Hot Laps Steve Eubanks, 2009-03-17 A brain-dead hayseed named Troy Slackherd's been caught red-handed trying to hijack an eighteen-wheeler filled with die-cast toy race cars. The culprit's the step-brother of pro-racing's most popular speed demon, Junior Senior Jr.—which means Redball's returning, against his will, to the 180 m.p.h. world of gas fumes, adrenaline, and treacherous curves. When the truckful of toys leads to a lockerful of cash—and to perfidy, porn, loser Louisiana wiseguys . . . and murder—Redball realizes he's back in the race for good or ill. And he'll have to keep moving . . . or die.

Outlaw Sprints Mike O'Leary, Outlaw Sprints is an introduction to the exciting and unique world ruled by these incredible winged sprint cars. It traces the history of the cars and takes you to a night at the races. You'll also learn about the sport's top events and race tracks.

Balance is B.S. Tamara Loehr, 2019-04-01 Combine the best parts of your personal and professional life to live the life you really want Balance is B.S. is an unflinching and honest look at the challenges today's working woman faces in balancing her professional and personal lives. In the United States, women comprise over 40% of household income. Increased gender diversity in the modern business landscape continues to have a positive impact on bottom lines and revenue reports across the economy, and offers significant benefits for ambitious women in the workplace. This increase of women in the workforce does present a serious problem—women are working longer and harder outside of the home, but their workload has not lessened inside of the home. While their career prospects rise, expectations of their family and personal lives remain flat. Women pursue the mythical “work-life” balance, and feel guilty for not reaching it. There is a better way. This insightful book provides working women with real-world advice, enabling them to blend their personal and professional lives, avoid burning out, and raise expectations of themselves and those around them. Every chapter presents practical exercises to identify values, and focus on what matters most. Following the path laid out by this essential guide, you will learn how to: Blend business and personal lives together without compromising your values Adjust expectations of yourself and others around you Use practical exercises and effective techniques to combine work, social, family, and parenting lives Stop feeling guilty about your work-life balance, and embrace the best parts of both Balance is B.S. is an invaluable resource for working women regardless of profession, experience, and status. Author Tamara Loehr draws on her years of entrepreneurial success to share her proven methods of merging work, play, and family to map out and reach the life you actually want to live.

Sunday Money Jeff MacGregor,2005 NASCAR racing, once considered no more than a regional circuit of moon shiners pounding around low-country dirt tracks in a cloud of red dust and cliché, has somehow become the fastest-growing spectator sport in America -- and the buxom, bumpkin darling of Madison Avenue. With 75 million fans and its popularity soaring in every corner of the country, NASCAR is a 200-mile-an-hour traveling tent-and-revival show, a platinum-plated, multibillion-dollar V-8 hero machine -- a sports entertainment empire built at the very crossroads of pop culture, corporate commerce, and American mythology. Smart, funny, and profane, *Sunday Money* is the kaleidoscopic account of an entire season on the NASCAR circuit. Driving 48,000 miles in a tiny motor home, writer Jeff MacGregor and his wife, an award-winning photographer, covered 36 races at 23 tracks in 18 states, from Daytona to Darlington, New Hampshire to California, from the Wal-Mart to the Waldorf, profiling the lives of superstar drivers like Dale Earnhardt Jr. and Tony Stewart, their crews, and their fans, across the grinding reach of a 40-week season. But this is not just a behind-the-scenes chronicle of America's loudest pastime. It is the story of a hundred stories; of red states and blue, of splendid Rebel lizards and golden Yankee hot shots, of mystic true believers and their holy roll of honored ghosts. In the tradition of *On the Road*, *Travels with Charley*, and *The Electric Kool-Aid Acid Test*, *Sunday Money* is a snapshot of American culture -- of race, religion, class, sex, money, politics, and fame -- taken from the window of a moving car, a brilliantly observed, keenly rendered, and darkly comic portrait of America. An all-encompassing survey of a year spent on the NASCAR circuit documents the author's 48,000-mile, eleven-month tour of America, during which he and his photographer wife documented the sport's significant growth as well as its reflection of American pop culture and commerce.

"U Can't Make This Stuff Up" Larry Malcolm,2016-07-12 *U Can't Make This Stuff Up: The Extreme Encore!* opens and closes chapter 1 with Larry's Radio Talk Show. There are plenty of funny elevator stories, observations, and a super sexy marathon that will make you blush. My babies, JYD and Prissy, are scattered throughout chapter 1. Stand-Up Comedy While Sitting can be found mid-way through chapter 1. Pictured is a younger virgin* of myself. Do things ever make U say Huh? We have a few in the first three hundred pages. The Supreme Court has made three controversial decisions. 1962-1973 and 2015. A lot has been written about these three decisions. What is next for America?

Circus Before Dawn David Miller,2010-12-14 The worlds most glamorous circus is haunted by a mysterious curse that has endured for decades and follows the show like a shadow. An unheralded performer seeks to break the spell. Someone else is displeased. * * * * * Shortly before the dawn of the new millennium, a video arrives at the postbox of internationally acclaimed motorsport journalist, Trevor Banks. The startling images depict the elite driving talents of an intriguing racecar driver. Banks is assigned to investigate the story. As he does so, he discovers that the talented performer also has attracted the attention of a psychopathic saboteur. From Northern Californias legendary racetracks to multiple European venues, including the dazzling jewel that is the Monaco Grand Prix, the story takes the reader on a wild, unpredictable ride within the dangerous circus that is Formula One racing. With an engaging style and a sharp eye for detail, David Miller has crafted a compelling drama that hurtles toward its shocking climax with the purposefulness and hair-raising excitement of a Formula One racecar as it rockets toward the chequered flag. * * * * * A portion of the proceeds from the sale of *Circus Before Dawn* shall be donated to the Hole in The Wall Gang Camp for seriously ill children (www.holeinthewallgang.org) and to the Ayrton Senna Institute, the mission of which is to create opportunities for human development for children and young people (www.senna.globo.com/institutoayrtonsenna).
