Going Down to the Sea Ko-lin Chin, 2014-03-15 In

Chongqing, Ling Ling had been a waitress earning twenty-five dollars a month; a few years later in Hong Kong she was making six times that each day. Kelly taught preschool in Beijing for ten years before moving to LA and opening a brothel. These are just two of the eighteen Chinese women interviewed in this book about how they came to sell sex in Hong Kong, Macau, Taipei, Bangkok, Singapore, Kuala Lumpur, Jakarta, Los Angeles, and New York. The women's candid stories put a human face on globalized commercial sex and offer a raw, inside view of the moneydriven transnational sex industry. The author, an expert in the field of criminal justice, frames these personal accounts with contextual details and incisive commentary to provide a rich understanding of the realities and myths of prostitution and global sex trafficking. Every year, the United States alone spends hundreds of millions on programs to combat human trafficking and rescue trafficked victims. But what do sex workers themselves have to say about these issues? These eighteen interviews were gathered as part of an extensive research project for the author's 2012 book, *Selling Sex Overseas*. With the publication of these full, unvarnished accounts, we are now able to hear firsthand how and why these women left China to work in the sex trade abroad, how much they make, what hardships they face, and what hopes they have for the

future. What Others Are Saying “Ko-lin’s in-depth fieldwork has set a new standard for nuanced sociological inquiry into thorny social issues. The women he interviews deserve not judgment but understanding of the complex circumstances and challenges they face. Through sheer tenacity and painstaking documentation, Ko-lin allows us to see for ourselves the human stories behind each veiled entrance and every dimly lit doorway.” —Sheldon Zhang, San Diego State University “Ambitious in global scope while staying focused on individual stories, this book vividly and poignantly reveals the impact of anti-trafficking laws and campaigns on the everyday experiences of Chinese sex workers overseas, and illuminates the ways these policies imperil the very people they purport to assist.”—Tiantian Zheng, Professor, Anthropology Highlights - Stories of life in the transnational sex trade, told by the women themselves - Details on the inner workings of the sex industry - Interviews collected and presented by an expert on Asian criminal networks - On-the-ground perspectives on transnational sex trafficking

The Mad Farmer Poems (Large Print 16pt) Wendell Berry,2010-05 Wendell Baerry has become "mad" at contemporary society. Gleaned from various collections of this amazing American voice, the poems take the shape of manifestos, insults, and Whitmanic ravings that are often funny in spite of themselves. The whole is a wonderful testimony to the power of humor to bring even the most terrible consequences into an otherwise unobtainable focus.

The Licit Life of Capitalism Hannah Appel, 2019-12-13
The Licit Life of Capitalism is both an account of a specific capitalist project—U.S. oil companies working off the shores of Equatorial Guinea—and a sweeping theorization of more general forms and processes that facilitate diverse capitalist projects around the world. Hannah Appel draws on extensive fieldwork with managers and rig workers, lawyers and bureaucrats, the expat wives of American oil executives and the Equatoguinean women who work in their homes, to turn conventional critiques of capitalism on their head, arguing that market practices do not merely exacerbate inequality; they are made by it. People and places differentially valued by gender, race, and colonial histories are the terrain on which the rules of capitalist economy are built. Appel shows how the corporate form and the contract, offshore rigs and economic theory are the assemblages of liberalism and race, expertise and gender, technology and domesticity that enable the licit life of capitalism—practices that are legally sanctioned, widely replicated, and ordinary, at the same time as they are messy, contested, and, arguably, indefensible.

The Egg & I Betty MacDonald, 2016-11-01
“A work of real

comic genius. . . . A wonderful, funny, warm, honest book, and, to use a much overused word, a classic.” –Michael Korda, author of *Country Matters* When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's *The Egg and I* is a heartwarming and uproarious account of adventure and survival on an American frontier.
