who aren't quite sure how to get the most out of their account. Though I have been using Twitter for some time now, I still learned a thing or two from reading this. Clarified any issues I had or concerns and listed some excellent precautions. Perfect introduction to Twitter. Quick and easy read with lots of photos. I finally understand the #! I've been tweeting for over a year but learned a lot of helpful details I hadn't been aware of until now. Lots of easy to understand info, and good instructions with screenshots that make it easy to understand. Thanks for the help and making Twitter even more fun. Just the quick, light intro I wanted. No annoying bits of philosophy. Some careful warnings about privacy and courtesy are included. You really can skim it in 30 minutes. Easy to read and actually fun to fire up my twitter account and play along with each chapter. Everyone has 30 spare minutes spread out over a week (if not a day) to read this guide.
