101 Ways to Guest Satisfaction Orkun Avkan, 2019-02-14 The hotel industry is saying goodbye to your special days. Unfortunately, you won't be able to have regular working hours like ordinary people. Hold on to your hats! You won't be able to make plans with your friends and you will slowly stop making promises because you can't keep them anymore. Complaining about the conditions will do you no good. Good news is that whether you're in the deserts of Africa or in the polar region or even in Mars, the ways to satisfy the guests don't discriminate time and place; they are universal. ***
