Youtility for Real Estate Jay Baer, Erica Campbell Byrum, 2014-11-04 How real estate professionals can build trust and dominate their competition by creating truly useful marketing. Youtility, as defined by bestselling author Jay Baer, is marketing that people cherish instead of marketing they simply tolerate. Due to enormous shifts in technology and consumer behavior, customers want a new approach that cuts through the clutter: marketing that is truly, inherently useful. Smart real estate professionals are applying the concepts of Youtility, giving away information and resources for free, to differentiate and dominate by providing real value to clients and prospective clients. The difference between helping and selling is just two letters, but embracing the former makes the latter much, much easier. Meticulously researched and filled with examples of residential and multifamily real estate professionals who have accelerated their businesses enormously by embracing the principles of Youtility marketing, this special e-book provides a groundbreaking plan for using information and helpfulness to transform the relationship between real estate pros and their customers. Based on the New York Times bestseller

Youtility, this pithy e-book is a must for marketers in the real estate industry.

SEO for Growth John Jantsch,Phil Singleton,2016-09-11 Search Engine Optimization, also known as SEO, is how people search and find your website on the Internet. ... SEO is a key growth channel for your business, but the rules of SEO have changed dramatically in recent years. To grow your business in today's economy, you need a strong online presence. But what does that entail exactly? Marketing is no longer about mass-market advertising and outbound sales; it's about capturing demand -- grabbing the attention of people already looking to make a purchase or acquire specific knowledge. To do that, your content needs to be at the top of Internet search results--Amazon.com.

How to SEO - The definitive guide after 10 years of SEO Federico Magni,2019-12-10 This innovative guide will take you on a journey through SEO (Search Engine Optimization) from A to Z. The text is based on updated examples faithfully reported from the experiences with the 100 sites built by the Italian author Federico Magni, Senior SEO Specialist for about 10 years, and now founder of the SEOProf.it platform. Failures and successes on Google are told by analyzing not only the keyword and link building concepts, but also by focusing on the latest SEO strategies to place your site on search engines for a given keyword. In addition to practical suggestions and a bit of theory, you will find the experiences, the case studies verified in the European market, and the situations experienced by the author during his daily work in SEO, with concrete numbers and data. Written in a very clear and simple way, this SEO course is ideal for those who already know the subject, but also for those who have recently approached it. Recommended for the beginner who wants to start in the best way, but also for those who have a more advanced level and want to improve their skills for a professional growth. It's not a cold reading of false myths, tricks, or outdated content about SEO, but it's a book that gets straight to the point.
